CO-BUILDING WITH COMMUNITY PARTNERS

When considering building a new school or undertaking a significant addition or renovation, the Controller of ~~Plant~~ **Facilities Services** will inform Potential Partners on the notification list one (1) to three (3) years prior to the potential construction start date. The notification must be supported by a Board ~~approved motion~~ **resolution**. An identified source of funding or Ministry approval is not required at this point. **Senior** Administrative Council will receive and evaluate expressions of interest **to select partner(s) from select partners, based on its Community Planning and Partnership Policy.**

The Board has the authority to co-build schools with other entities and to enter into a variety of facility partnerships through license or joint use agreement as outline in paragraph 44 of subsection 171(1), paragraph 4 of subsection 171.1(2) and sections 183, 194 and 196 of the Education Act, although Education Act required Minister approval in some circumstances. Approval by the Minister of Education may be required depending on the provision under the Education Act authorizing the transaction.

Partnership agreements cannot be finalized until the Board and the partner(s)/s have an approved source of funding. Prior to receiving Ministry of **Education** approval to proceed with new construction or major renovation projects, the Board will be required to demonstrate that potential partnerships have been considered.

SHARING UNUSED EXISTING SPACE WITH COMMUNITY PARTNERS

Underutilized open and operating school and administrative facilities will be reviewed for their suitability for partnership, **in alignment with the Board's mission, vision and values**, based on the following criteria:

- Space needs of existing educational programming and initiatives has been taken into consideration;
- Student **and staff** safety will not be compromised;
- Student achievement ~~strategy~~ will not be compromised;
- Pupil accommodation ~~strategy~~ has been taken into consideration;
- The partnership will be in compliance with zoning and site use restrictions;
- Facility condition is suitable, or will be addressed at the partner's cost;
- Configuration of existing space is suitable or will be altered at the partner's cost; and
- There is an ability to separate the student space from the partner space.

PARTNERSHIP AGREEMENTS

The Board should ~~not incur additional costs to support facility partnerships. On a cost-recovery basis, the fees charged to partners should cover the operations, administrative and capital cost to the Board of the space occupied by the partner. Additional costs to perform minor renovations to protect student safety, provide appropriate washrooms, and otherwise make the space suitable for use by facility partners, should be borne by the partners.~~

In co-building, partners will be required to pay for and finance their share of construction, including a proportional share of joint-use or shared space. Construction is required to be within Ministry funding and space benchmarks for the Board portion of the facility.

The Director of Education shall ensure the provision of proper legal agreements to potential partners that respect the Education Act and protect the rights of the Board **and will include clauses regarding but not limited to:**

- Terms of the Agreement;
- Cost sharing;

PUPIL ACCOMMODATION REVIEW POLICY

ADMINISTRATIVE GUIDELINES

700 – Building and Sites

Policy No. 701.2

Adopted Date: April 28, 1998

Latest Reviewed/Revised Date: February 23, 2010

BACKGROUND

The Pupil Accommodation Review Policy and Administrative Guidelines implements the Pupil Accommodation Review Guidelines released by the Ministry of Education on June 26, 2009. A copy of the Pupil Accommodation Review Guidelines (Revised June 2009), and the Ministry document entitled Administrative Review of the Accommodation Review Process along with this Policy and Administrative Guidelines will be posted on the Board website and will be made available at the Catholic Education Centre.

CONTEXT

The Board's elementary schools are organized as families of schools, generally linked to a secondary school. The goal of providing a suitable and equitable range of learning opportunities in a school or family of schools requires monitoring and active curriculum and programming decisions. Decisions that might require consolidation, closure or major program relocation will take into account the needs of all of the students in all of the schools in a particular group. There may, however, be circumstances in which a single school should be studied for closure or relocation.

The Niagara Catholic District School Board's long term enrolment and capital planning will provide the context for accommodation review processes and decisions. The planning will take into account opportunities for partnerships with other school boards and appropriate organizations that are financially sustainable, safe for students, and protect the core values and objectives of the Board.

APPLICATION OF ACCOMMODATION REVIEW GUIDELINES

The following outlines circumstances where Boards are not obliged to undertake an accommodation review in accordance with the Ministry Pupil Accommodation Review Guideline. In these circumstances, the Board will consult with local communities about proposed accommodation options for students in advance of any decisions by the Board:

- Where a replacement school is to be rebuilt by the Board on the existing site or located within the existing school attendance boundary as identified through the Board's existing policies;
- When a lease is terminated;
- When the Board is considering the relocation of a grade or grades, or a program, where the enrolment in the grade or grades, or program, constitutes less than 50% of the enrolment of the school;
- When the Board is repairing or renovating a school, and the school community must be temporarily relocated to ensure the safety of students during the renovations;
- Where a facility has been serving as a holding school for a school community whose permanent school is under construction or repair.

ACCOMMODATION REVIEW PROCESS

1. ~~The Preliminary Report~~

~~The Director and/or designate will present a preliminary report to the Board identifying a school or group of schools in which challenges may be faced in providing a suitable and equitable range of learning opportunities for students, and in respect of which there may be a need to consider the possible consolidation, closure or major program relocation in respect of one or more schools.~~

~~A school or group of schools may be considered for study if one or more of the following conditions apply:-~~

- ~~• The school or group of schools is, currently or as projected, unable to provide a suitable and equitable range of learning opportunities for students;-~~
- ~~• The school or group of schools has experienced or will experience an adverse impact on learning opportunities for students due to declining enrolment;-~~
- ~~• Reorganization involving the school or group of schools could enhance program and learning opportunities for students;-~~
- ~~• Teaching/learning spaces are not suitable to provide the programs needed to serve the community and retrofitting may be cost prohibitive;-~~
- ~~• Under normal staffing allocation practices, it would be necessary to assign three grades to one class in one or more of the schools;-~~
- ~~• One or more of the schools is experiencing higher building maintenance expenses than the average for the system and/or is in need of major capital improvements;-~~
- ~~• In respect of one or more of the schools there are safety and/or environmental concerns attached to the building, the school site or its locality;-~~
- ~~• The consolidation of schools is in the best interests of the overall school system;-~~
- ~~• It has been no less than five years since the inception of a study of the school by a Program and Accommodation Review Committee, except where extenuating circumstances warrant, such as an unexpected economic or demographic shift, or a change in a school's physical condition.-~~

2. ~~Establishing an Accommodation Review Committee~~

~~After reviewing a Preliminary Report from staff, the Board may direct the formation of an Accommodation Review Committee (ARC) to lead the review of a group of schools or a single school. The ARC will assume an advisory role and will provide recommendations that will inform the final decision made by the Board.-~~

~~Parents/guardians, school staff and school council members of the affected schools will be informed by staff, within one week, in writing, through their respective schools, of the Board's decision to form an ARC. The decision will be posted on the Board website.~~

~~The ARC will consist of the following persons:-~~

- ~~• The Family of Schools Superintendent who will serve as Chair of the committee;~~
- ~~• From each school:-~~
 - ~~○ The school Principal;-~~
 - ~~○ The Catholic School Council Chair or designate;-~~
 - ~~○ A Priest from each area under review;-~~
- ~~• The Controller of Plant and / or designate;-~~
- ~~• Two community members-~~
- ~~• Any other individual as deemed necessary by the Board~~

~~The ARC will be deemed to be properly constituted whether or not all of the listed members are willing and able to participate.-~~

At its first meeting the ARC will agree to invite two community members to join the ARC, and using the template provided (~~Appendix A Meeting Dates and Expectation Summary~~), will prepare an outline of scheduled meetings which will be posted on the Board website. The minutes of all meetings will also be posted on the Board website.

All meetings of the ARC will be open to the public.

The ARC will liaise with municipalities throughout the process, as well as all stakeholders of joint use facilities.

Senior staff will provide a completed Terms of Reference template that will describe the ARC's mandate to the Board for approval. (~~Appendix B Accommodation Review Committee, Terms of Reference Template~~).

~~4. School Information Profile~~

The final School Information Profile(s) and the Terms of Reference will provide the foundation for discussion and analysis of accommodation options. In carrying out its mandate the ARC will weigh the value of the schools to the student above the other factors to be assessed.

~~5. Accommodation Options~~

Senior staff will present to the ARC at least one alternative accommodation option that addresses the objectives and Reference Criteria outlined in the Terms of Reference. The ARC may also create alternative options. The option(s) will address the following:

- At the first meeting, the ARC will describe its mandate as outlined in the Terms of Reference, outline the pupil accommodation review, and give the public a briefing on the School Information Profile(s) and issues to be addressed. The ARC will receive public input and may make changes to the School Information Profile(s) as a result.
- At the second meeting, the ARC will present its revised School Information Profile(s) to the public and will seek information and feedback about the accommodation options prepared by staff and the Committee.

- ~~At the third meeting, the ARC will present the accommodation options to be considered which may have changed as a result of the previous consultation and will receive public input.~~
- ~~At the fourth meeting, the ARC will present its draft Accommodation Report to the public and will receive community input. Discussions will be based on the School Information Profile(s) and the ARC's Terms of Reference. The ARC may make changes to the Accommodation Report based on feedback at the meeting.~~

PUPIL ACCOMMODATION REVIEW POLICY

ADMINISTRATIVE GUIDELINES

700 – Building and Sites

Policy No. 701.2

Adopted Date: April 28, 1998

Latest Reviewed/Revised Date: February 23, 2010

BACKGROUND

The Pupil Accommodation Review Policy and Administrative Guidelines 701.2 implement the Pupil Accommodation Review Guidelines released by the Ministry of Education in March 2015. A copy of the Ministry of Education Pupil Accommodation Review Guidelines, and link to the Ministry documents entitled Administrative Review of Accommodation Review Process along with the Niagara Catholic District School Board Pupil Accommodation Review Policy and Administrative Guidelines ~~will be~~ are posted on the Board website and will be made available at the Catholic Education Centre.

CONTEXT

The Board's elementary schools are organized as families of schools, linked to a secondary school. The goal of providing a suitable and equitable range of learning opportunities in a school or family of schools requires monitoring and active curriculum and programming decisions to nurture the distinctiveness of Catholic Education.

The Board is responsible for fostering student achievement and well-being and ensuring effective stewardship of its resources. One aspect of the Board's capital and accommodation planning is reviewing schools that have underutilized space. These are schools where the student capacity of the school is greater than the number of students enrolled. When the Board identifies a school that is projected to have long-term excess space, the Board will look at a number of options such as:

- moving attendance boundaries and programs to balance enrolment between over and underutilized schools;
- offering to lease underutilized space within a school to a coterminous school board;
- finding community partners who can pay the full cost of operating the underutilized space; and/or
- decommissioning or demolishing a section of the school that is not required for student use to reduce operating costs.

If none of these options are deemed viable by the Board, the Board may determine that a pupil accommodation review process take place which could lead to possible school consolidations and closures. These decisions are made within the context of supporting the Board's student achievement and well-being strategy and to make the most effective use of its school buildings and funding.

In some cases, to address changing student populations, decisions that might require consolidation, closure or major program relocation will take into account the needs of all of the students in all of the schools in a particular group. There may, however, be circumstances in which a single school should be studied for closure or relocation.

PLANNING PRIOR TO AN ACCOMMODATION REVIEW

The Niagara Catholic District School Board will undertake long-term capital and accommodation planning informed by any relevant information obtained from local municipal governments and other community partners, which takes into consideration long-term enrolment projections and planning opportunities for the effective use of excess space in all area schools. The planning will take into account opportunities for partnerships with other school boards and appropriate organizations that are financially sustainable, safe for students and staff, and are consistent with the core values and Mission of the Board.

A school or group of schools may be considered for an accommodation review if one or more of the following conditions apply:

- The school or group of schools is, currently or projected to be, unable to provide a suitable and equitable range of learning opportunities for students;
- The school or group of schools has experienced or will experience an adverse impact on learning opportunities for students due to ~~declining~~ changes in enrolment;
- Reorganization involving the school or group of schools could enhance program and learning opportunities for students;
- Teaching/learning spaces are not suitable to provide the programs needed to serve the community and retrofitting may be cost prohibitive;
- Under normal staff allocation practices, it would be necessary to assign three grades to one class in one or more of the schools;
- One or more of the schools is experiencing higher building maintenance expenses than the average for the system and/or is in need of major capital improvements;
- In respect of one or more of the schools there are safety and/or environmental concerns attached to the building, the school site or its locality;
- The consolidation of schools is in the best interests of the overall school system;
- It has been no less than five years since the inception of a study of the school by an Accommodation Review Committee, except where extenuating circumstances warrant such as an unexpected economic or demographic shift or a change in a school's physical condition;
- Any other reason upon recommendation of the Director of Education and subject to the approval of the Board. Examples include, but are not limited to: unforeseen changes in funding, policy or legislation; a request from the community; etc.

ESTABLISHING AN ACCOMMODATION REVIEW

The Board may proceed to establish a pupil accommodation review only after undertaking the necessary assessment of long-term capital and accommodation planning options for the school(s).

Initial Staff Report

Prior to establishing a pupil accommodation review, the Initial Staff Report to the Board must contain one or more options to address the accommodation issue(s) and each option must have supporting rationale. There must be a recommended option if more than one option is presented. The Initial Staff Report must also include information on actions taken by board staff prior to establishing a pupil accommodation review process, ~~and~~ supporting rationale as to any actions taken or not taken, ~~and~~ School Information Profile(s) (SIPs) and proposed Terms of Reference for the Accommodation Review ~~Committee~~. The Initial Staff Report will recommend an accommodation review process, standard or modified, and provide rationale.

The option(s) included in the Initial Staff Report must address the following:

- Summary of accommodation issue(s) for the school(s) under review;
- Where students would be accommodated;
- If proposed changes to existing facility or facilities are required as a result of the pupil accommodation review;
- Identify any program changes as a result of the proposed option;

- Any relevant information obtained from municipalities and other community partners prior to the commencement of the pupil accommodation review, including any confirmed interest in using the underutilized space.

Each recommended option must include a timeline for implementation.

The Director and/or designate will present an Initial Staff Report to the Board identifying a school or group of schools in which challenges may be faced in providing a suitable and equitable range of learning opportunities for students, and in respect of which there may be a need to consider the possible consolidation, closure or major program relocation in respect of one or more schools.

For greater certainty, the public meetings will not be meetings of the Board of Trustees.

Members of the ~~ARC~~ Accommodation Review Committee may attend the public meetings held by the Board in accordance with this policy. If the members of the ~~ARC~~ Accommodation Review Committee do not attend such public meetings, the meetings will proceed nonetheless.

Notice of the public meetings will be provided through school newsletters, letters to the school community, the home notification system, the Board's website and advertisements in local community newspapers, and will include date, time, location, purpose, name of contact ~~name~~ and phone number.

Notice of the first public meeting will be provided no less than twenty business days in advance of the meeting; excluded from the calculation will be school holidays such as summer vacation, Christmas break and Spring break, including adjacent weekends.

The first public meeting will be held no fewer than thirty business days after the Board of Trustees decides to conduct a pupil accommodation review.

At a minimum, the first public meeting will address the following:

- an overview of the Accommodation Review Committee orientation session;
- the Initial Staff Report with recommended option(s); and
- a presentation of the School Information Profile(s).

The ~~Final~~ ~~Public~~ ~~Meeting~~ will be held at least forty business days after the date of the first public meeting. Notice of the final public meeting will be provided no less than twenty business days in advance of the meeting; excluded from the calculation will be school holidays such as summer vacation, Christmas break and Spring break, including adjacent weekends.

Final Staff Report

At the conclusion of the pupil accommodation review process, Board staff will submit a Final Staff Report to the Board that will include the following:

- The recommended option(s) which may be amended from the Initial Staff Report;
- A proposed accommodation plan which contains a timeline for implementation, and,
- A community consultation section that records feedback from the ~~ARC~~ Accommodation Review Committee, any public consultations, and any relevant information obtained from municipalities and other community partners prior to and during the accommodation review process.

Delegations to the Board

The Final Staff Report will be available to the public and posted on the Board's website no fewer than 10 business days after the final public meeting and no fewer than 10 business days before public delegations.

After the Final Staff Report is presented to the Board, members of the public will be provided with an opportunity to provide feedback through public delegations to the Board of Trustees as per Board By-law 100.1.

Board staff will compile feedback from the public delegations which will be presented to the Board of Trustees with ~~and submit such feedback to the Board with the Director's~~ Final Staff Report.

Decision of the Board

Public notice of the meeting at which the Board will make its decision regarding the accommodation review will be provided through school newsletters, letters to the school community, the Board website and advertisements in local community newspapers, and will include date, time, location, purpose, contact name and number.

The Board will make the final decision regarding the future of the school(s). If the Board votes to close or consolidate a school or schools, the Board will outline clear timelines around when the school(s) will close and the transition plans.

Parents/guardians, staff and Catholic School Council members of the affected schools, municipalities and community partners will be informed, in writing, ~~of the Board's decision,~~ within five business days of the Board's decision. The decision ~~which~~ will also be posted on the Board website.

The Board has the discretion to approve the recommendation(s) of the Final Staff Report as presented, modify the recommendation(s) of the Final Staff Report or to approve a different outcome.

TIMELINES FOR THE ACCOMMODATION REVIEW PROCESS (Appendix B)

As noted above, upon the Board's approval to initiate an accommodation review, Notice of Initiation will be completed within 5 business days.

After the Board's approval to conduct a pupil accommodation review, there must be no less than thirty (30) business days prior to the first public meeting.

Beginning with the first public meeting, there must be no less than forty (40) business days before the final public meeting.

The Final Staff Report must be publicly posted no less than ten (10) business days before the opportunity for public delegations to the Board.

The final decision by the Board must not take place sooner than ten (10) business days after the public delegations to the Board.

Summer vacation, Christmas break and Spring break, including adjacent weekends, will not be considered part of the 5, 10, 30 and 40 business day periods.

MODIFIED ACCOMMODATION REVIEW PROCESS

In certain circumstances where the potential pupil accommodation options available are deemed by the Board to be less complex, a modified pupil accommodation review process may be followed. The modified accommodation review process can be conducted if two or more of the following factors apply:

- Enrolment:
 - An elementary school with an enrolment of less than 125 students for the current year and which is projected to remain below 125 for the next two years.
 - A secondary school with an enrolment of less than 300 students for the current year and which is projected to remain below 300 for the next two years.
 - A school with utilization rate of 65% or lower. Utilization will be determined by dividing the school's enrolment by the on-the-ground capacity of the school building.
- A school facility that is physically not suitable to serve the school community and;
 - Where retrofitting may involve major capital investment or
 - Where the Facility Condition Index (FCI) deems the school prohibitive to repair; or
 - Where the school has a higher than average operating and maintenance costs.
- Distance to the nearest available accommodation:
 - In the case of an elementary school review where the nearest available accommodation option is 10 kms or less from the school(s) under review; and
 - In the case of a secondary school review where the nearest available accommodation option is 20 km or less from the school(s) under review.
- When the Board is planning the relocation (in any school year or over a number of school years) of a program in which the projected enrolment constitutes more than or equal to 50% of the school's enrolment (calculation based on enrolment at the time of the relocation or the first phase of a relocation carried over a number of school years).

The modified accommodation review process is implemented in accordance with the remainder of this policy except for the following:

1. The Initial Staff Report must provide the rationale for exempting the school(s) from the standard accommodation review process;
2. No ~~ARC~~ Accommodation Review Committee is required to be established; and,
3. A minimum of one public meeting must be held.

Upon the Board's approval to initiate a modified accommodation review, written notice shall be provided within 5 business days to the following:

1. Affected school Principal and Catholic School Council(s);
2. Affected ~~local~~ lower and upper-tier municipalities through the Clerk's Office or equivalent;
3. Community partners that expressed interest prior to the modified pupil accommodation review;
4. The general public;
5. The Directors of Education of coterminous boards; and
6. The Ministry of Education through the office of the Assistant Deputy Minister of the Financial Policy and Business Division.

Such written notice will include an invitation to municipalities and community partners for a meeting to discuss and comment on the recommended option(s) in the Initial Staff Report.

The Initial Staff Report and SIPs will be made available to the public and posted on the Board website. A public meeting will be announced through school newsletters, letters to the school community, the Board website and advertisements in local community newspapers, and will include date, time, location and purpose. The meeting will be held no sooner than 30 business days after approval to conduct a modified pupil accommodation review.

Following the ~~P~~ublic ~~M~~meeting, Board staff will submit a Final Staff Report to the Board that will include a community consultation section containing feedback from public consultations, information obtained from municipalities and other community partners prior to and during the modified pupil accommodation review. The Final Staff Report will be available to the public and posted on the Board's website no fewer than 10 business days after the final public meeting and no fewer than 10 business days before public delegations.

The Board will allow the opportunity for members of the public to provide feedback on the Final Staff Report through public delegations to the Board per Board By-law 100.1.

Board staff will compile feedback from the public delegations and submit such feedback to the Board to be included in the Director's Report.

There will be no fewer than 10 business days between public delegations and the final decision of the Board.

The Board has the discretion to approve the recommendation(s) of the Director's Report as presented, modify the recommendation(s) or approve a different outcome.

Should the decision to consolidate and/or close a school be made by the Board, a transition plan and timelines will be provided to all the affected school communities.

TRANSITION PLANNING PROCESS

If the Board decision is consolidation, closure, or program relocation, it is important that the integration of students and staff into their new school(s) is achieved in a way that is positive and supportive for the incoming and existing students and parents of the respective school communities.

This process of integration will be carried out in consultation with parents and staff. The Board will establish an ad hoc Transition Committee which will include Superintendent(s) of Education, school

principal(s), Catholic School Council representative(s), teacher representative(s), student representative(s), Chaplaincy Leader(s), and appropriate board staff.

The Transition Committee will identify the issues, needs and responsibilities related to the implementation of the school consolidation, will monitor progress on the transition, and communicate with stakeholders on a regular basis.

EXEMPTIONS FROM APPLICATION OF ACCOMMODATION REVIEW PROCESS

The following outlines circumstances where the Board is not obliged to undertake an accommodation review in accordance with the Ministry of Education Pupil Accommodation Review Guideline, March 2015. In these circumstances, the Board will consult with local communities about proposed accommodation options for students in advance of any decisions by the Board.

- Where a replacement school is to be rebuilt by the Board on the existing site or built or acquired within the existing school attendance boundary as identified through the Board's existing policies;
- Where a replacement school is to be built by the Board on the existing site, or built or acquired within the existing school attendance boundary and the school community must be temporarily relocated to ensure the safety of students and staff during the reconstruction as identified through Board policy;
- When a lease is terminated;
- When the Board is considering the relocation (in any school year or over a number of school years) of grades, or programs, where the enrolment in the grades, or programs, constitutes less than 50% of the enrolment of the school (this calculation is based on the enrolment at the time of the relocation, or the first phase of a relocation carried over a number of school years);
- When the Board is repairing or renovating a school, and the school community must be temporarily relocated to ensure the safety of students and staff during the renovations;
- Where a facility has been serving as a holding school for a school community whose permanent school is under construction or repair;
- Where there are no students enrolled at the school at any time throughout the school year;
- Where an accommodation proposal does not involve a school offering elementary or secondary regular day school programs.

In the above circumstances, the Board will inform school communities about the proposed accommodation plans for students before a decision is made by the Board. The Board, through the Director of Education, will also provide written notice to each of the affected ~~single-~~ lower and upper-tier municipalities through the Clerks Department (or equivalent), as well as other community partners that expressed an interest prior to the exemption, and the Board's coterminous school boards in the areas of the affected school(s) and to the Ministry of Education through the Assistant Deputy Minister of the Financial Policy and Business Division no fewer than 5 business days after the decision to proceed with an exemption.

ADMINISTRATIVE REVIEW OF THE ACCOMMODATION REVIEW PROCESS

The Ministry of Education has provided a process for an individual(s) to initiate a review of the Accommodation Review Process - Ministry of Education, Administrative Review of the Accommodation Review Process - <http://www.edu.gov.on.ca/eng/policyfunding/adminReview.html>. A copy of the Ministry of Education, Administrative Review of the Accommodation Review Process is also available at the Catholic Education Centre through the Controller of Facilities Services and on the Board website.

STATEMENT OF POLICY

Policy No 302.6.6

Adopted Date: June 26, 2001

Latest Reviewed/Revised Date: June 12, 2012

In keeping with the Mission, Vision and Values of the Niagara Catholic District School Board and **in accordance with** the dress code requirements of the Safe Schools Act, ~~2007~~, all secondary schools within the Niagara Catholic District School Board will implement a secondary uniform **that recognizes the uniqueness and gifts of all students.**

~~As a fully inclusive Board, the Secondary Uniform Policy recognizes the uniqueness and gift of all students.~~ This Policy acknowledges a respect for self and others by supporting each student to actively and equitably participate fully in the Catholic learning environment through the creation of **safe, inclusive and accepting** school climates ~~which equalize all students regardless of a family's socio-economic background.~~ ~~in alignment with the design and expectations of the Niagara Catholic Vision 2020 Strategic Plan.~~ ~~a~~

The secondary uniform creates a unified sense of belonging for all students **from** Grades 9 to ~~Grade~~ 12 **and** ~~The secondary uniform~~ supports the commitment of our students to be visible role models of the teachings of the Gospel and the Roman Catholic Church within all our schools, communities and society.

~~The Board's secondary uniform aligns with the mission, vision and values of the Board and assists in creating a caring, safe and welcoming learning environment which is respectful of the needs and well-being of all individuals.~~ It promotes Catholic school identity, instills pride and spirit by identifying with a particular school community. The secondary uniform is inclusionary by equalizing any peer pressure and is intended to be economical for families. ~~The secondary uniform assists in ensuring that the focus on an individual student is rooted in the uniqueness as a gift of God.~~

All Niagara Catholic secondary school uniforms as defined in the Administrative Guidelines – ~~Secondary School Uniform~~ must be purchased through Board uniform suppliers in compliance with the Niagara Catholic Purchasing and Supply Chain Management Policy.

~~This Dress Code – Secondary Uniform~~ Policy has been developed in compliance with the Canadian Charter of Rights and Freedoms, the Ontario Human Rights Code and the Education Statutes and Regulations of Ontario. For the purpose of this Policy, the term secondary school uniform aligns with the Education Statutes and Regulations of Ontario term dress code.

The Director of Education will issue Administrative Guidelines for the implementation of this policy.

Niagara Catholic District School Board

French Immersion Policy

ADMINISTRATIVE GUIDELINES

Policy No

Adopted Date: New

Latest Reviewed/Revised Date: New

The French Immersion procedures outlines the application, registration and program requirements for the Niagara Catholic District School Board French Immersion Programs.

Stakeholder Groups with Responsibilities under the French Immersion Administrative Guidelines:

- Director of Education
- Superintendent of Education, Program
- Superintendent of Education, Human Resource Services
- Family of Schools Superintendents of Education
- Program Department
- Principals
- Teachers
- Parents/Guardians
- Student

PROCEDURES

The procedure outlines processes and requirements for the Niagara Catholic District School Board French Immersion (FI) Program.

Rationale

French Immersion (FI) is an optional program in which students receive their instruction in French for a variety of subjects from a teacher who speaks the language fluently. The program is designated for children whose first language is *not* French. Parents/guardians do not need to have knowledge of the French language or culture. Communication with parents/guardians is or can be in English including, but not limited to, report cards, newsletters and parent-teacher interviews depending on parent/caregiver(s) level of French proficiency.

In Niagara Catholic schools, the FI program begins in ELKP or Grade 1, depending on school site entry point, and is based on grade appropriate Ontario Curriculum expectations. The Program operates similarly to the program in English classrooms with instruction provided in French.

Participation in the FI program reflects the diversity of the student population. Appropriate accommodations are made for students, and special education support for formally identified

students with special education needs, as outlined in the Board Special Education Plan, are available for students participating in the French Immersion Program.

Entry Point

Niagara Catholic District School Board offers early immersion in which the expected entry point is ELKP or Grade 1. Under special circumstances, after consultation with parents and with the approval of the school Principal, the appropriate Family of Schools Superintendent and the Superintendent of Education, Program, a student may be allowed to enter the program at another point provided the students accumulated hours in the French Immersion Program qualifies them for successful graduation from this program.

Attendance

French Immersion students ~~may~~ **are to** attend the French Immersion site closest to their home address. Any out of boundary requests will follow the Board's Admission of **Elementary and Secondary** Students Policy, and ~~transportation will be the sole responsibility of the parent/caregiver(s).~~ **the Student Transportation Policy.**

Registration Processes

As there is a provincially mandated hard cap in all primary grade class sizes as well as an aggregate class size cap in all other elementary grades, here are a limited number of spots available for students entering the FI Program. The class enrollment cap is set at 26 (Board aggregate) for ELKP and 20 (hard cap) for all other primary grades.

Siblings of current French Immersion students that are entering ELKP or Grade 1 in the Niagara Catholic School Board for the first time are provided with the first opportunity to pre-register for available French Immersion Programs at their local site by December 15th of the year preceding the September enrollment in French Immersion of the following year. Should the sibling not pre-register for any reason, application for the Program will be on-line and enrollment in the program will not be guaranteed.

Registration for the Niagara Catholic French Immersion Program is on-line at a time and date communicated to all interested parent/guardian(s) at a date advertised at least two months in advance. Electronic registration is time stamped (day, hour, minute and seconds) rank ordered by time. Parents will receive notification by email to inform them if their child has been placed in the grade appropriate French Immersion class or if they have been placed on the school's French Immersion Class Waitlist. On-line registration is the sole avenue to enroll students in the Niagara Catholic French Immersion Program. It is the sole responsibility of the parent/guardian(s) to ensure that they have registered their child at the correct site and grade. Errors in registration will not be considered at an alternative grade or French Immersion site when a waitlist exists for that specific entry point.

The specific French Immersion school site will contact successful applicants via e-mail and telephone to complete the registration process. Should a family fail to register a child by June 1st

of the current school year for a September start in the next school year; the next qualified student registered electronically in rank order will be offered the available classroom position by the French Immersion site principal.

Transportation

All students enrolled in the French Immersion Program will be provided with transportation to their local Family of Schools designated French Immersion School site in accordance with the Board's Transportation of Students Policy #500.2. Designated Family of Schools French Immersion schools can be located at the following link: www.niagaracatholic.ca. Siblings of French Immersion students will not be considered for transportation in accordance with these Administrative Guidelines.

EQAO Participation

The Ministry of Education currently allows school boards to select participation in EQAO assessments in English or French (or both). All Niagara Catholic Elementary French Immersion students will participate in the Language component of the EQAO assessment in ~~French~~ **English** in Grade 6. The EQAO assessment of Mathematics will be in French for Grades 3 and **in English for Grade 6**.

~~For all Niagara Catholic French Immersion Secondary Students, participation in the Ontario Secondary Schools Literacy Test (OSSLT) and the Grade 9 EQAO Assessment of Mathematics will be in English or French at the discretion of the individual secondary school Principal, in consultation with staff, where French Immersion courses are being offered.~~

Support for Instruction

Staff Development

Niagara Catholic District School Board recognizes that second language instruction requires specific teaching methodology. In keeping with the provincial guidelines and the standards of excellence used by Niagara Catholic District School Board, French Immersion teachers must have:

- Professional development appropriate to their grade and subject;
- Professional development specific to immersion teaching; and
- An excellent command of oral and written French
- Professional qualifications in French under the Ontario College of Teachers Act

Resources

The Boards ~~Student Achievement—Program Department~~ will provide the necessary human resources (administrative, teaching and support staff), material (~~print and non print~~), and information technology resources to deliver an effective program in French.

Responsibilities

The Director of Education shall:

REPORT TO THE COMMITTEE OF THE WHOLE FEBRUARY 9, 2016

LONG TERM ACCOMMODATION PLANNING - PHASE ONE

BACKGROUND INFORMATION

Updated Ministry Guidelines

The capital assets of school boards need to be managed effectively and dedicated appropriately to advance student achievement. In March 2015, the Ministry of Education issued Guidelines to support school boards in their efforts to do so.

The Pupil Accommodation Review Guidelines attempted to streamline and clarify the process for school boards to be able to close underutilized schools and introduced the modified accommodation process, which permitted school boards to make school closure decisions with less public consultation and fewer meetings. The Community Planning and Partnership Guidelines were introduced to ensure that school boards were consulting regularly with community agencies in an effort to facilitate partnerships to minimize underutilized space within schools.

The Ministry linked the two Guidelines as it encouraged boards to consider the value of underutilized space within schools to community partners who would be able to offset such cost. The Ministry now requires a more concerted effort on the part of school boards to investigate this partnership options prior to closing schools.

At the January 26th, 2016 Policy Meeting, the Pupil Accommodation Review Policy, 701.2, and the Community Planning and Partnerships Policy, 800.6 were recommended to be submitted for approval at the Committee of the Whole Meeting at the February 9th, 2016 Meeting. Each of the revised Policies respects the spirit of the new Ministry Guidelines and complies with the respective requirements.

With the passage of the two Policies near completion, it is now time for Board staff to focus on the development of a Long Term Accommodation Plan. The plan will help guide the Board in making pupil accommodation decisions and enable community partners seeking space in underutilized schools to identify potential locations.

Recent History of Board Approved Motions and Senior Staff Follow-up

In an attempt to maximize the utilization of its facilities the Board has addressed accommodation issues over the past few years through a number of Board motions.

At the May 26th, 2009 meeting of the Niagara Catholic District School Board, the Board approved eleven (11) motions. The closure of St. Joseph Catholic Elementary School (June 2010) in Niagara Falls and Michael J. Brennan Catholic Elementary School (June 2014) were the result of two of the motions. The motions also encouraged the development of new programs involving innovative Specialist High Skills Major programs that have since been introduced at several of the Board's Catholic high schools.

On April 5th, 2013, the Board received a Long Term Accommodation Review Resource Document prepared by Watson & Associates, Economists Ltd. for consideration which provided an overview of the Board and its historical accommodation decisions, observations and recommendations for both the elementary and secondary panels and next steps. The report outlined the short, medium and long term accommodation challenges faced by the Board and offered potential solutions.

Senior Administrative Council reviewed the content of the Long Term Accommodation Review Resource Document and brought to the April 9th, 2013 Committee of the Whole Meeting twelve (12) motions. Some of the motions passed required no further action on the part of the Board.

At the April 23rd, 2013 meeting of the Niagara Catholic District School Board, the Board approved seven (7) motions. The information provided below provides the historical and current status of the Board motions along with a statement of the follow up, to date.

1. THAT the Niagara Catholic District School Board maintains all three Catholic Secondary Schools in St. Catharines and continues to monitor the accommodation and utilization of all three Catholic secondary facilities, and that Senior Staff bring a report to the Board no later than April 2018.

February 9th, 2016 Update
Monitoring continues.

2. THAT the Niagara Catholic District School Board approve that the St. Catharines Elementary and Secondary Ad Hoc Attendance Area Review Committee of the Board review the attendance boundaries of the following St. Catharines Catholic Elementary Schools, Assumption Catholic Elementary School, St. Alfred Catholic Elementary School, St. Ann Catholic Elementary School, Canadian Martyrs Catholic Elementary School, Our Lady of Fatima Catholic Elementary School and the consolidated St. James Catholic Elementary School/Michael J. Brennan Catholic Elementary School and that a report be submitted to the Committee of the Whole no later than December 2013.

February 9th, 2016 Update

An Attendance Area Review was completed for the area and a report was submitted for the consideration of the Board at the December 17, 2013 meeting. Changes to the boundaries took effect in September 2014.

3. THAT the Niagara Catholic District School Board approve that an Accommodation Review Committee be established to review St. Christopher Catholic Elementary School and St. Theresa Catholic Elementary School and that Senior Staff bring a report to the Committee of the Whole no later than January 2014.

February 9th, 2016 Update

An Accommodation Review Committee was established and its recommendations presented to the Committee of the Whole on April 8th, 2014. At the subsequent Board Meeting on May 27th, 2014 several motions were approved:

THAT the Niagara Catholic District School Board, in accordance with the Board approved St. Catharines Pupil Accommodation Review Schedule 2014, receive the Pupil Accommodation Review - Senior Staff Follow-Up Report and Recommendations for St. Christopher Catholic Elementary School and St. Theresa Catholic Elementary School.

THAT the following recommendations by Senior Staff as provided in the April 8th, 2014 Pupil Accommodation Review - Senior Staff Follow-Up Report and Recommendations for St.

Christopher Catholic Elementary School and St. Theresa Catholic Elementary School, be received and considered for approval at the May 27, 2014 Board Meeting.

THAT the Board submit to the Ministry of Education a request for capital funding for an addition to St. Christopher Catholic Elementary School to be received by the Board no later than 2016 subject to Ministry of Education Capital Funding Approval.

THAT the Board submit to the Ministry of Education a request for retrofit funding for renovations to St. Theresa Catholic Elementary School to be received by the Board no later than 2016 subject to Ministry of Education Capital Funding Approval.

THAT an Ad Hoc Attendance Area Review Committee of the Board be established to review the attendance boundaries of St. Christopher Catholic Elementary school and St. Theresa Catholic Elementary School and that boundary changes not take place prior to the Ministry of Education approval for funding for an addition to St. Christopher Catholic Elementary School and retrofit funding required to accommodate additional enrolment at St. Theresa Catholic Elementary School.

February 9th, 2016 Update

The Board has unsuccessfully applied for capital funding to support the recommended renovations to each school. Another application may be made to fund the projects this year with a Board approved motion.

4. THAT the Niagara Catholic District School Board approve an agreement to create a new joint venture St. Nicholas Catholic Elementary School with the French Catholic District School Board which is contingent on acquiring a suitable downtown site and Ministry of Education funding for a new elementary school by September 2014. Senior Staff will continue to explore all available facility options for St. Nicholas Catholic and bring a report to the Board no later than November 2013.

February 9th, 2016 Update

At the November 26, 2013 Board Meeting, the Controller of Facilities reported that the Board would continue to dialogue with the City of St. Catharines, and potential community partners to support the motion. Also, the Board was recently provided the opportunity to purchase a vacant school from our coterminous board but deemed the site unacceptable. The Board will continue to monitor the downtown core for potential sites.

5. THAT the Niagara Catholic District School Board not require a Niagara Falls Elementary and Secondary Ad Hoc Attendance Boundary Review be completed for the St. Thomas More Catholic Elementary School and Our Lady of Mount Carmel Catholic Elementary School consolidation.

February 9th, 2016 Update

No action was required.

6. THAT the Niagara Catholic District School Board approve the preparation and submission of a capital priorities business case to secure funding for a new joint venture Catholic elementary school in downtown St. Catharines with the French Catholic District School Board.

February 9th, 2016 Update

In June 2014 The Director of Education wrote a letter to the Director of Education of Conseil scolaire de district catholique Centre-Sud, to pursue a joint capital submission. The Board is currently waiting for a reply.

7. THAT the Niagara Catholic District School Board approve the preparation and submission of a capital priorities business case to secure funding for an addition at St. Michael Catholic Elementary School to replace existing portables and to accommodate future projected student enrolment.

February 9th, 2016 Update

The Board has unsuccessfully applied for two consecutive years to secure funding for the addition. A subsequent application for capital funding will require a Board approved motion.

French Immersion

One of the recommendations that came from the consultation process for Vision 2020, the Board's Multi-year Strategic Plan, was for the Board to implement French Immersion.

- In September 2013, the Niagara Catholic District School Board began implementing a French Immersion Program with entry points at:
- ELKP and Grade 1 across 5 sites located at St. Mark Catholic Elementary School, Beamsville, for the Blessed Trinity Family of schools;
- Notre Dame Catholic Elementary School, Niagara Falls, for the Saint Paul Family of Schools;
- Our Lady of Mount Carmel Catholic Elementary School, Niagara Falls for the Saint Michael Family of Schools;
- Our Lady of Fatima Catholic Elementary School, St. Catharines for the Saint Francis, Denis Morris and Holy Cross Family of Schools;
- Holy Name, Welland for the Notre Dame College Family of Schools.

The Program will be fully implemented in existing elementary sites in September 2020. The program will then impact the secondary schools.

The French Immersion program has an impact on the use of school facilities and will need to be considered as the Long Term Accommodation Plan is developed. As the program matures, there will need to be consideration to the ability of existing sites to absorb the additional enrolment and the need to potentially move to new locations.

Current Enrolment

The following appendices are included to provide a visual overview of the current state of enrolment in Niagara Catholic and a snapshot of projected enrolment in 2020-2021.

Current Status

Board Staff is in the process of developing a current Long Term Accommodation Plan. The updated plan is intended to provide the Niagara Catholic District School Board with direction related to the use of schools, in line with the mission, vision and values of the Board. The plan will be made public for transparency and may be relied upon by the community and those interested in community partnerships.

The plan will outline in the short, medium and long term strategies that will address accommodation issues. It is intended to be dynamic through regular review and revision.

Our vision with respect to Board school facilities recognizes that our Catholic schools are an integral part of vibrant and healthy communities. The Niagara Catholic District School Board is committed to ensuring that students are educated in the highest quality schools. The Board is committed to maximizing the use of its facilities through pupil enrolment and engaging community partners.

Planning Principles

The following Long Term Accommodation Planning Principles have been developed to guide the long term planning process:

1. Ensure viable and sustainable Catholic schools and programs for all students:
 - i. that students are accommodated in safe, healthy and appropriate facilities that support the highest quality Catholic education to meet their needs, while advancing student achievement and well-being nurturing the distinctiveness of Catholic education in local communities.
 - ii. that schools should be of a sufficient size to support equity of educational opportunities for all students from a resource perspective, including technology, to ensure effective and efficient stewardship of Board resources from fiscal and environmental perspectives.
 - iii. that each school plays an important part to the long-term health and sustainability of the Board and that schools are sustainable over the long term.
2. Minimize the use of temporary accommodation/ facilities to address short, medium and long term enrolment pressures:
 - i. that the use of portables be minimized in terms of number and duration.
 - ii. that the preferred models of school organization are self-contained within the on- the- ground capacity of the school: Elementary: ELKP to Grade 8; and Secondary: Grades 9 to 12.
 - iii. that new programs support the Board's Vision and be fiscally responsible.
 - iv. that boundary changes may be required to ensure a viable distribution of pupils across school communities as per the Attendance Areas Policy, 301.3.
 - v. that the Pupil Accommodation Review Policy, 701.2 will be used to guide the process for arriving at accommodation decisions.
 - vi. that when addressing enrolment pressures, current projections and planning techniques will be used to make decisions.
 - vii. that all capital projects are 100% dependent on approval and funding from the Ministry of Education.
3. The Long Term Accommodation Plan will be in compliance with legislation such as the *Accessibility for Ontarians with Disabilities Act*, and will consider Daily Physical Activity, Child Care Centres with Before and After School Programs available at the school, the locations of Child Care Centres, Community Partnerships, and the community use of schools.
4. The Long Term Accommodation Plan will promote facility partnerships to market schools as a community resource within the Region, municipalities and not for profit agencies.

Accommodation planning is a dynamic process. The recommendations enclosed in this report are based on enrolment figures from October 31, 2015. Changes in the population distribution in local school communities may vary from the projections. In making pupil accommodations further consultation and analysis will be required.

A visual presentation will be presented at the Committee of the Whole Meeting to supplement the content of this report.

Next Steps

REPORT TO THE COMMITTEE OF THE WHOLE FEBRUARY 9, 2016 FRENCH IMMERSION PROGRAM

BACKGROUND INFORMATION

French Immersion (FI) is an optional program in which students receive their instruction in French for a variety of subjects from a teacher who speaks the language fluently. The program is designated for children whose first language is *not* French. Parents/guardians do not need to have knowledge of the French language or culture. Communication with parents/guardians is or can be in English including, but not limited to, report cards, newsletters and parent-teacher interviews depending on parent/caregiver(s) level of French proficiency.

In Niagara Catholic schools, the FI program begins in ELKP or Grade 1, depending on the school site entry point, and is based on grade appropriate Ontario Curriculum expectations. The Program operates similarly to the program in English classrooms with instruction provided in French.

In September 2013, the Niagara Catholic District School Board implemented French Immersion at five locations:

St. Mark Catholic Elementary School
 Our Lady of Fatima Catholic Elementary School, St. Catharines
 Our Lady of Mount Carmel Catholic Elementary School
 Notre Dame Catholic Elementary School
 Holy Name Catholic Elementary School

Participation in the FI program reflects the diversity of the student population. Appropriate accommodations are made for students, and special education support for formally identified students with special education needs, as outlined in the Board Special Education Plan, are available for students participating in the French Immersion Program.

How is French Immersion different then Core French or Intensive/Extended French?

Core French	Intensive/Extended French	French Immersion
Daily 42 minutes Grade 1-8	Minimum of 25% maximum of 50% of daily program	ELKP to Grade 1 - approximately 90% Grade 2-3 - approximately 80%

Spotlight Shines on Loretto Catholic for School Excellence Program

Loretto Catholic Elementary School was the featured school at the January 2016 Board Meeting.

Loretto Catholic opened in 1999 on Kalar Road in Niagara Falls, and with 610 students, is Niagara Catholic's largest Catholic Elementary School. It was named for the Loretto Sisters, the teaching order which founded and ran the Loretto Academy in the city for more than 100 years, from 1861-1970.

Principal Antonio Cardamone and Vice-Principal Gus Marchio led the presentation about Loretto Catholic. The presentation included a performance of *Ave Maria Loretto*, the school's song, by the school choir, a video presentation, and a presentation by students, Nadine Bongers, Clare O'Brien and Ashley Porolivo, who spoke about the social climate in the school.

They also spoke about the ways in which Loretto Catholic staff and students serve the local and global community, and continues to honour the memory of Matthew Daniele, a student at the school who died suddenly of pneumonia in 2001, when he was 10 years old.

Mid-Year System Achievement Review 2015-2016

As part of Niagara Catholic's Vision 2020 Strategic Plan, each year, Niagara Catholic's Senior Administrative Council drafts a set of System Priorities and presents that to the Board. The Board-approved System Priorities are then distributed to stakeholders within Niagara Catholic and the broader community.

As part of this process, each winter, Niagara Catholic's Senior Administrators review the progress of the year's System Priorities and presents a Mid-Year Progress Achievement Report to Trustees.

Trustees were presented with the report at the January 26 Board Meeting.

Additional P.A. Day in 2015-2016 School Year Calendar

A new Professional Activity Day has been added to this year's school calendar.

This new P.A. Day was a part of the agreement reached during the central negotiations in 2015, and affects all elementary and secondary schools in Ontario.

Niagara Catholic's additional P.A. Day will take place on Friday, April 15, 2016. The Board approved this date during a Special Board Meeting earlier this month.

This information is also being shared on the Board website and our social media accounts, and will be published in school newsletters. We wanted to reinforce this message to families by promptly notifying you of this change to our school calendar in order to assist you in making any arrangements you may require.

If you have any questions, please contact your child's school. Thank you for your continued support of Catholic education.

French Immersion Registration Continues

A reminder for parents interested in enrolling their child or children for French Immersion, Niagara Catholic's online registration for French Immersion continues through February 12.

Mild Winter Means Savings for Board

The relatively mild and snow-free winter has translated into savings for Niagara Catholic. A reduced need for snow-plowing and lower utility costs left Niagara Catholic with a \$1.3-million operating surplus, Superintendent of Business and Financial Services Giancarlo Vetrone told Trustees at the Board meeting.

Vetrone cautioned that while the surplus is good news, there is still time to incur winter-related expenses. He added that there are other staffing-related costs which are scheduled to rise in the year, including benefits, and stressed the importance of having a strong contingency fund for these things and unexpected repairs.
