- Relationships between consenting adults which are voluntary. However, when such a relationship ends, continued unwanted attention may constitute sexual harassment.

COMPLAINT RESOLUTION PROCEDURES - INFORMAL RESOLUTION (VERBAL PROCESS)

- The complainant may speak directly to the accused, in order to:
 - identify the specific conduct, action or attitudes which are alleged to be harassing
 - demand that the conduct, action or attitudes cease

This report shall be completed with a rationale for ending the investigation. The report shall be communicated to the parties within ten (10) working days of the meeting. A copy of this report shall be forwarded to the appropriate Superintendent and to the Senior Administrator of Human Resources.
- **With Merit**
An internal investigation is expected if the Supervisor concludes that the allegations have merit. After internal investigation:
 - If it is clear that the respondent's behaviour did constitute harassment/ discrimination, the respondent will be required to provide a written plan that outlines what will be done to prevent any reoccurrence of the harassing behaviour(s).
 - The plan will also address future interactions with the complainant to ensure that there will be no overt or subtle intimidation or retaliation. The plan may include specific action regarding harassment/discrimination prevention education or counselling provided in the community.
 - The complainant's wishes regarding future interactions with the respondent may be considered in the development and the final approval of the plan.
 - The Superintendent of Human Resources will determine the appropriate disciplinary action to be taken.
- If either party is not accepting of the findings the matter may be referred to the Director of Education. The Director of Education may elect to proceed with an investigation through his / her office or refer the matter to an independent third party. Selection of the third party shall be the exclusive decision of the Director of Education.
- Should the Director of Education choose to investigate the matter through the Director of Education's office the Director of Education may request, in writing a meeting with either party for the purpose of reviewing the decision reached by the Supervisor. This request must be made within fourteen (14) working days of the decision by the Supervisor. The Director of Education will hold a meeting with both parties.
- After a meeting with the Director of Education a written final decision will be presented to both parties. A copy of this final decision including any prescribed action and discipline will be filed with the Senior Administrator of Human Resources.
- The final decision of the Director of Education may be appealed to the Committee of the Whole/ or the Board by either party not to exceed sixty (60) school days.

BOARD RESOURCES

No Trustee shall use Board resources for personal gain. No Trustee shall permit relatives, friends and/or business associates to use Board resources for personal gain. TERMS OF REFERENCE**Student Activity Fees**

Student activity fees are voluntary amounts that are used to supplement a student's school experience through materials and activities such as student agendas, student recognition programs, yearbooks, co-instructional activities, school dances, or theme days or retreats.

Enhanced Programming and Materials

Enhanced Programming and materials are voluntary enrichments or upgrades to the curriculum or co-instructional activities beyond what is necessary to meet the learning expectations for a particular grade or course. Where students choose not to access these enhanced programs or materials, alternatives must be available as essential course materials required to meet the learning expectations of the course or grade are to be provided at no cost.

Optional Programming

Optional Programming refers to voluntary courses or activities that students normally choose to attend through an application process, with the knowledge that these programs are beyond the core curriculum. Examples may include Advanced Placement and Hockey Canada Skills Academy programs.

TRANSPARENCY AND ACCOUNTABILITY

Fees should reflect the actual cost of the services or materials being provided to the student. A transparent accounting of the amounts collected and expenditures allocated must be made available to the Catholic school community.

Members of the Catholic school community should be consulted in the development of a school's fee schedule and made aware of the use of student fees. Fee schedules will be made available to the Catholic school community.

Fee schedules should include:

- An itemized list of fees that states the rationale and purpose of each fee; and
- Information about the process to confidentially address financial hardship.

To ensure consistency and transparency across all Niagara Catholic schools, the application of fees should reflect the following principles:

- The purposes for which funds are collected are consistent with the Niagara Catholic District School Board mission statement, strategic directions and system priorities.
- Fees raised for school purposes are to complement, and not replace, public funding for education.

- Successful completion of a required grade or course leading to graduation cannot be dependent on the payment of any course fee.
- Students must be able to participate in school activities and access resources regardless of personal financial barriers.
 - Schools should address financial hardship and support student participation in activities regardless of economic circumstances.
 - A respectful practice for discreet identification of students/parents who may be experiencing financial hardship should be clearly communicated.
 - Financial reporting practices to the school community are in place.

FEE CHARGES

When determining fee charges, a fee charge shall be permissible for an activity, material, course or program if it is:

- Not required as part of the regular day school program;
- Voluntary, and alternatives are offered;
- Non-essential or co-instructional in nature and is not required for graduation by an individual student; or
- A voluntary upgrade or substitute of a more costly material to the material provided for course purposes.
- Examples of Activities, Programs, and Materials Eligible and Non-eligible for Fee Charges are found in Appendix A.

BEST PRACTICES

In addition, school Principals may consider the following best practices when implementing application of fees in their schools:

- Minimizing, where possible, costs related to enhanced programming and materials (for example, speakers, dance instructors, in-class field trips) that are optional to a course;
- Making every effort to ensure all students can participate in student activities regardless of ability to pay;
- Where a student chooses not to participate, alternative assignments should be provided for students to meet the expectations of the course; and
- Modest student activity fees for student agendas, student recognition, yearbooks, school dances, student council activities and clubs, photographs, co-instructional activities and athletics.
