KIDS HELPING KIDS – CELEBRATING 18 YEARS OF CONTRIBUTIONS

All students of the Niagara Catholic District School Board are to be congratulated for their participation in the “KIDS HELPING KIDS” project in support of the Niagara Children’s Centre. At the Board Meeting on June 21st, a cheque for \$35,146.85 will be presented to Oksana Fisher, Chief Executive Officer and Cindy Mewhinney, Director of Development of the Niagara Children’s Centre.

This year marks 18 years of contributions from all our schools in the Niagara Catholic District School Board. Our students in the Niagara Catholic District School Board gathered together in an outpouring of generosity.

A resource package of materials and poster was sent to each elementary and secondary school. The resource package included an awareness and education component, as well as suggestions for fund raising activities. Personnel from the Centre made visits to classrooms and school assemblies throughout the Board, providing opportunities for students and staff to learn more about the facility and its many services. Students made visits to the Centre for job shadowing, video presentations and general awareness.

The Niagara Catholic District School Board’s schools, students, staff and parent community have, once again, demonstrated in a concrete way, commitment to their Faith and a willingness to help with the success of this year’s campaign.

 - demand that the conduct, action or attitudes cease

100 – Board

Policy No 100.10.1

Adopted Date: June 15, 2010

Latest Reviewed/Revised Date: November 23, 2010

All Niagara schools and facilities exist within a broader context of law and public policy that protect and defend human rights.

The *Canadian Charter of Rights and Freedoms* (Section 2(a) and Section 15) guarantees freedom of religion. The Ontario *Human Rights Code* (the “Code”) protects an individual’s freedom from discriminatory or harassing behaviours based on prohibited grounds. Consistent with this legislation is the *Education Act*, its Regulations and policies governing equity and inclusion in schools:

- PPM No. 108, “Opening or Closing Exercises in Public Elementary and Secondary Schools”, released on January 12, 1989;
- R.R.O. 1990, Regulation 298, “Operation of School-General” s 27-29, under the heading “Religion in Schools”; and
- PPM No. 119, “Developing and Implementing Equity and Inclusive Education Policies in Ontario Schools”, released on April 22, 2013.

The Board recognizes, and is committed to, the values of freedom of religion and freedom from discriminatory or harassing behaviour based on prohibited grounds through its Equity and Inclusive Education Policy, the Safe Schools Policy and curriculum documents. All of these will be informed by-and interpreted in accordance with the principles of the Ontario *Human Rights Code*.

This Policy reflects the Board’s fidelity to Canadian law protecting freedom of religion in accordance with the Catholic Church’s teachings.

DEFINITIONS

1. Accommodation

The Ontario Human Rights Commission (“OHRC”) Policy on Preventing Discrimination based on Creed, (“OHRC Policy”) released on September 17, 2015, recognizes a duty to accommodate creed beliefs and practices.

OHRC Policy provides that service providers, such as school boards, have a legal duty to accommodate people’s creed beliefs and practices to the point of undue hardship where they are:

- Adversely affected by a standard, rule or requirement of the organization;
- Sincerely (honestly) held; and
- Connected to a creed.

For creed protections, a person’s creed belief needs only to be sincerely held. The focus is on the person’s sincerely held personal or subjective understanding of their creed. They do not need to show that their belief is an essential or obligatory element of their creed, or that it is recognized by others of the same creed (including religious officials).

Fulfilling the duty to accommodate requires that the most appropriate accommodation be determined and provided short of undue hardship. The most appropriate accommodation is the one that most:

- Respects dignity (including autonomy, comfort and confidentiality);
- Responds to a person's individualized needs; and
- Allows for integration and full participation.

The duty to accommodate is about more than providing the most appropriate accommodation in the circumstances (the substantive component). It is also about engaging in a meaningful, good-faith process to assess needs and find appropriate solutions (the procedural component).

Everyone involved in the accommodation process has a duty to cooperate to the best of their ability. While the Board is ultimately responsible for putting in place solutions and leading the process, persons seeking accommodation must cooperate in the process.

The OHRC's Policy also recognizes that there are limits on rights based on creed, as there are on all grounds protected under the Ontario *Human Rights Code*. Limits can, for example, arise if creed rights interfere with the human rights of others.

The duty to accommodate is an obligation that arises when requirements, factors, or qualifications, which are imposed in good faith, have an adverse impact on, or provide an unfair preference for, a group of persons based on a protected ground under the Ontario *Human Rights Code*. The duty to accommodate must be provided to the point of undue hardship. In determining whether there is undue hardship, section 24(2) of the Ontario *Human Rights Code* provides that reference should be made to the cost of accommodation, outside sources of funding, if any, and health and safety requirements, if any.

2. Creed

The OHRC states that although the Ontario *Human Rights Code* does not define creed, the courts and tribunals have often referred to religious beliefs and practices. Creed may also include non-religious belief systems that, like religion, substantially influence a person's identity, worldview and way of life. The following characteristics are relevant when considering if a belief system is a creed under the Ontario *Human Rights Code*. A creed:

- Is sincerely, freely and deeply held;
- Is integrally linked to a person's identity, self-definition and fulfilment;
- Is a particular and comprehensive, overarching system of belief that governs one's conduct and practices;
- Addresses ultimate questions of human existence, including ideas about life, purpose, death, and the existence or non-existence of a Creator and/or a higher or different order of existence; and
- Has some "nexus" or connection to an organization or community that professes a shared system of belief.

Creed does not include secular, moral or ethical beliefs or political convictions. This policy does not extend to religions that incite hatred or violence against other individuals or groups, or to practices and observances that purport to have a religious basis, but which contravene international human rights standards or criminal law.

3. Undue Hardship

Accommodation will be provided to the point of undue hardship, set out in the provisions of the Ontario *Human Rights Code*. A determination regarding undue hardship will be based on an assessment of costs, outside sources of funding, and health and safety. It will be based on objective evidence.

A determination that an accommodation will create undue hardship carries with it significant liability for the Board. It should be made only with the approval of the appropriate Supervisory Officer or where appropriate the Board of Trustees.

Where a determination is made that an accommodation would create undue hardship, the person requesting accommodation will be given written notice, including the reasons for the decision and the objective evidence relied upon. The accommodation seeker shall be informed of his or her recourse under the Board's Equity and Inclusive Education Policy.

Where a determination has been made that an accommodation would cause undue hardship, the Board will proceed to implement the next best accommodation short of undue hardship, or will consider phasing in the requested accommodation.

ACCOMMODATION PROCEDURES

The Accommodation Procedures are established to ensure that all Board staff, students, parents and other members of the school community are aware of their rights and responsibilities under the Ontario *Human Rights Code* with respect to religious accommodation. It also sets out the Board's procedures for accommodation and the responsibilities of each of the parties to the accommodation process. In accordance with the Equity and Inclusive Education Strategy, the Ontario *Human Rights Code* and OHRC's *Guidelines on Developing Human Rights Policies and Procedures*, it is intended that the accommodation process, as well as the accommodation itself, be effective and respectful of the dignity of accommodation seekers.

The Board is committed to providing an environment that is inclusive and that is free of barriers based on prohibited grounds. Accommodation will be provided in accordance with the principles of dignity and inclusion. The Board will work cooperatively and in a spirit of respect, with all partners in the accommodation process.

1. Accommodation Based on Request

The Board will take all reasonable steps to provide accommodation to individual members of a religious group to facilitate their religious beliefs and practices. All accommodation requests will be taken seriously. No person will be penalized for making an accommodation request.

The Board will base its decision to accommodate by applying the Ontario *Human Rights Code's* criteria of undue hardship, the Board's ability to fulfill its duties under Board policies and the provisions of the *Education Act*.

When concerns related to beliefs and practices arise in schools, collaboration among school, student, family, and religious community is needed in order to develop appropriate accommodation. It is the role of the Board and its staff to ensure equity and respect for the diverse religious beliefs and practices of students and their families and other staff in the school system. However, school administrators will not be placed in the position of monitoring a student's compliance with a religious obligation, and enforcing such practices.

2. General Procedures for Religious Accommodation

2.1 Staff

If a staff member requests a religious accommodation, the staff member is required to advise their immediate supervisor, in writing at the beginning of the school year, to the extent possible. If September notice is not feasible, the staff member should make the request as early as possible.

The absence of employees due to religious observances should be granted as determined by this policy and the appropriate collective agreement/terms and conditions/employment contract.

2.2 Students

Students must present written notice from their parents/guardians specifying their accommodation needs relating to religious observances, including holy days on which they will be absent from school. This notice should be made enough in advance, preferably at the beginning of each school year, to ensure that scheduling of major evaluations, such as tests, assignments or examinations, takes into consideration the religious observances.

Student handbooks and annual parent newsletters will include information about the procedure to follow to request an accommodation for religious observances and/or holy days.

3. Unresolved Requests

If an individual feels that the request has not been considered despite the Board's commitment to provide accommodation, the individual is to follow the Board's Complaint Resolution Policy (800.3).

4. Areas of Accommodation

For many students and staff of the Board, there are a number of areas where the practice of their religion will result in a request for accommodation on the part of the school and/or the Board. These areas include, but are not limited to the following:

- School opening and closing exercises;
- Absence for Religious Holy Days;
- Prayer;
- Dietary requirements;
- Fasting;
- Religious dress;
- Modesty requirements in physical education; and
- Participation in daily activities, curriculum and co-curricular activities.

4.1 School Opening and Closing Exercises

Pursuant to the Ontario Ministry of Education Policy/Program Memorandum No. 108 ("Memorandum No. 108"), if a student or parent/guardian objects to all or part of the opening or closing exercises due to religious beliefs, the student will be exempted and given the option not to participate and to remain in class or in an agreed upon location through the duration of the exercise.

Memorandum No. 108 states the following:

1. All public elementary and secondary schools in Ontario must be opened or closed each day with the national anthem. "God Save the Queen" may be included.
2. The inclusion of any content beyond "O Canada" in opening or closing exercises is to be optional for public school boards.
3. Where public school boards resolve to include, in the opening or closing exercises in their schools, anything in addition to the content set out in item 1 above, it must be composed of either or both of the following:
 - a. One or more readings that impart social, moral, or spiritual values and that are representative of our multicultural society. Readings may be chosen from both scriptural writings, including prayers, and secular writings;
 - b. A period of silence.
4. Parents who object to part or all of the exercises may apply to the Principal to have their children exempted. Students who are adults may also exercise such a right.

4.2 Absence for Religious Holy Days

The Board affirms and values the faith diversity in our Catholic secondary schools. Section 21(2) (g) of the *Education Act* provides that a person is excused from school attendance in observance of a “holy day by the Church or religious denomination to which he/she belongs.”

All staff and students who observe religious holidays in accordance with section 21(2) (g) of the *Education Act* may be excused from attendance, subject to the particular request for religious leave process.

The Board will encourage members of diverse groups to identify their religious holy days at the beginning of each school year. Upon identification, the Board will make reasonable efforts to acknowledge the different observances of its Catholic community when planning programs and events, such as Board-wide tests and examinations. To the extent possible, conferences, meetings, workshops, co-curricular activities and exams/tests, will not be scheduled on these religious holy days.

All staff and students who request to observe a religious holy day should be allowed this right without having to undergo any unnecessary hardship.

Staff requesting a leave will advise their immediate supervisor at, or as close as possible to, the beginning of the school year and the leave will be granted in accordance with the terms of the appropriate collective agreement/terms and conditions/employment contract.

Students requesting a leave will give written notice from their parent/guardian to the school at, or as close as possible to, the beginning of the school year. Such procedures should be easy to understand and follow.

Student agendas, annual school newsletters and announcements will include information about the procedures for requesting leaves.

All staff members acting on behalf of/representing the Board on other organizations, which in partnership with the Board are planning events or activities that involve students and/or staff of Board schools, have the responsibility to bring this procedure to the attention of these organizations.

Administrators will consult with Human Resource Services regarding staff leave as required.

Unresolved Requests

If an individual feels that the request has not been considered despite the Board’s commitment to provide accommodation, the individual is to follow the Board’s Complaint Resolution Policy (800.3).

4.3 Prayer

The Board recognizes the significance of prayer in religious practice. Board schools will make reasonable efforts to accommodate individuals’ requirement for daily prayer by providing an appropriate location within the building for students and staff to participate in prayer. This may mean a quiet space in the Library Information Centre, an empty room, or wherever it is mutually satisfactory for the school and the student or staff member requesting the accommodation. Adult presence should be for supervision purposes only.

4.4 Dietary Restrictions

The Board is sensitive to the different dietary restrictions of various religious groups, staff and students. Such sensitivity includes attending to issues related to the menus provided by catering companies, snacks in elementary schools, and food provided within schools, at school-sponsored activities and community events.

Breakfast and lunch programs in schools will consider relevant dietary restrictions in their menu planning. Availability of vegetarian options is recommended as a form of inclusive design.

Staff will provide special attention to accommodations requested during overnight outdoor education activities, as well as field trips that extend over a mealtime period.

4.5 Fasting

The Board is sensitive to religious periods of fasting. Schools will endeavour to provide appropriate space, other than cafeterias or lunchrooms, for individuals who are fasting in religious observance. The Board recognizes that students who are fasting may need exemptions from certain physical education classes and Board schools should make reasonable efforts to provide appropriate accommodations.

4.6 Religious Dress

“Dress Code” is the appropriate dress policy established by the Board. Students are required to comply with the Elementary Standardized Dress Code Policy (302.6.10) or the Dress Code - Secondary Uniform Policy (302.6.6) in all Niagara Catholic schools.

The Board recognizes that there are certain religious communities that require specific items of ceremonial dress. The Board understands that some religious attire, which is a requirement of religious observance, may not conform to a school’s Dress Code Policy or Uniform Policy. Board schools will reasonably accommodate students with regard to religious attire. Religious attire is not cultural dress; it is a requirement of religious observation.

Religious attire that should be reasonably accommodated in Board schools includes, but is not limited to:

- Head covers: Yarmulkes, turbans, Rastafarian headdress, hijabs
- Crucifixes, Stars of David, etc.
- Items of ceremonial dress.

Administrators will ask the student to wear religious attire in the same colour as the elementary standardized dress code or secondary uniform however, there may be religious requirements of colour that cannot be modified.

Special attention will be given to accommodations necessary for a student to participate in physical education and school organized sports.

The Board seeks to foster an atmosphere of cultural understanding in order to be proactive in addressing potential harassment about religious attire. Schools should be aware that harassment about religious attire is one of the most common types of harassment and bullying. In accordance with Board policy, the Board and its schools will not tolerate any harassment or bullying directed at, or inappropriate actions taken against, an individual’s religious attire and there will be appropriate consequences for individuals who violate this rule.

There are religious communities that require specific items of ceremonial dress which may be commonly perceived as contravening Board policies, for example the use of the Kirpan by Khalsa Sikh students. Requirements regarding the accommodation of Khalsa Sikh students who wish to carry a Kirpan are set out at [Appendix A](#).

4.7 Modesty Requirements for Dress in Physical Education Classes

The Board recognizes that some religious communities observe strict modesty attire in respect of their religion. This can become a matter of concern when students are asked to wear the clothing used in physical education activities. These Accommodation Guidelines are designed inclusively, taking into account common religious needs that may exist.

If a student and his or her family has concerns that cannot be addressed through inclusive design, the school should discuss the modesty requirements with them, and, taking into consideration the Ministry of Education's mandated expectations in the physical education curriculum, provide reasonable accommodation. The curriculum requirements should be explained to the student and his or her family so that it has sufficient information to understand the physical education curriculum and to select available curriculum alternatives.

4.8 Participation in Daily Activities, Curriculum and Co-curricular Activities

The Board will seek to reasonably accommodate students where there is a demonstrated conflict between a specific class, curriculum or co-curricular activity and a religious requirement or observance. Where an academic or co-curricular accommodation is requested, the school should have an informed discussion with the student's parents/guardians to understand the nature and extent of the conflict.

The school staff should make it clear during the discussion that its role is to protect students and staff from harassment and discrimination because of their religion and cultural practices. Where these conflict with the school routines, activities or curriculum, the school should consider accommodation. It cannot, however, accommodate religious values and beliefs that clearly conflict with mandated Ministry of Education and Board policies.

It is important to note that when an individual requests an accommodation related to the curriculum or co-curricular activity, the accommodation applies to the individual requesting the accommodation.

The Ministry of Education recommends substitutions when there are exemptions requested related to specific curriculum (Ontario Secondary Schools, Grades 9-12, Program and Diploma Requirements).

In general, the Board recommends an informed, common-sense approach to questions of religion and curriculum and co-curricular activities. Hopefully, these questions can be solved by an open discussion between the teacher, the student and the student's family.

LIMITATIONS TO RELIGIOUS ACCOMMODATION

1. The Board supports freedom of religion and an individual's right to manifest the individual's religious beliefs and observances. The right to freedom of religion, however, is not absolute and religious accommodation in the Board is carried out in the larger context of the Catholic education system and denominational rights of Catholic schools.
2. The Board, at all times, will seek to accommodate an individual's right to freedom of religion in a manner that not only respects the individual's beliefs but the principles of the Catholic Church. Following the general custom of the Church, non-Catholics are welcome to join in prayer services and liturgical celebrations of the Catholic Church community excluding some restrictions such as sharing in Holy Communion.
3. All chapels in Niagara Catholic schools are specifically designed and furnished for prayer and liturgy within the Catholic tradition and are not to be considered multi-faith chapels. Chapels are open to all people for individual silent prayer or meditation. Non-Catholic liturgies or group prayers will not be held in any chapel.
4. For students requesting a prayer space, school administrators are to designate an appropriate space or classroom, other than the chapel, for religious celebrations celebrated by other Christian denominations or faith traditions. Such requests will be made to the Principal, who, in discussion with the Family of Schools Superintendent and in consultation with the local Ordinary, will make the final decision.

REQUIREMENTS FOR KIRPAN ACCOMMODATION

A Kirpan is a ceremonial sword that must be worn by all Khalsa Sikhs baptized in the Khalsa Sikh tradition. The Board seeks to accommodate Khalsa Sikhs who wear a kirpan under the following conditions as follows:

- The five articles of faith worn by Khalsa Sikhs are the Kachera, Kara, Kanga, Kesh and Kirpan. At the beginning of the school year or upon registration, the student and parents/guardians must report to their respective school administration that they are Khalsa Sikhs and wear the five articles of faith, including a Kirpan.

The Principal, in consultation with the student and his/her parents/guardians, will develop appropriate accommodations to allow the student to wear the Kirpan while ensuring the safety of others. These may include the following conditions:

- There is notification in writing to the Principal by the parents/guardians and student and, where possible, from the Gurdwara (place of worship), confirming that the student requesting accommodation is a Khalsa Sikh.
- The Kirpan is six inches or less.
- The Kirpan will be sufficiently secured with a stitched flap so it is not easily removed from its sheath.
- The Kirpan will not be worn visibly, but under the wearer's clothing.
- Students under the age of eighteen must be accompanied by parents/guardians when discussing the rules regarding the wearing of a Kirpan.

REPORT TO THE COMMITTEE OF THE WHOLE JUNE 14, 2016

ATTENDANCE AREA REVIEW – SOUTH NIAGARA FALLS

BACKGROUND INFORMATION

At the May 24th, 2016 Board Meeting, the Niagara Catholic District School Board approved the Niagara Catholic District School Board, Long-Term Accommodation Plan 2016-2021.

The Long-Term Accommodation Plan contained a number of recommendations to address a variety of accommodation issues that exist throughout the Board. The recommendations were provided for consideration by the Board in the Short Term (September 2016 – June 2018), Medium Term (September 2018 – June 2020), and Long Term (September 2020 – June 2021).

As one of the Short Term recommendations, the Long-Term Accommodation Plan recommended that an attendance area review be conducted in 2016-2017 for South Niagara Falls to address school utilization.

As indicated within the Long Term Accommodation Plan, Loretto Catholic Elementary School is currently operating at 155% utilization. The school's on the ground capacity is 392, however 608 students currently attend. The school currently has 9 portables. Enrolment is projected to increase each year for the foreseeable future. The boundary for Loretto Catholic commences on Montrose Road (centerline) at Lundy's Lane (centerline) to McLeod Road (centerline) to Thorold Townline Road (centerline) to Lundy's Lane (centerline) to the point of commencement on Montrose Road.

Our Lady of Mount Carmel Catholic Elementary School is currently under capacity, operating at 65% of capacity with 329 students attending the school and an on the ground capacity to accommodate 504 students. The school currently is offering the French Immersion program servicing the Saint Michael Catholic Family of Schools in Grades One and Three. Students will be enrolled in the French Immersion Program from Grade ELKP through to Grade Four in the 2016-2017 year. The number of students in the school's English speaking stream is projected to increase which when combined with the number of students in the French Immersion program is projected to have the school operating at 100% capacity in 2021-2022. The boundary for Our Lady of Mount Carmel commences on Glenholme Avenue (excluding – and its projection) to Lundy's Lane (centerline) to Franklin Avenue (excluding) to Culp Street (excluding) to Drummond Road (excluding) to the power transmission lines to Dell Avenue (excluding – and its projection) to McLeod Road (excluding) to Wilson Crescent (excluding – and its projection) south to Welland River, west to Thorold Townline Road and McLeod Road to Montrose to Lundy's Lane (centerline) to the hydro canal to Hwy 420 north to the point of commencement on Glenholme Avenue.

Father Hennepin Catholic Elementary School is currently operating at 87% of capacity with an enrolment of 244 students attending the school, and an on the ground capacity to accommodate 282 students. The boundary commences east on the Niagara River to south at Corfield Street (and its projection) to Stanley

Avenue to the Welland River west to Wilson Crescent (and its projection) to McLeod Road to Dell Avenue (including) (and its projection) to the power transmission lines to Drummond Road to Culp Street to Franklin Avenue (including) north to Lundy's Lane (centerline) to Ferry Avenue (centerline) to the extension of Magdalen Street to the point of commencement on the Niagara River.

Imagine Estates

In 2008, a Pupil Accommodation Review was held for the Saint Michael Catholic High School Family of Schools. The review led to the closure of St. Joseph Catholic Elementary School and to pursue the construction of a new school in what was then referred to as Warren Woods, and subsequently referred to as Imagine Estates, with the Ministry of Education.

Students who live in Imagine Estates currently are designated to attend Our Lady of Mount Carmel Catholic Elementary School, despite the fact that in many cases students can see Loretto Catholic Elementary School from their homes and are within walking distance of the school.

Enrolment in the subdivision is expected to continue to grow as are the out of boundary requests for students to attend Loretto Catholic Elementary School.

An application to the Ministry of Education for funds to build a new Catholic elementary school will not be successful given the nearest Catholic elementary school to Loretto Catholic is Our Lady of Mount Carmel which is currently under-capacity.

Consequently, it is imperative that the schools closest to where a new school is proposed, Loretto Catholic Elementary School and Our Lady of Mount Carmel Catholic Elementary School, are each operating at a minimum of, or very close to, 100% of their on the ground capacity.

Education Development Charge

The Niagara Catholic District School Board approved the collection of Education Development Charges in June, 2015 to fund the purchase of land for a new school in south Niagara Falls.

Terms of Reference

It is recommended that the Terms of Reference for the Saint Michael Catholic and Saint Paul Catholic Elementary and Secondary Family of Schools Attendance Area Ad Hoc Committee are to:

Align student enrolment to facility capacity at Loretto Catholic Elementary School.

Align student enrolment to facility capacity at Our Lady of Mount Carmel Catholic Elementary School, considering the impact of moving the French Immersion Program from Notre Dame Catholic Elementary School.

Provide recommendations to address the increasing enrollment in the Imagine Estates subdivision.

Provide recommendations to support temporary overcapacity at Our Lady of Mount Carmel Catholic Elementary School for students from Imagine Estates until a new Catholic elementary school is built in Imagine Estates.

Recommend adjusted attendance area boundaries for Loretto Catholic Elementary School, Father Hennepin Catholic Elementary School and Our Lady of Mount Carmel Elementary School, within the Saint Michael Catholic High School – Family of Schools.

REPORT TO THE COMMITTEE OF THE WHOLE MEETING JUNE 14, 2016

CAPITAL PRIORITIES SUBMISSION 2016

BACKGROUND INFORMATION

The Ministry of Education has requested that school boards provide their 2016 Capital Priorities Program funding submissions with associated business cases by July 15, 2016.

At the May 24, 2016 Board Meeting, the Board endorsed the Niagara Catholic District School Board Long Term Accommodation Plan Report 2016-2021. The Niagara Catholic Long Term Accommodation Plan provides the Niagara Catholic District School Board with a plan for the use of school facilities in line with the Mission, Vision and Values of the Board. The approved Long Term Accommodations Plan recognizes that our Catholic schools are an integral part of vibrant and healthy communities.

Niagara Catholic's Long Term Accommodations Plan provides historical, current and future information to Board staff, municipalities, the public and potential partners on the long term accommodations within the system. Changing demographics, enrolment and expanding program offerings such as Specialist High Skills Major Programs and French Immersion can challenge the ability of a school board to effectively manage resources impacting the need for school facilities.

Based on the enrolment information provided, the Niagara Catholic Long Term Accommodation Plan outlines potential short, medium and long term strategies to address accommodation issues through Attendance Area Reviews, Pupil Accommodation Reviews, relocation of programs such as French Immersion and expanding community partnerships to maximize utilization and guide future capital priority submissions. Capital considerations, such as the condition of the facility under review, will need to be factored in to the decision making process.

At the May 10th, 2016 Board Meeting, the following motion was passed:

THAT the Niagara Catholic District School Board submit a request to delegate to the Conseil scolaire de district catholique Centre-Sud requesting a partnership to submit a capital priorities business case for a joint use school between St. Nicholas Catholic Elementary School and Ecole Immaculee Conception.

On May 11th, 2016, a delegation comprised of Chair Father Paul MacNeil, Vice-Chair Kathy Burtnik, Trustee Moe Charbonneau, Director John Crocco, Superintendent Ted Farrell and Controller Whitwell made a presentation to Conseil scolaire de district catholique Centre-Sud.

The purpose of the presentation was to seek approval from Conseil scolaire de district catholique Centre-Sud to submit a capital priorities business case to the Ministry of Education to build a new joint school to replace the existing St. Nicholas Catholic Elementary School and École élémentaire catholique Immaculée-Conception.

While conversations continue between Trustees and the Director of Education with colleagues at Conseil scolaire de district catholique Centre-Sud, as of this June 14, 2016 Committee of the Whole Meeting we have not yet received a formal response from Conseil scolaire de district catholique Centre-Sud to our delegation.

To meet the Ministry of Education's July 15th, 2016 Capital Priorities submission deadline, it is recommended that the Committee of the Whole recommend that the Niagara Catholic District School Board approve the Capital Priorities Submission 2016 for a new St. Nicholas Catholic Elementary School as a joint school with a new École élémentaire catholique Immaculée-Conception.

This project submission will be our only submission for 2016-2017.

RECOMMENDATION

2. Ken Griepsma – Principal, Secondary

Blessed Trinity

- Our Special Education event was held on April 28, 2016. We would like to thank our entire sister secondary schools for attending the event. The enthusiasm and participation of the students, peers and staff was amazing. A good time was had by all as we learned some new hip hop moves from the group Illskillz (one of the presenters at the Reaction4Inclusion Conference). The event ended with a spectacular Glow in the Dark Dance – our kids love to dance!
- Transition visits are underway for students who will join our Special Education class in September as well as students who are anxious about what the next stage of their education will look like. We welcome their families into our environment and prepare them for what is to come in order to make the journey a little easier.
- Transition and IPRC meetings are also taking place at the elementary schools for our students with Individual Education Plans. Transfer of Information meetings bring Grade 8 classroom teachers together with the secondary Special Education, Guidance and Success Team and are a key piece in the transition process. We strive to prepare students for success in grade 9.
- During Catholic Education Week, our Special Education class will focus on the theme 'Mercy that Welcomes' by creating a welcoming garden area outside the entrance to the Special Education classroom. We will construct some planter boxes and plant bright, seasonal flowers to make this area attractive and welcoming.

Denis Morris

- Denis Morris Catholic High School Special Education department is in the process of reviewing our 2015-2016 goals as we plan for next year. The following goals have been achieved:
 1. The development of a *Gifted and Enrichment Resource* package to support our gifted and talented learners.
 2. A monthly *Capacity Building Series* to support our staff with supporting student achievement, engagement and social-emotional well-being through effective instructional practices and review of Ontario Ministry of Education support documents.
 3. Implementation of *Transition Aged Youth Protocols* and community supports.
 4. Implementation of *PPM 140* with transition plans developed in the IEP.
 5. Roll out of *ABA in the Secondary Classroom* to support our School effectiveness.
 6. To promote *dignity and safe place for all* students with tiered interventions and supports to target learning gaps.
 7. *Experiential Learning Opportunities* (co-op placements, SHSM – Horticulture, Hospitality, Technology) for students with special education needs to create multiple pathways to success.
- Next year, we will “dig deeper” into each of these areas, engaging in rich conversations that will, through collaboration and on-going learning, move us forward as a Catholic Community of Learners.

Holy Cross

- The Holy Cross Special Education class thoroughly enjoyed their trip to Blessed Trinity where they met many of their NCDSB friends and learned some hip hop dance moves. Many thanks to Blessed Trinity for organizing such a special event. We are also looking forward to creating some spring crafts for Mother’s Day, using silk flowers and floral tape to create unique pens for the important women in our lives. Best wishes to all for a beautiful Catholic Education Week.

Saint Paul

- Students at co-op placements have received wonderful feedback from their respective placements (Bulk Barn and Pet Valu, both on Portage Rd.) regarding work ethic and efficiency, and overall effectiveness. Students in the culinary arts class continue to amaze with their own food creations (choose, plan, and create a dish once a week). Some of the delicious dishes made include mini pizzas, gourmet macaroni and cheese, cheeseburgers and lemon meringue pie. As well, all of the kids continue to thrive in their integrated classes; they are learning great skills and gaining knowledge in a variety of subjects (Art, Math, Science, Physical Education etc.).
- The students participated in a Special Education social event hosted by Blessed Trinity on April 28; the students had a great time showing off their dance moves!
- A special congratulations goes out to a student who placed in three events at a qualifier Special Olympics Weightlifting event in London, Ontario. As a result of his strong performance, he has advanced to the Provincial Championships!
- As we head towards the end of the school year, we look forward to see what the students will accomplish in the next few weeks.

NIAGARA CATHOLIC ECOSCHOOLS CERTIFICATION 2015 - 2016

BACKGROUND INFORMATION

Since 2007 Niagara Catholic District School Board has participated in the Ontario EcoSchools environmental education program. EcoSchools incorporates environmental education as well as environmentally responsible action into the school setting and influences young people during a formative period of life. This has an exponential impact as children take a culture of conservation home with them.

We are extremely pleased to announce for the 7th year in a row, that all Niagara Catholic Elementary and Secondary schools achieved the Ontario EcoSchools Certification for 2015 - 2016.

This is quite an accomplishment and has been made possible through the exceptional learning provided to our students and the environmentally responsible practices that have been incorporated into each one of our schools.

Final standings for Niagara Catholic are 8 Platinum, 41 Gold, 7 Silver, and 1 Bronze.

The extraordinary level of care for our environment that our staff and students have demonstrated has set the example as Stewards of the Earth for Niagara Catholic, which is unparalleled in this province.

Attached (Appendix A) is a school certification summary for 2016.

Congratulations GREEN Niagara Catholic!

REPORT TO THE BOARD JUNE 21, 2016

THE PROVISIONS OF SPECIAL EDUCATION PROGRAMS AND SERVICES – SPECIAL EDUCATION PLAN

BACKGROUND INFORMATION

The Ministry of Education requires district school boards to publicly make available a comprehensive report regarding the current special education programs and services of the board. *Building Bridges to Services 2016 and Beyond* is our Board's version of the Ministry of Education mandated Special Education Report that includes the components that are defined in *Standards for School Boards' Special Education Plans (2000)* as well as the protocols established in Policy and Program Memorandum 149. In compliance with *Regulation 464/97*, Special Education staff consults with the Niagara Catholic Special Education Advisory Committee (SEAC) in the preparation and update of the Special Education Plan.

A checklist that notes the plan's component parts, updated sections and the URL leading to the Special Education Plan on our Board's website is annually completed and submitted to the London Regional Education Office by July 31st each year.

The Niagara Catholic District School Board recognizes that *Building Bridges to Services 2016 and Beyond* is a valuable resource to students, parents and school and Board staff.

In the fall of each school year, the revised Special Education Plan will be shared with the Board of Trustees and the Special Education Advisory Committee (SEAC).

FINANCIAL REPORT

MONTH-END REVIEW

The operations for Niagara Catholic have ended May in a projected surplus position for compliance purposes of approximately \$771,538. The contributing factors of this in-year projected surplus are primarily attributed to the planned delays in implementing the remaining 2015-2016 Board approved System Priorities. Also, a milder winter season has created a savings of approximately \$400,000 in snow removal and utilities.

The Catholic Education Centre has committed to move forward with repairs and replacement of the roof structure this summer at a cost of \$350,000. The capital project is being funded internally through approved Proceeds of Disposition – Administration of \$207,518. However, the remaining non-supported capital commitment of approximately \$142,000 will be resourced by the anticipated 2015-2016 projected surplus.

Board Administration variance is attributed to the central bargaining costs incurred by OCSTA during central negotiations. Niagara Catholic will be reimbursed by the Provincial government for all central negotiation costs through the Grants for Student Needs.

COMMITMENT TO YEAR-END

To achieve our commitment for a balanced budget for 2015-2016, Senior Administrative Council and its departments continues to monitor the pressures that have in prior years negatively impacted the financial results of Niagara Catholic.

- Fringe benefit costs associated with health benefit costs.
- The continued monthly costs associated with sick replacement for all staff that requires coverage.
- The legal fees associated with local negotiations, grievances, and arbitrations.

Looking Forward

2016-2017

The 2016-2017 Board Budget was approved at the June 14, 2016 Board Meeting with a balanced position without the use of reserves.

An estimated increase of 7.5% for our current benefit package was built into 2016-2017.

The 2016-2017 classroom size regulation is in full Ministry compliance.

An increased allocation in Professional Development to address new math strategies for September 1, 2016.

Niagara Catholic has addressed the pay equity non-union management group effective September 1, 2016.
