Mason Pasma and Alan Sony, Student Trustees, presented a brief verbal update on the current activities of the Student Senate.

Planning is underway for Lead Out Loud Elementary Leadership Day on November 10, 2026 at St. Alfred's Church. Students will hear from a keynote speaker and participate in discussions about school challenges, share ideas, and develop action plans for positive change. Beginning next month, Student Senate will highlight a monthly Senator. Student Senate is also planning a community outreach initiative involving cake kits for food banks across Niagara, with local organizations in each school community.

2.2 Board Highlights

Board highlights included:

Superintendent Forsyth Sells

- Superintendent Forsyth Sells highlighted Niagara Catholic's recognition of the National Day for Truth and Reconciliation. Niagara Catholic honored and recognized the day, which is also Orange Shirt Day by wearing orange shirts, listening to those impacted by residential schools, learnings from the past, and walking towards the future in unity with our communities. The Every Child Matters flag was flown at all Niagara Catholic Schools and the Catholic Education Centre.
- Nominations are now open for the Niagara Catholic Education Award of Distinction, which will be presented at the Niagara Foundation for Catholic Education Gala on March 4th, 2027. We want to make sure that everyone in our Catholic community is aware that nominations are welcomed for any individual or group, including those representing a school, a parish, family, or community organization, who has contributed to the growth and advancement of Catholic education in the Niagara region. Nominations will close on November 27, 2026. Additional information, including the link is available on the Board website.

A. PRESENTATIONS

1. Niagara Catholic Theological Theme – Krista Oliveri

The theological theme and related imagery for the next three years were presented. Each Family of Schools will have a unique constellation based on the geographical locations of its school communities, with a symbol connected to Catholic faith and identity:

- **Blessed Trinity:** Fish – an early Christian symbol.
- **Dennis Morris:** Dove – symbol of peace. Includes St. Kateri and Pope Francis.
- **Holy Cross:** Hand holding a candle – representing the light of faith received at Baptism.
- **St. Francis:** Bishop's Crosier – representing Jesus as the Good Shepherd.
- **St. Michael:** Feather – representing the angels and spiritual protection and guidance.
- **St. Paul:** Sacred Heart of Jesus – symbolizing God's unconditional love.
- **Notre Dame:** Lily – representing the Blessed Mother Mary and her model of faith.
- **Lakeshore Catholic:** Rosary – highlighting the importance of prayer.
- **Adult Education:** Grapes – reflecting Niagara's vineyards and the Gospel message that God is the vine and we are the branches.

The Theological Theme logo was also reviewed. Key symbolism includes:

- The **cross** represents Christ as the centre of Catholic education.
- The **halo** represents the call to sainthood and the Eucharist as the source and summit of the Catholic faith.
- The **four hills** represent the four pillars of faith: Creed, Morality, Prayer and Sacraments.
- The **winding path** represents the challenges and obstacles encountered throughout our faith journey, while reminding us that staying the course together leads us to the cross.
- The **stars** represent the geographical locations of the Families of Schools and reinforce the mission of supporting each student in achieving excellence in both faith and academics.

A variety of resources will be available to staff to incorporate the theological theme throughout school life, including **prayers, retreats, pilgrimages, faith formation opportunities, student leadership activities, curriculum connections and posters**. Spirit wear featuring the theological theme will also be available.

The theme is intended to help students and staff experience faith as a **lived experience**, extending beyond curriculum and guiding how faith is reflected in words, actions and school activities throughout the year.

2. Superintendent Pizzoferrato – SEAC Regulations

Niagara Catholic SEAC Operating Guidelines: The importance of maintaining consistent special education programs and services across the Board was emphasized. The goal is to ensure that families with similar needs receive comparable levels of service regardless of the school or area of the Board they are accessing.

The dedication of administrators, resource teachers, classroom teachers and educational assistants in meeting the needs of students and families was recognized. Open communication and two-way dialogue with families and community partners were identified as essential to continuous improvement.

SEAC was recognized as an important forum for supporting the quality of special education programs and services through collaboration, informed discussion and meaningful recommendations. The committee's work will continue to focus on inclusion, equity and student success, with the guiding question: *"What can we do as a committee this year to make a positive difference for students receiving special education services?"*

Members were reminded of the importance of attending monthly meetings, or ensuring an alternate is present, so that the perspectives and interests of their organizations remain represented in committee discussions and outcomes.

SEAC Membership Renewal

The renewal process for returning SEAC members was reviewed. A simplified renewal form has been provided to members and may be submitted anytime before the November meeting.

Members wishing to return are encouraged to complete and submit the form.

Community organizations interested in joining the SEAC may nominate a representative by submitting a letter from the organization confirming that the individual meets the membership criteria. Members were advised to contact Gino, Melissa Ciarlo or John Markovich with any questions regarding the application or membership process.

It was clarified that SEAC representatives do not have to be employees of the organization they represent. Individuals may participate through other roles, such as serving on a board of directors or volunteering with the organization.

3. Introduction – John Markovich

The System Principal for Special Education is a new role to Niagara Catholic.

The Superintendent will continue to provide strategic leadership, governance oversight, accountability, and mentorship, while the System Principal will focus on operational leadership, coordination, implementation, and monitoring of system-wide Special Education initiatives. John will be working closely with the coordinators, while supporting

schools EAs, ERTs, ABAs, SLPs, BRTs. John will assist in the implementation of training, and staff development for board employees. He will also play a large role in accessibility standards and training for all staff.

4. Netherlands Visitors – John Markovich

In November Niagara Catholic will welcome educators from the Netherlands that are interested in learning about our work with inclusive educations. Niagara Catholic was not chosen for this randomly it was chosen because of the great work that the board does with inclusion. The educators are interested in seeing the roles of the EAs and classroom participation and safety in the classroom.

B. CHAIR’S REPORT

Co-Chair self-nominations would be great for collaboration and planning and would be nice to have a partner.

Future locations for off site meetings in the spring, think of where. Ideas for guest speaker presentations from your organization or outside if you know of anyone, reach out to Gino or Monique to let them know if they have any ideas

C. AGENCY REPORTS

LDANR

- **Summer Partnership with Niagara Catholic:** Niagara Catholic supported S.L.A.M. Camp by covering the cost of up to **two weeks of camp** for eligible Niagara Catholic families. Through this partnership, a total of **58 Niagara Catholic student** received funding to participate in S.L.A.M. Camp and benefit from the targeted literacy support offered throughout the program.
- **Fall Programs:** We currently have spaces available in our JUMP Math program.
- **LDAO Discussion Brief:** LDAO has released a new discussion brief, *Strengthening Assessment Pathways and Supports*, which explores challenges related to learning disability identification, assessment access, and support pathways across Ontario. The brief emphasizes that, in addition to timely assessments, students need consistent, equitable supports before, during, and after assessment. SEAC representatives are encouraged to review and share the discussion brief within their school communities to support ongoing conversations about improving supports for students with learning disabilities, ADHD, and related learning needs. Niagara Catholic Update

1. Summer ABA Programs & Kindergarten Transition Camps

Throughout the summer, various experiential learning programs were offered to students at Niagara Catholic through the After School Skills Development Program (ASSDP) funds and Summer Learning for Students with Special Education Needs Funding, facilitated by the ABA team supported by EAs. In July, a transition to post-secondary program was run with high school students from a variety of schools. Students learned about Executive Functioning Skills and applicable life skills targeted for independent life management. Additionally, a Transition to Grade 1 camp was run at St. John Henry Newman. Students learned skills applicable to the grade 1 classroom environment, including sitting at desks, building meaningful relationships and social skills. In August, Niagara Catholic partnered with Niagara Children's Centre to offer children and families with extensive needs, who are Augmentative and Alternative Communication users and have challenges accessing typical camp offerings, 2 weeks of camp experiences at their centre. Leading up the first week of school, two transition to Kindergarten camps were run out of OLV and St. Anthony. This program focused on exposure to the school environment, practicing school-readiness routines (e.g., carpet, lining up, recess, basic academic tasks). Goals and targets were identified for all students, data collection occurred throughout all programs and Behaviour Service Summaries are provided to the student's school for their review and information gathering for the new school year. Lastly, 4 Speech and Language Assessments were completed through an external agency during the summer months.

2. Student Support August Transition Team

Student Support implemented a Transition Support Team, through additional Ministry funding, at the beginning of July and end of August with 16 staff members participating in this initiative. The team worked to provide support to students, families, teachers, and administrators as students transitioned to a new school/grade or returned to school this September. The team's work included a broad range of transition-related supports, such as liaising with community partners, preparing resources such as visual schedules, facilitating transition meetings, conducting environmental assessments, and reviewing safety plans, among many other activities. We thank all staff who contributed to this initiative and wish all students the very best as they begin the new school year.

3. S.L.A.M. (Sunshine, Learning, Achievement & More) Camp – Learning Disabilities Association of Niagara Region

Over the summer months, through Ministry funding dedicated to student transition, and in partnership with Learning Disabilities Association of Niagara Region, Niagara Catholic was able to provide 57 students with the opportunity to attend S.L.A.M. Camp at one of two sites: St. Alfred Catholic Elementary School or St. Vincent de Paul Catholic

Elementary School. For half of each day, students focused on enhancing their literacy skills, including phonics, sight-word recognition, and reading fluency. During the other half of the day, students participated in coping-skills and recreation-based activities designed to support social-emotional well-being and build resilience. These activities addressed areas often associated with learning difficulties, such as low self-esteem and challenges with social and emotional regulation.

4. Professional Development Session

On Thursday, September 3rd, a professional development session for elementary and secondary teaching staff focused on inclusive education and the effective development and implementation of Individual Education Plans (IEPs). A key highlight of the session was the opportunity for educators to deepen their understanding of student strengths, needs, and learning goals through the use of a newly developed AI-powered tool designed to assist with IEP development and revision. The session provided staff with practical strategies and innovative resources to enhance personalized learning and strengthen inclusive practices across classrooms in Niagara Catholic.

5. Empower

All Niagara Catholic elementary schools are scheduled to deliver the Empower reading intervention program to targeted students again this school year. Refresher training for experienced staff will occur in the afternoon of the Student Support Learning Session. Training for new staff teaching this program will occur on September 23rd and 24th. Staff will soon begin to determine the best candidates for the program.

6. Our first Educational Resource Teacher and Special

Education Classroom Teacher staff meeting will be held September 17th where staff will gather in-person here at the CEC. A Secondary Subject Council Meeting is also planned for this date. A full agenda is planned that includes refresher training for the Empower Reading Program that afternoon.

Gino spoke to Niagara Catholic District School Boards bill 101 – putting student first and leadership structure. The Chief Executive Officer manages financial and operational side of the board. The Chief Education Office is a member of the college of teachers. We now have Giancarlo Vetrone as Chief Executive officer and Kim Kinney as Chief Educational Officer.

H. TRUSTEE REPORTS

Niagara Catholic presented at the committee of the while meeting introduction of the school year report. It was a very positive and optimistic report. It was shared that Niagara Catholic continues to grow in enrolment in elementary and secondary and surpassing projections. Construction of St. Luke's remains on schedule for the fall of 2027, construction underway for the new school in Niagara Falls, new elementary school approved for Thorold and expansion for 8 classroom addition to Saint Michael Catholic High School.
