

### **Niagara Ice Dogs**

Dear Parents:

We are pleased to once again announce that the Niagara Ice Dogs have sponsored St. Theresa Catholic Elementary School. Two tickets to the regular season games have been donated to the school. Students' names are submitted by the classroom teacher for exhibiting the Catholic Virtues within our school community. Names are drawn and with the parent permission the two tickets are given to the child for the family to enjoy. This is a \$1,200.00 gift to the school by the Niagara Ice Dogs. The kick off assembly took place at the school with the Niagara Ice Dogs on Monday September 23<sup>rd</sup>. They talked to the students about the importance of education, nutrition and the importance of physical activity and anti-bullying. A scrimmage game followed with those students who had permission to participate.

Thank you to the Niagara Ice Dogs for their support.
