FINANCIAL REPORT

SEPTEMBER 2016-2017

The Board has communicated on October 17, 2016 to the OECTA bargaining units, the 2015-2016 board average annual rate of permanent teachers' absenteeism by bargaining unit consisting of the use of paid sick leave, short-term disability, and other paid leave days excluding bereavement, jury duty, quarantine, association leave, long-term disability, and WSIB. The earned leave average for both bargaining units did increase from 2014-2015 by approximately two days. The Provincial Benefit Trust for OECTA E and OECTA S has commenced its process of moving these bargaining units to the central trust. Niagara Catholic is expected to move to the trust in the early spring during the third or fourth wave. The financial commitment to the trust for Niagara Catholic District School Board will be 2014-2015 actual benefit costs plus a four percent increase for both 2015-2016 and 2016-2017 for all permanent employees.

To achieve our commitment for a balanced budget for 2016-2017, Senior Administrative Council and its central office administrators continue to monitor the pressures that have in prior years negatively impacted the financial results of Niagara Catholic.

- Fringe benefit costs associated with health benefit costs for both permanent employees and those on long-term disability.
- Replacement costs for all staff associated with sick time that require replacement.
- Utility costs associated with increased hydro costs for 2016-2017.
- Harsh inclement weather pressures on our grounds maintenance costs associated with snow removal and salt.
- The legal fees associated with local negotiations, grievances, and arbitrations.
- Additional legal support needed through the Elementary Bargaining Unit's legal strike position.

Looking Forward

2016-2017

The 2016-2017 Audited Financial Statements will be presented at the December Board Meeting.

An estimated increase of 7.5% for our current benefit package was built into 2016-2017.

The 2016-2017 classroom size regulation is in full Ministry compliance.

An increased allocation in Professional Development to address new math strategies for September 1, 2016.

Trustees Receive Board Improvement Plan for Student Achievement and Well-Being

During the October 11 Committee of the Whole Meeting, Trustees received a copy of the Niagara Catholic Board Improvement Plan for Student Achievement and Well-Being (BIPSAW).

This Plan has been developed to support the continuous improvement of achievement and well-being for all Niagara Catholic students.

The BIPSAW has been provided to all schools to support the School Improvement Planning process, and is available on the [Board website](#).

Capital Projects Update

Niagara Catholic has two schools currently under construction: The \$10-million new St. Martin Catholic Elementary School in Smithville, and a \$4.4-million addition to Our Lady of Fatima Catholic Elementary School in Grimsby.

Storm sewers have been completed at St. Martin Catholic Elementary School, and water service installation is complete. The new St. Martin Catholic Elementary School is scheduled to open in Spring 2017.

A preliminary design meeting was held with school administration at Our Lady of Fatima Catholic Elementary School and a consultation meeting has taken place with the Town of Grimsby. A further meeting with the Region of Niagara is scheduled to address the child care addition.

We will continue to provide updates on these projects throughout the year.

Niagara Catholic Adopts Google Apps for Education

In January, Niagara Catholic's Board of Trustees endorsed the Technology Blueprint 2016-2020, which provides a roadmap for technology infrastructure spending to support student learning and the corporate side of operations.

Prior to this Blueprint being presented and adopted, the Education Technology Services Department (ETS) successfully piloted the use of Google Apps for Education (GAFE).

In moving to cloud-based platforms, ETS has created more than 25,000 accounts for students and staff, enabling them to use the GAFE suite of products. This suite includes a word processing program (Docs), presentation tool (Slides), a spreadsheet tool (Sheets), an email account through Gmail and unlimited file storage on the Google Drive.

Each user has his or her own @niagaracatholic.ca account used to log in to Google. Students and staff experience an ad-free digital experience that retains their bookmarks, regardless of the device used.

A major advantage of GAFE is that ETF staff are able to manage the platform from the Network Centre. The platform operates seamlessly on the Chromebooks which are available in all Niagara Catholic schools.

NIAGARA CATHOLIC
DISTRICT SCHOOL BOARD

Faith Formation Program

2016 - 2017

Faith Formation Program Prayer

Gracious God,
we pray that the Niagara Catholic community
may be inspired
to draw ever closer to you as we journey together
as one family in Christ.

May we know you deeply, with our eyes and minds
open to your presence in our lives.

May we love you passionately, with our hearts turned
towards you.

May we serve you justly, as your hands and feet here on
Earth.

Guide us and bless us as we strive to grow as brothers and
sisters in this one family in Christ.

We ask this through Christ, our Lord and teacher. Amen.

“The Niagara Catholic District School Board through the charisms of faith, social justice, support and leadership, nurtures an enriching Catholic learning community for all to reach their full potential and become living witnesses of Christ.”

The Niagara Catholic Mission Statement defines our mission vision and values, but also includes its own challenge to each of us. We cannot nurture others unless we, ourselves are fed. We cannot help to form community unless we, ourselves, engage communally.

The 2016-2017 school year, builds on our three year theological theme- *One Family in Christ: Know Him, Love Him, Serve Him* as we focus on Loving Him.

To love God means to love not only Him but that which He created, and that which He loves. Our faith formation sessions will provide various opportunities for all staff to explore the love of God and how we can model His love in our own lives. It is our hope that throughout this upcoming year you will accept the invitation to nurture your own faith by participating in Niagara Catholic’s adult faith formation program.

Turf to be installed at Michelson Park

By [Bernie Puchalski](#), St. Catharines Standard
Thursday, October 20, 2016 4:13:38 EDT PM

Thursday's wet and rainy conditions were a perfect day for a ground-breaking announcement at the Niagara Falls Soccer Club's clubhouse.

On a day when the fields at E.E. Michelson Park would have likely been too wet to play on, representatives of the Niagara Falls Soccer Club, the Niagara Catholic District School Board and the Niagara Foundation for Catholic Education gathered to announce an agreement to replace the grass on Michelson Field No. 1 with artificial turf. The land in question is owned partially by the Catholic board and the City of Niagara Falls.

"We are absolutely excited about this opportunity and, to get to a stage like this, there has to be a lot of communication, a lot of dialogue and a lot of trust," NCDSB director of education John Crocco said.

The first of its kind agreement by the NCDSB, which still requires the City of Niagara Falls to agree to contribute \$500,000 to the project, will see the following contributions to the project expected to cost between \$850,000 and \$1 million: a maximum \$200,000 from the Niagara Falls Soccer Club; \$200,000 from the Niagara Foundation for Catholic Education; and, hopefully, \$100,000 from a donor in exchange for renaming rights for the field.

For its contribution, the soccer club will receive priority usage of the field without user fees when it's not in use by the school board. The agreement would last until the turf field needs replacing.

"The city has already called and closed the field today and having a turf field gives us greater opportunities, longer hours, a longer season and the ability to run more programs and put more children on the field," soccer club president Tim Chamberlain said.

The club runs programs year-round and once the snow flies, its teams move into gymnasiums and indoor facilities.

"This will also give us an earlier start when the weather lets us in March," club vice-president Nick Montanaro said.

The \$200,000 commitment will represent the largest capital campaign ever run by the soccer club.

"We have a capital campaign set in place right now, but we haven't yet started our fundraising for it," Chamberlain said. "We have people in place who have made verbal commitments and we didn't want to jump the gun on it until all the documents were signed and in place.

"We do have some major parties ready to support us."

Father Paul MacNeil, the chair of the NCDSB and the pastor at the nearby Our Lady of the Scapular Parish, expressed twofold gratitude for the club's commitment.

"First, the Ministry of Education has been encouraging school boards and community organizations across Ontario to work cooperatively with each other and such cooperation as we witness today, is essential to a peaceful and prosperous community," he said. "Secondly, as chair of Niagara Catholic, we put students first — not only in our local schools, but all of our students throughout the community."

Crocco echoed that sentiment.

"It goes back to the belief that our schools are community hubs," he said.

Saint Paul is delighted to be the site of the proposed field.

"On behalf of the school and students, we couldn't be more happier," principal Brad Johnstone said. "We're looking for a seamless integration with the Niagara Falls Soccer Club and it will be our field is your field. We already have a tremendous relationship with the club."

The field already has bleachers, lighting and a score clock and the variation in price is related to what needs to be done for the field's base.

The annual cost of maintaining the field is still one of the details that needs to be resolved between the board, the city and the club.

“It’s still nowhere near the maintenance that is required on a natural grass field,” Crocco said.

During rainy falls, some of the board’s football fields have been destroyed by games played when the fields are soggy. In past years, the Catholic board has spent between \$100,000 and \$150,000 in the summer repairing fields.

The \$200,000 contribution from the foundation is part of a \$1.4 million fundraising campaign it announced in September. The goal is to contribute \$200,000 for an artificial turf field for each of the seven Catholic high schools in Niagara,

“It’s the wave of the future and the foundation is really excited about it, said Jim Marino, the foundation’s executive director.

Donations are tax deductible and those interested should contact Marino at jim.marino@nfce.org.

The Catholic board is hoping other groups will follow the lead of the Niagara Falls Soccer Club.

“We have reached out to partners and this is the first one that has come forward,” Crocco said. “We are here today to graciously accept their donation.”

Pending city approval, the groups are optimistic the field would be ready for play by the summer of 2017.

A report on the proposal is expected to be presented at Niagara Falls City Council Tuesday.
