NIAGARA CATHOLIC DISTRICT SCHOOL BOARD

FROM THE PRINCIPAL'S DESK

Dear Canadian Martyrs Crusaders Families,

Welcome to the 2025-2026 school year! We are very excited to start this school year with our Canadian Martyrs Crusaders family. We hope and trust that you have enjoyed a relaxing and rejuvenating summer break with family and friends.

As you are all aware, this promises to be a year filled with extraordinary opportunities and challenges, as we continue to strive to advance the mind, body and soul of all of our students. We embark on this journey together as we make a commitment to provide engaging, meaningful and spiritual experiences certain to engage all Crusaders!

As we embark on a new school year, we would like to recognize and extend a special thanks to the caretakers and all staff for preparing our school for 2025-2026. Our school year will focus on supporting and improving student achievement, and building our Catholic faith with the support of our families and St. Alfred Catholic Church.

We look forward to a very positive and productive year together. We highly value the triad connection between home, parish and school. We value your parental support in your child's education, as your active participation is key to the success for your child.

May God bless each of you as we begin the 2025-2026 school year. We look forward to working with you as God guides our steps through the journey of another successful school year at Canadian Martyrs Catholic Elementary School. Yours in Catholic Education,

Mrs. L. Incaviglia—Principal

Mrs. D. Bishop—Vice Principal

COMMUNICATION

Canadian Martyrs is rooted in Catholic and Christian values. Our goal is to create a safe, kind and loving environment for all who work, learn, and assist with our school community.

We have moved away from paper agendas and we will be using digital forms of communication. Your child's teacher will confirm the best way to communicate with them.

Aggressive or hostile behaviour or language toward, staff, students or our community helpers will not be tolerated. While we welcome feedback, concerns and opinions it is the expectation that all staff, students, parents, guardians and community helpers communicate their needs and concerns with one another in a respectful and peaceful manner whether through email, on the phone or face-to-face. Adherence to this expectation is vital in order to create a community which can solve problems and help one another achieve success.

REUSABLE WATER BOTTLE

In an effort to promote and teach students about sustainability, we expect that all students bring a reusable water bottle to school each day that can be filled at one of our three hydration stations. Please note that our school does not have water fountains. Thank you for your co-operation and support for the environment.

We are cashless. Families use School Cash Online to make payments or complete various forms. Setup your account at the following website:

PARKING LOT PROCEDURES

It is important for the safety of the entire Canadian Martyrs School Community that families abide by the procedures and rules of the parking lot when picking up and dropping off their child(ren).

The role of the staff is to ensure that students get to and from the buses or their parent/guardian safely. Those using the parking lot must follow the city by-laws and procedures set out by the school. Most importantly, we ask that you are patient when dropping off and picking up your child(ren). The parking lot is very busy, especially at the end of the day. When entering the parking lot, please **REDUCE SPEED**. Keep children close to you when walking through. It is very busy and we want to make sure everyone is safe.

If you are exiting your vehicle, you must park in a designated parking spot. Parking in the fire lane or blocking other vehicles is prohibited. If there are no spots available in the school's parking lot, you are to park your vehicle at the church across the street or the church next door to the school and walk to get your child(ren). It is very dangerous to use the exiting lanes of the parking lot to walk onto the school property so please use the sidewalk on the west side of the school or walk on the grass.

Accessible Parking - The accessible parking spots in the school parking lot are intended only for those with a disabled parking permit. If you do not have a disabled parking permit, you are not to use the accessible parking spots for any reason. These spots cannot be used for dropping off students. These spots need to be open and available for those with a disabled parking permit.

Kiss and Ride – If you are dropping your child(ren) off at school in the morning, please use the Kiss and Ride lane. We ask drivers to please “kiss and drive” straight through the middle lane of our school lot to avoid blocking the arriving and departing busses. Do not let your child(ren) out of your vehicle until you are at the top of the lane where staff is present. It is very unsafe to have children weaving through the cars and buses in the parking lot so please follow the Kiss and Ride procedures. Please refrain from parking in the “No Stopping - Fire Route” area. Please respect the pylons placed in the parking lot. They have been placed there to protect our students who exit their vehicle in the middle lane and walk through the staff-supervised first lane to the safety of the school sidewalk.

Dismissal Procedures - All students grades 1 to 8 will be dismissed at 2:50 p.m. from the east field at the front of the school next to the parking lot. Parents/guardians are asked to wait on the field to receive their child(ren). Kindergarten students are to be picked up in the Kindergarten play area. When crossing with the crossing guards, please remind your child(ren) to remain between the lines of the crosswalk to ensure their safety.

We ask that parents/guardians and visitors exercise caution when driving in our very busy parking lot. Please ensure that everyone who drops off/picks up your child (for example, family member, friend, grandparent, etc.) is aware of these drop-off and pick-up procedures.

Thank you for your continued focus on safety.

**MEET THE STAFF NIGHT**

We will be having a **Meet the Staff Night on Thursday, September 11th from 5:00 pm to 7:00 pm.** This is an opportunity for parents/guardians to come into the school and meet their child's teacher(s) and tour the school. This year we are happy to have the Knights of Columbus grilling up some delicious dinner options for you and your family. Please use School Cash Online to pre-order meal options from Knights of Columbus. We look forward to seeing you then!

ANAPHYLAXIS

We currently have several children registered at Canadian Martyrs with peanut/tree nut allergies. Please ensure that you are packing a nut safe lunch and snacks for your child. We thank you for your cooperation in this very serious matter.

FIRE AND LOCKDOWN DRILLS

Fire drills will be conducted at a minimum of **six times** throughout the duration of the school year; three per term at various times of the day. Lockdown drills will be conducted a minimum of **two times** throughout the duration of the school year; one per term. The first lockdown drill will take place on September 18th. Thank you for your support and cooperation in ensuring the safety of all our students here at Canadian Martyrs.

CATHOLIC SCHOOL COUNCIL

The Canadian Martyrs Catholic School Council is an advisory body that will encourage the active participation and faith formation of its members, supporting the triad of church, home and school, to improve student achievement and well-being of all students in our school community, and to enhance the accountability of the education system.

We will meet in person four times this school year. Our first meeting will be on **Monday, September 29th at 6:00pm.** Elections will be held during this meeting for a new executive. All parents/guardians are welcome to join us.

CELL PHONE USE FOR STUDENTS

As we continue to foster a safe and positive learning environment for all students, I would like to remind you of the regulations regarding cell phone use that have been implemented in Ontario schools.

To minimize distractions and maximize learning, cell phones are only permitted during instructional time when they are being used for educational purposes as directed by the teacher. Outside of these times, students are expected to keep their phones turned off and stored away unless needed for documented learning needs and/or health related requirements. We kindly ask for your support in reinforcing this policy with your children and encouraging them to focus on their studies during school hours.

Your cooperation is essential in helping us maintain a healthy and respectful school environment. If you have any questions or concerns regarding these rules, please do not hesitate to contact the school.

Thank you for your understanding and support.
