Costume Parade

On Friday October 31st, will be our Costume Parade. Students that would like to participate in the parade are asked to come to school in their costume and we will begin the parade at 9:30 am. Our students will be proceeding down Booth St. (located behind SJHN) right after announcements. Families are welcome to line

the sidewalks and cheer on our students and staff during our costume parade.

Once the parade concludes, students will be able to change into other clothing to avoid any damage to their costumes. Students that prefer not to wear costumes that day are encouraged to wear orange or black.

We ask that costumes be modest and appropriate for school. Please do NOT wear scary costumes, weapons or fake blood with your school costume as we have younger students in the building. Thank you in advance for your attention in this manner.
