The Board, through the charisms of faith, social justice, support and leadership, nurtures an enriching Catholic learning community for all to reach their full potential and become living witnesses of Christ.

INTEGRITY AND DIGNITY OF OFFICE

The Niagara Catholic District School Board Trustee Code of Conduct governs individuals elected as a Trustee (“Trustees”) under section 218 of the *Education Act*.

Elected Catholic Trustees occupy positions of public trust and confidence. They are expected to discharge their duties and responsibilities in a professional and ethical manner, consistent with Gospel Values, the teachings of the Catholic Church. Individual Trustees are committed to open and transparent communication with its students, parents/guardians, employees, Catholic ratepayers and all educational partners through effective system and school-based communication procedures.

It is imperative that the Trustees act, and be seen to act, in the best interests of the public they serve. Catholic Trustees are elected to represent all stakeholders in the Board by articulating and supporting a shared commitment to excellence in Catholic education that promotes student achievement and well-being through the delivery of effective and appropriate education programs, services and effective stewardship of the Board's resources.

Trustees are governors, advocates and community leaders. As governors, Trustees provide strategic direction and oversight through Board policies to maintain the focus on student achievement and well-being. As advocates, Trustees inform and influence public perceptions of Catholic education and provincial education law and policy. As community leaders, Catholic Trustees engage with the public they serve to build understanding, awareness, guidance and active support for publicly funded Catholic education.

In compliance with subsection 218.1 (f) of the *Education Act*, Trustees are statutorily required to entrust the day to day management of the Board to its staff through the Board’s Director of Education. As outlined in Section 218.1 of the *Education Act* no individual or group of Trustees has the authority to give direction to staff.

In keeping with this statutory obligation, Trustees who are contacted by an employee of the Board with respect to an issue of employment, may listen to the concern, offer no judgement on the specifics of any concern presented and, if required, will facilitate in guiding the employee to the relevant Collective Agreement, Terms and Conditions or Board Policy. Trustees are not permitted to vote on, discuss, or attempt to influence voting on matters in which they have a direct or indirect pecuniary interest. “For the purpose of this Act, the pecuniary interest, direct or indirect, of a spouse or any child of the member shall, if known to the member, be deemed to be also the pecuniary interest of the member.”

Any direct or indirect financial interest on the part of the Trustee may raise a conflict of interest. A direct conflict of interest will arise where the Trustee himself or herself stands to benefit or suffer financially by a decision of the Board.

**ENFORCEMENT OF CODE OF CONDUCT
AND MUNICIPAL CONFLICT OF INTEREST ACT**

A breach of this Code of Conduct by a Trustee may be dealt with by the following procedures:

A Trustee or a supporter of Catholic education who is eligible to participate in the election of a Niagara Catholic trustee who has reasonable grounds to believe that a Trustee(s) has breached this Code of Conduct may bring the alleged breach, in writing, to the attention of the Board through the Chair of the Board, or the Vice-Chair, in the event that the alleged breach is with the Chair of the Board or the Chair of the Board is unavailable.

If a Trustee has reasonable grounds to believe that another Trustee has breached this Code of Conduct, he or she must bring the alleged breach forward as soon as reasonably possible. The Board may choose not to deal with an alleged breach should the alleged breach come to the Board's attention after: (a) one year after the incident to which the alleged breach relates; or (b) if there are a series of incidents, after one year after the last in the series. A Trustee may apply to the Board for an extension of this time limit, and the Board may grant such an extension if the Board is satisfied that the delay in bringing the alleged breach forward was incurred in good faith and no substantial prejudice will result to any person affected by the delay.

If an alleged breach is brought to the attention of the Board, the document setting out the breach together with any other materials will be provided to the Director of Education in the Director's role as Secretary to the Board. The Director of Education will place the matter in the Trustee and Director Only section of the next *In-Camera* Board Meeting.

At the *In-Camera* Board Meeting where the alleged breach of the Code of Conduct is presented, legal counsel to the Board will be present to advise the Board with respect to legal matters related to relevant legislation and the Code of Conduct process as set out in the Code of Conduct. In compliance with Sections 198 and 283.1 of the *Education Act*, for the Board to meet, the Director of Education will be present as Secretary to the Board to take minutes. All other staff who attend meetings of the Board will be excused from the Trustee and Director Only section of the *In-Camera* portion of the meeting of the Board where the Code of Conduct complaint is presented.

At the *In-Camera* meeting of the Board at which the alleged breach is presented, the Board will direct Board legal counsel to oversee an independent investigation conducted by an external investigator as selected by Board legal counsel. The results of the external investigation will be presented to the Board by Board legal counsel and the external investigator upon completion. Based on the results of the external investigation, the Board will determine whether there has been a breach of the Code of Conduct.

If the Board determines that a Trustee has not breached the Code of Conduct, the Board may impose sanctions or consequences on the relevant individual(s), which includes a Trustee or Trustees, who have brought the complaint forward. The sanctions or consequences will be determined in consultation with Board legal counsel.

If the Board determines that a Trustee has breached the Code of Conduct, the Board may impose one or more of the following sanctions:

- Censure of the Trustee.
- Barring the Trustee from attending all or part of a meeting of the Board or a meeting of a committee of the Board.
- Barring the Trustee from sitting on one or more committees of the Board, for the period of time specified by the Board.

A Trustee who is barred from attending all or part of a meeting of the Board or a meeting of a committee of the Board is not entitled to receive any materials that relate to that meeting or that part of the meeting that are not available to the members of the public.

In appropriate circumstances, the Board may also resolve to disassociate the Board from any action or statement of a Trustee.

If a Board determines that a Trustee has breached this Code of Conduct, the Board shall give the Trustee written notice of the determination and of any sanction imposed by the Board.

The notice shall inform the Trustee that he or she may make written submissions to the Board in respect of the determination or sanction by the date specified in the notice, which date will be at least 14 days after the notice is received by the Trustee.

The Board shall consider any written submissions made by the Trustee and shall confirm or revoke the determination within 14 days after the Trustee's submissions are received.

If the Board revokes a determination that a Trustee has breached this Code of Conduct, any sanction imposed by the Board is also revoked.

If the Board confirms a determination that a Trustee has breached this Code of Conduct, the Board shall, within 14 days after the Trustee's submissions were received, confirm, vary or revoke the sanction(s) imposed by the Board.

If a sanction is varied or revoked, the variation or revocation shall be deemed to be effective as of the date the original determination of the alleged breach was made by the Board.

Despite subsection 207(1) of the *Education Act* which requires meetings of the Board to be open to the public, but subject to the requirements below for specific resolutions of the Board to be made in public, the Board may close to the public the part of the meeting during which a breach or alleged breach of this Code of Conduct is considered when the breach or alleged breach involves any of the following matters:

- The security of the property of the Board;
- The disclosure of intimate, personal or financial information in respect of a Trustee or committee, an employee or prospective employee of the Board or a student or his or her parent or guardian;
- The acquisition or disposal of a school site;
- Decisions in respect of negotiations with employees of the Board; or
- Litigation affecting the Board.

The meeting of the Board shall be In-Camera (closed to the public) when the subject matter under consideration involves an ongoing investigation under the *Ombudsman Act* respecting the Board.

The Board shall take the following actions by resolution at a meeting of the Board, and the vote on the resolution shall be open to the public:

- Make a determination that a Trustee has breached this Code of Conduct.
- Impose a sanction on a Trustee for a breach of this Code of Conduct.
- Confirm or revoke a determination regarding a Trustee's breach of this Code of Conduct.
- Confirm, vary or revoke a sanction after confirming or revoking a determination regarding a Trustee's breach of this Code of Conduct.

A Trustee who is alleged to have breached this Code of Conduct shall not vote on any of the resolutions listed above.

When a resolution listed above is passed, the resolution shall be recorded in the Minutes of the meeting. The *Statutory Powers Procedure Act* does not apply to any of the enforcement provisions under section 218.3 of the *Education Act*.

Nothing in this Code of Conduct prevents a Trustee's breach of the *Municipal Conflict of Interest Act* from being dealt with in accordance with that Act.

A Trustee who is subject to a Board inquiry to determine whether the Trustee has breached the Code of Conduct has a right to retain and be represented by legal counsel throughout the process.

In the event that a Trustee has been found to have not breached the Code of Conduct, all legal expenses for the Trustee involved in a Code of Conduct complaint will be reimbursed by the Board.

On May 30, 2017, the *Modernizing Ontario's Municipal Legislation Act, 2017* (“Bill 68”) received royal assent. The provisions of Bill 68 amending the *Municipal Conflict of Interest Act* (the “Amendments”) do not come into force until March 1, 2019.

Under the Amendments, Trustees who declare a conflict of interest in accordance with the *Municipal Conflict of Interest Act* will be required to file a written statement with the Secretary of the Board declaring their interest and including a description of its general nature. The Board will be required to maintain a registry that may be accessed by members of the public, containing copies of (i) Trustees’ written statements declaring their interest; and (ii) corresponding meeting minutes. The Board will develop and maintain procedures for public access to the registry, including any reasonable limits on such access.

The Amendments also enable Trustees to consult municipal Integrity Commissioners for the purpose of ensuring compliance with the *Municipal Conflict of Interest Act*, and to mitigate any penalty imposed on a Trustee in the event of their later having been found to have acted in contravention of the Act. The Board will develop and maintain procedures to facilitate Trustees’ consultation with municipal Integrity Commissioners, where appropriate.

The Board will comply with the requirements contained in the Amendments when these come into force.

PROCEDURES FOR GIFTS AND HOSPITALITY

Although moderate hospitality is an accepted courtesy in business relationships, Trustees should not allow themselves to reach a perceived position whereby they might influence a Board decision as a consequence of accepting such hospitality. **If there is uncertainty regarding what is considered an appropriate honoraria or hospitality to give or receive, the Trustee should discuss this with the Chair of the Board.**

Trustees should not use their position for improper gain or benefit, nor under any circumstances accept gifts.

Gifts and donations, by any Trustee, to any groups or individuals will not be reimbursed.

Gifts and donations may be made on behalf of the Board of Trustees as a whole, if approved in advance by the Chair of the Board and the Director of Education.

ENFORCEMENT OF CODE OF CONDUCT AND MUNICIPAL CONFLICT OF INTEREST ACT

~~In accordance with the provisions of Section 218.3 of the *Education Act*,~~ A breach of this Code of Conduct by a Trustee may be dealt with by the following procedures:

A Trustee **or a supporter of Catholic education who is eligible to participate in the election of a Niagara Catholic trustee** who has reasonable grounds to believe that ~~another~~ a Trustee has breached this Code of Conduct may bring the alleged breach, in writing, to the attention of the Board through the Chair of the Board, or the Vice-Chair, in the event that the alleged breach is with the Chair of the Board **or the Chair of the Board is unavailable.**

If a Trustee has reasonable grounds to believe that another Trustee has breached this Code of Conduct, he or she must bring the alleged breach forward as soon as reasonably possible. The Board may choose not to deal with an alleged breach should the alleged breach come to the Board's attention after: (a) ~~within~~ one year after the incident to which the alleged breach relates; or (b) if there are a series of incidents, ~~within~~ after one year after the last in the series. A Trustee may apply to the Board for an extension of this time limit, and the Board may grant such an extension if the Board is satisfied that the delay in bringing the alleged breach forward was incurred in good faith and no substantial prejudice will result to any person affected by the delay.

If an alleged breach is brought to the attention of the Board, the document setting out the breach together with any other materials will be provided to the Director of Education in the Director's role as Secretary

to the Board. The Director of Education will place the matter in the Trustee and Director Only section of the next *In-Camera* Board Meeting.

At the *In-Camera* Board Meeting where the alleged breach of the Code of Conduct is presented, legal counsel to the Board will be present to advise the Board ~~in~~ with respect to legal matters related to relevant legislation and the Code of Conduct process as set out in the Code of Conduct. In compliance with Sections 198 and 283.1 of the *Education Act*, for the Board to meet, the Director of Education will be present as Secretary to the Board to take minutes. All other staff who attend meetings of the Board will be excused from the Trustee and Director Only section of the *In-Camera* portion of the meeting of the Board where the Code of Conduct complaint is presented.

At the *In-Camera* meeting of the Board at which the alleged breach is presented, the Board ~~shall make inquiries into the matter~~ will direct Board legal counsel to oversee an independent investigation conducted by an external investigator as selected by Board legal counsel. The results of the external investigation will be presented to the Board by Board legal counsel and the external investigator upon completion. ~~shall based on the results of the inquiries,~~ Based on the results of the external investigation, the Board will determine whether there has been a breach of the Code of Conduct.

If the Board determines that a Trustee has not breached the Code of Conduct, the Board may impose sanctions or consequences on the relevant individual(s), which includes a Trustee or Trustees, who have brought the complaint forward. The sanctions or consequences will be determined in consultation with Board legal counsel.

If the Board determines that a Trustee has breached ~~this~~ the Code of Conduct, the Board may impose one or more of the following sanctions:

- Censure of the Trustee.
- Barring the Trustee from attending all or part of a meeting of the Board or a meeting of a committee of the Board.
- Barring the Trustee from sitting on one or more committees of the Board, for the period of time specified by the Board.

A Trustee who is barred from attending all or part of a meeting of the Board or a meeting of a committee of the Board is not entitled to receive any materials that relate to that meeting or that part of the meeting that are not available to the members of the public.

In appropriate circumstances, the Board may also resolve to disassociate the Board from any action or statement of a Trustee.

If a Board determines that a Trustee has breached this Code of Conduct, the Board shall give the Trustee written notice of the determination and of any sanction imposed by the Board.

The notice shall inform the Trustee that he or she may make written submissions to the Board in respect of the determination or sanction by the date specified in the notice, ~~that is~~ which date will be at least 14 days after the notice is received by the Trustee.

The Board shall consider any written submissions made by the Trustee and shall confirm or revoke the determination within 14 days after the Trustee's submissions are received.

If the Board revokes a determination that a Trustee has breached this Code of Conduct, any sanction imposed by the Board is also revoked.

If the Board confirms a determination that a Trustee has breached this Code of Conduct, the Board shall, within 14 days after the Trustee's submissions were received, confirm, vary or revoke the sanction(s) imposed by the Board.

If a sanction is varied or revoked, the variation or revocation shall be deemed to be effective as of the date the original determination ~~about~~ of the alleged breach was made by the Board.

Despite subsection 207(1) of the *Education Act* which requires meetings of the Board to be open to the public, but subject to the requirements below for specific resolutions of the Board to be made in public, the Board may close to the public the part of the meeting during which a breach or alleged breach of this Code of Conduct is considered when the breach or alleged breach involves any of the following matters:

- The security of the property of the Board;
- The disclosure of intimate, personal or financial information in respect of a Trustee or committee, an employee or prospective employee of the Board or a student or his or her parent or guardian;
- The acquisition or disposal of a school site;
- Decisions in respect of negotiations with employees of the Board; or
- Litigation affecting the Board.

The meeting of the Board shall be In-Camera (closed to the public) when the subject matter under consideration involves an ongoing investigation under the *Ombudsman Act* respecting the Board.

The Board shall take the following actions by resolution at a meeting of the Board, and the vote on the resolution shall be open to the public:

- Make a determination that a Trustee has breached this Code of Conduct.
- Impose a sanction on a Trustee for a breach of this Code of Conduct.
- Confirm or revoke a determination regarding a Trustee's breach of this Code of Conduct.
- Confirm, vary or revoke a sanction after confirming or revoking a determination regarding a Trustee's breach of this Code of Conduct.

A Trustee who is alleged to have breached this Code of Conduct shall not vote on any of the resolutions listed above.

When a resolution listed above is passed, the resolution shall be recorded in the Minutes of the meeting. The *Statutory Powers Procedure Act* does not apply to any of the enforcement provisions under section 218.3 of the *Education Act*.

Nothing in this Code of Conduct prevents a Trustee's breach of the *Municipal Conflict of Interest Act* from being dealt with in accordance with that Act.

A Trustee who is subject to a Board inquiry to determine whether the Trustee has breached the Code of Conduct has a right to retain and be represented by legal counsel throughout the process. ~~Legal expenses for Trustees involved in a Code of Conduct complaint~~ In the event that a Trustee has been found to have not breached the Code of Conduct, all legal expenses for the Trustee involved in a Code of Conduct complaint will be reimbursed by the Board. ~~will not be paid by the Board unless extraordinary circumstances are determined by Board motion.~~

On May 30, 2017, the *Modernizing Ontario's Municipal Legislation Act, 2017* ("Bill 68") received royal assent. The provisions of Bill 68 amending the *Municipal Conflict of Interest Act* (the "Amendments") do not come into force until March 1, 2019.

Under the Amendments, Trustees who declare a conflict of interest in accordance with the *Municipal Conflict of Interest Act* will be required to file a written statement with the Secretary of the Board declaring their interest and including a description of its general nature. The Board will be required to maintain a registry that may be accessed by members of the public, containing copies of (i) Trustees' written statements declaring their interest; and (ii) corresponding meeting minutes. The Board will develop and maintain procedures for public access to the registry, including any reasonable limits on such access.

The Amendments also enable Trustees to consult municipal Integrity Commissioners for the purpose of ensuring compliance with the *Municipal Conflict of Interest Act*, and to mitigate any penalty imposed on a Trustee in the event of their later having been found to have acted in contravention of the Act. The Board

will develop and maintain procedures to facilitate Trustees' consultation with municipal Integrity Commissioners, where appropriate.

The Board will comply with the requirements contained in the Amendments when these come into force.

PRESENTATION BACKGROUND

**Committee of the Whole Meeting
March 6, 2018**

SPEAK OUT!

Throughout the last few months, in 48 of our Catholic elementary schools, students in Grades Seven (7) and Eight (8) have been involved in speech writing and delivery to an audience of their families, peers and teachers. Students across Niagara Catholic, with the support and guidance of their classroom teachers, have been developing their messages. The Speak Out! Committee provided a workshop and resources to guide teachers in instruction and assessment of students' speech writing and delivery. This year, students have included visual aids to enhance their message. This dedicated committee also organized the three (3) Team Speak Out! Events and Showcase, meeting several times throughout the school year to make this a success.

Under the direction of Yolanda Baldasaro, Superintendent of Education Program and Innovation, the Speak Out! Committee consists of Elementary Principals and Vice-Principals, Consultants, Coaches, teachers and students. The Committee Members are:

- Lisa Incaviglia, Co-Chair of the Speak Out! Committee, Principal, St. Joseph Catholic Elementary School, Grimsby
- Christine Battagli, Co-Chair of the Speak Out! Committee, Consultant – Research, Assessment, Evaluation and Reporting

- Team 1 – Saint Francis Catholic Secondary School on February 21, 2018
- Team 2 – Saint Paul Catholic High School on February 26, 2018
- Team 3 – Notre Dame College School on March 1, 2018

From each of the Team competitions a panel of teacher judges selected a First Place, Second Place and Catholic Messenger Award recipient to participate in the Speak Out! Showcase held on March 6, 2018 at the Catholic Education Centre.

Three representative students of the Speak Out! Showcase 2018 will deliver their speeches as part of this report at the Committee of the Whole Meeting.

REPORT TO THE COMMITTEE OF THE WHOLE MARCH 6, 2018

NIAGARA CATHOLIC FRENCH AS A SECOND LANGUAGE PROGRAM

BACKGROUND INFORMATION

As one of Canada's two official languages, French as a Second Language (FSL) is taught in Ontario's English-language school boards. FSL programs are for all students in English-language boards, including students with special needs and English language learners. Directions for planning the delivery of curriculum to students with special education needs are included in all curriculum policy documents, including those for FSL. Students in Ontario's publicly funded English-language schools are required to:

- study FSL from Grades 4 to 8; and
- earn at least one credit in FSL in secondary school to obtain the Ontario Secondary School Diploma.

The types of FSL programs Ontario offered in Ontario English-language boards are:

- **Core French** – Students learn French as a subject. At the elementary level, students must accumulate a minimum of 600 hours of French instruction by the end of Grade 8. At the secondary level, academic, applied and open courses are offered for Grades 9 and 10; university preparation and open courses are offered for Grades 11 and 12.
- **Extended French** – Students learn French as a subject and French serves as the language of instruction in at least one other subject. At the elementary level, at least 25 per cent of all instruction is provided in French. At the secondary level, academic courses are offered for Grades 9 and 10; university preparation courses are offered for Grades 11 and 12. In the Extended French program, students accumulate seven credits in French: four are FSL language courses and three are other subjects in which French is the language of instruction.
- **French Immersion** – Students learn French as a subject and French serves as the language of instruction in two or more other subjects. At the elementary level, at least 50 per cent of all instruction is provided in French. At the secondary level, academic and applied courses are offered for Grades 9 and 10; university preparation and open courses are offered for Grades 11 and 12. In the French Immersion program, students accumulate ten credits in French: four are FSL language courses and six are other subjects in which French is the language of instruction.

Student's proficiency in French increases based on the level of intensity of instruction in French. The three FSL programs help students develop an appreciation of the language and French culture in Canada and the world.

School boards have the option of offering Extended French and French Immersion programs based on local demands and resources. Decisions to establish these programs and their structure (e.g. point of entry), are made by the local school board. Students in these programs are not in the Core French program.

(Information above adapted from <http://www.edu.gov.on.ca/eng/amenagement/FLS.html>).

FSL FUNDING

The Ministry of Education **Technical Paper 2017-2018** outlines the funding that boards receive to support French Language programming.

FSL – Elementary

At the elementary level, funding is provided for core and extended French based on enrolment in French programs for Grades 4 to 8. French immersion programs, if offered by the board, are funded based on enrolment in French programs for JK to Grade 8. Current Ministry policy requires that each elementary student accumulate at least 600 hours of French-language instruction by the end of Grade 8. School boards are required to plan their French-language programs so that students meet this requirement.

Average Length of Program	Type of Program	Allocation per pupil enrolled in the Program
20 – 59 minutes	Core, Grades 4 to 8	\$297.37
60 – 149 minutes	Extended, Grades 4 to 8	\$338.80
150 minutes or more	Immersion, JK/SK, Grades 1 to 8	\$379.01

FSL – Secondary

At the secondary level, funding is determined according to credits as follows:

Grades	Allocation per pupil credit – French as a subject	Allocation per pupil credit – subjects other than French taught in French
9 and 10	\$76.44	\$125.74
11 and 12	\$101.09	\$196.04

SUPPLY AND DEMAND

In the fall of 2017, the Ministry of Education produced an artefact, “Addressing Immediate Supply and Demand Concerns in French As A Second Language (FSL)”. The artefact states the following information that has led to the urgency in addressing the provincial demand of qualified FSL teachers:

- Growing popularity of French Immersion programs: 85.3% increase since 2003.
- The number of newly-licensed Ontario teachers decreased by approximately 50% since 2012.
- FSL teachers indicate that working conditions and a lack of support for FSL contribute to burnout and attrition.

The Ministry of Education website has a dedicated section entitled “Teaching in French in Ontario” (http://www.edu.gov.on.ca/eng/teacher/fls_teachers.html). The information contained in this section states that in Ontario, French teachers are in demand for both English- and French-language schools and offers the following quick-links to access additional information:

- [How Ontario students learn French](#)
- [Quick facts about Ontario’s publicly funded education system](#)
- [Teaching French at a French-language school](#)

NIAGARA CATHOLIC FRENCH LANGUAGE PROGRAM CONSIDERATIONS FOR 2018-2019 AND BEYOND

For the 2018-2019 school year, Niagara Catholic will continue to offer the French Immersion program at the current school locations. The French Immersion program will continue to expand by adding the next grade level at each school site. St. John Catholic, Our Lady of Fatima Catholic (SC), Our Lady of Mount Carmel Catholic and Holy Name Catholic will add a Grade 6 French Immersion class, and Notre Dame Catholic will add a Grade 5 French Immersion class.

The school year beginning in September 2020 is in line with seeing the Niagara Catholic French Immersion Program reach the Grade 8 year. September 2021 would be the initial start of the continued expansion of French Immersion Program into our Catholic secondary schools at the following proposed secondary school sites:

Blessed Trinity Catholic in Grimsby, Saint Paul Catholic in Niagara Falls, Notre Dame College in Welland and a secondary school in St. Catharines which will be confirmed pending the decisions of a Pupil Accommodation Review as part of the Board's Long Term Accommodation Plan 2016-2021.

Staffing parameters for 2018-2019 Elementary Organizational Charts are outlined in the chart below:

Grade(s)	Ratio/Aggregate
Kindergarten (FDK)	Board Wide aggregate: 25.75:1 <ul style="list-style-type: none"> At least 90% to have 30 or fewer students. Up to 10% of classes can reach up to 32 students. FDK classes combined with Grade 1 will be subject to Primary Class Size requirements.

Staffing parameters for 2018-2019 Secondary Organizational Charts must adhere to 22:1 ratio for class sizes.

As part of the annual review of French Language programs within Niagara Catholic, the following topics will be considered in determining the viability and sustainability of the optional French Language programming:

- Ministry of Education requirements for FSL programming;
- Challenges with staffing and recruitment process for hiring qualified Catholic FSL teachers and support staff;
- Potential accommodation challenges/pressures associated with housing optional programs;
- Other cost pressures associated with optional programming.

Staffing, classroom resources and budget allocation for optional French Language programming in Niagara Catholic will be included in Senior Administrative Council's 2018-2019 budget recommendations to the Board for the Annual Budget 2018-2019.

REPORT TO THE COMMITTEE OF THE WHOLE MEETING MARCH 6, 2018

TRUSTEE DETERMINATION AND DISTRIBUTION 2018

BACKGROUND INFORMATION

Under Ontario Regulation 412/00, school boards are responsible for the calculations of trustee determination and distribution.

Ontario Regulation 412/00 outlines the steps for determining the number of trustees of the board and the steps for distributing the trustees to the geographic areas within its jurisdiction. Regulation 412/00 includes a number of instructions and tables of data, which contain information used in the determination and distribution calculations.

At the March 31, 2014 meeting of the Niagara Catholic District School Board, the Board approved the following motions:

THAT the Niagara Catholic District School Board determine that the number of trustees in its jurisdiction be a total of 8 trustees in the 2014 Elections.

and

THAT the Niagara Catholic District School Board confirm that it has decided not to designate any low population areas in the 2014 Elections.

and

THAT the Niagara Catholic District School Board confirm that the 8 trustees in its jurisdiction be distributed in the 2014 Elections, as follows:

- 1 for West Lincoln, Lincoln, Grimsby, Pelham
- 2 for St. Catharines (less Merritton Area)
- 1 for Thorold (including Merritton Area)
- 1 for Fort Erie, Port Colborne Wainfleet
- 1 for Welland
- 2 for Niagara Falls, Niagara-on-the-Lake

On January 31, 2018, Directors of Education received a memorandum from the Ministry of Education (Appendix A) which stated that before each provincial general election, “every board of trustees determines the number of trustee positions on their board and distributes these positions across the board’s area of jurisdiction. This process is known as trustee determination and distribution (D&D)”

“By March 31, 2018, every district school board must complete a report on the determination and distribution of its members, and, by April 3, 2018, submit it to:

- the Ministry of Education;
- the election clerks for all municipalities within the board’s jurisdiction;

- the secretary of every other board that is wholly or partially within the board’s area of jurisdiction.”

On February 15, 2018 the Niagara Catholic District School Board received the Population of Electoral Group Reports (PEG Reports), which were prepared by the Municipal Property Assessment Corporation (MPAC) to use in the calculations of the trustee determination and distribution for the upcoming elections.

Trustee Distribution 2018-2022 By Municipality Calculation - Ontario Regulation 412/00: Section 6

School Boards are responsible for determining the geographic allocation of its members, and is required to pass a resolution prior to March 31 of an election year to determine its Trustee Distribution, as well as circulate the Determination and Distribution Report to the designated public authorities.

School Boards are able to designate some of its areas as low population areas to allow appropriate representation for such areas. Staff recommends not to designate any area within Niagara Catholic as a low population area.

The distribution of Trustees by municipality is calculated in accordance with Section 6 of O. Reg. 412/00, and will follow the steps outlined on Page 13-14 of the Trustee Determination and Distribution Guide (Appendix B). The calculation uses the PEG Report as the official document to be used as the population reference to calculate trustee distribution.

To calculate the “Electoral Quotient Grouped by Area” used to determine the number of Trustee per Municipality and by Ward, the below formulae is utilized.

$$\frac{A \times B}{C}$$

A = the Population Electoral Group Representation in a Municipality/Ward

B = the total number of Trustees allocated to the Board

C = the total Population Electoral Group Representation in the jurisdiction of the Board

Using the calculator, Appendix D provides the Board with two recommended options for its consideration:

Option 1 – recommends the same Trustee Distribution for 2018-2022 as 2014-2018

Option 2 – recommends a Trustee Distribution which aligns with the elementary / secondary Family of Schools organization for 2018-2022

Both options for the consideration of the Board maintains the current total of eight (8) elected Trustees for the Niagara Catholic District School Board for 2018-2022.

Under the provisions of Ontario Regulation 412/00, the Board is required to approve the following resolutions:

- A resolution confirming that the Board has determined the number of trustees to be elected in its jurisdiction, in accordance with the Regulation
- A resolution stating that the Board has given consideration to designating low population areas and that the Board has decided to designate a municipality as a low population municipality or that the board has decided not to designate any municipality as a low population area.
- A resolution stating that the Board has distributed the total number trustees to the municipal areas under the jurisdiction of the Board, in accordance with the Regulation.

The Board is required to send a copy of the results of the trustee determination and distribution, including data and calculations to the following:

- The Minister of Education
- The Election Clerk of each Municipality
- The Secretary of each coterminous School Board.

By October 1, 2018, every district school board must appoint a Compliance Audit Committee to “hear and decide on applications for compliance audits of trustee candidates’ campaign expenses. The Committee must be composed of three to seven people, none of whom can be members of the school board, an employee or a candidate in the election. The responsibilities of the Compliance Audit Committee and the compliance audit process are set out in sections 88.33, 88.34 and 88.37 of the *Municipal Elections Act*. Members of the committee serve a four-year term less two weeks beginning on December 1, 2018 on an as-needed basis”

MEMORANDUM TO: Directors of Education

FROM: Bruce Drewett, Director
Leadership, Collaboration and Governance Branch

DATE: January 31, 2018

SUBJECT: 2018 School Board Elections

The purpose of this memo is to provide you with information and resources to support your board in meeting its responsibilities with respect to upcoming trustee elections. While voting day does not occur until October 22, 2018, your board is required to complete certain requirements on specific dates up to and including voting day (see more details below).

A list of key dates is also attached for your convenience.

Trustee Determination and Distribution

Before each general election, every board of trustees determines the number of trustee positions on their board and distributes these positions across the board's area of jurisdiction. This process is known as trustee determination and distribution (D&D).

By **March 31, 2018**, every district school board must complete a report on the determination and distribution of its members, and, **by April 3, 2018**, submit it to:

- the Ministry of Education;
- the election clerks for all municipalities within the board's jurisdiction;
- the secretary of every other board that is wholly or partially within the board's area of jurisdiction.

School boards may submit their D&D reports to the Ministry of Education by email at LDB-DDL@ontario.ca, or by mail to:

Ministry of Education
Leadership, Collaboration and Governance Branch
900 Bay Street, 13th Floor
Toronto, ON M7A 1L2

The electoral group population data which your board will use to complete any necessary calculations for the report will be sent to you by the Municipal Property Assessment Corporation (MPAC) by February 15, 2018.

To assist you with completing this report, I am pleased to provide you with the “2018 Trustee Determination & Distribution Guide for Ontario District School Boards” (see attached). The guide contains information on how to determine your board’s number of elected trustees and the process for distributing the positions over your board’s jurisdiction. The guide can also be found on the ministry’s website:
<http://www.edu.gov.on.ca/eng/trustee-elections>.

The deadline by which your board must distribute its members is **March 31, 2018**.

You may also use an online calculator to make your determination and distribution calculations. The calculator can be found on the Ontario Education Services Corporation website at:
<http://trusteecalc.oesc-cseo.org/trustee-elections/calculator/>.

The rules governing the number and distribution of trustee positions are found in section 58.1 of the *Education Act*, and in Ontario Regulation 412/00 – *Elections to and Representation on District School Boards*. The rules have not changed since the last election in 2014. If you are using the formula in the regulation to re-calculate your board’s number of elected positions, please note that Table 5 (Dispersal Factors) in the regulation has been updated. The current version of the regulation is available on e-laws at: http://www.e-laws.gov.on.ca/html/regs/english/elaws_regs_000412_e.htm

If your board has jurisdiction in more than one municipality, your board must pass a resolution that either designates one or more municipalities as low population municipalities OR states that the board has decided not to designate any municipality as a low population municipality. The low population designation results in greater representation for a municipality than it would otherwise get based on its population; it does not change the number of trustees to be elected to your board. Your board must pass a low population resolution by **March 31, 2018**.

Compliance Audit Committee

Every district school board must appoint a compliance audit committee before **October 1, 2018**, to hear and decide on applications for compliance audits of trustee candidates’ campaign expenses. The Committee must be composed of three to seven people, none of whom can be members of the school board, an employee, or a candidate in the election.

The responsibilities of the compliance audit committee and the compliance audit process are set out in sections 88.33, 88.34 and 88.37 of the Municipal Elections Act,

1996 (MEA). Members of the committee serve a four-year term less two weeks, beginning on December 1, 2018 on an as-needed basis.

Municipalities and school boards can appoint the same members to their respective audit committees (i.e., the same person may serve on more than one compliance audit committee), but each must appoint all the members of their committee. For more information on the compliance audit committees, please visit the Ministry of Municipal Affairs website at: www.ontario.ca/municipalelections.

Schools as Polling Stations

Voting Day is October 22, 2018. Please note that under section 45 of the MEA, school boards **must** make schools available to be used as polling stations if requested to do so by the municipal clerk. School boards must provide the space free of **any** charge. I recognize the difficulties this can pose for school boards and appreciate your continued co-operation in helping to ensure that municipal and school board elections run as smoothly as possible.

I trust that this information will be of assistance to your board. If you require further information, please contact Kyle Kubatbekov, Senior Policy Advisor, Leadership, Collaboration and Governance Branch at (416) 325-7692 or by email at Kyle.Kubatbekov@ontario.ca. You may also contact your local Ministry of Education Regional Office for more information.

Thank you,

Bruce Drewett

Introduction

Before each general election, every board of trustees determines the number of trustee positions on their board¹ and distributes these positions across the board's area of jurisdiction. This process is known as trustee determination and distribution (D&D). By March 31 of an election year, school boards are required to complete a D&D Report showing their D&D calculations, and, by April 3 in the election year, to submit it to:

- the Ministry of Education;
- the election clerks for all municipalities within the board's jurisdiction;
- the secretary of every other board that is wholly or partially within the board's area of jurisdiction.

The D&D process plays an important role in ensuring that representation on school boards is democratic and fair. It also allows trustee candidates to identify and select an electoral ward in which to run. Therefore, it is very important for school boards to make accurate D&D calculations.

This guide offers two options to help you complete the D&D calculations:

- an online D&D calculator, which you can find on the Web page of the Ontario Education Services Corporation (OESC) at <http://trusteecalc.oesc-cseo.org/trustee-elections/calculator/>
- a manual approach using the steps and templates provided in this guide

The guide has three sections:

- **Section I** provides information and steps for completing the D&D Report.
- **Section II** sets out key dates for the 2018 election.
- **Section III** contains frequently asked questions about the D&D process and answers to them.

1. The terms *school board* and *board* are used in this document to refer to district school boards.

Section I

Trustee Determination and Distribution: A Responsibility of District School Boards

The number of elected school trustees and their distribution over a board's jurisdiction are governed by the Education Act and by Ontario Regulation (O. Reg.) 412/00, "Elections to and Representation on District School Boards".

Trustee Determination

The number of elected trustee positions on a board is the number that was determined for the board for the purposes of the 2006 general election, with the following provisos (section 58.1 (10.0.1) of the Education Act):

- For a school board whose number of elected trustees was increased by order of the Minister following the isolate board mergers in 2009, the total number of elected trustees includes the additional position(s) ordered by the Minister.
- A board may by resolution reduce its number of elected trustees to not fewer than five.
- A board that has experienced a change in population or area of jurisdiction may use the formula in O. Reg. 412/00 to recalculate its number of elected trustees.

Trustee Distribution

Boards are responsible for allocating their elected trustee positions over their area of jurisdiction. They do this by:

- combining local municipalities and local municipal wards in their area of jurisdiction into a number of geographic areas;
- allocating their trustee positions to these areas. The steps are set out in O. Reg. 412/00, and the process is referred to as **trustee distribution**.

If a board has formed a geographic area that includes two or more municipalities, then the board must identify the municipality with the largest population of the board's electoral group. This is known as the **lead municipality**. The school board election clerk of the lead municipality has certain responsibilities for the entire geographic area, such as accepting nominations and announcing the result of the vote.

Determination and Distribution Report

School boards are required to submit a Determination and Distribution Report (D&D Report) to the Minister of Education, the election clerks for all municipalities within the board's jurisdiction, and the secretary of every other board that is wholly or partially within the board's area of jurisdiction.

The D&D Report must include:

- the D&D results;
- if applicable, the identification of any lead municipality;
- a copy of the data and calculations by which
 - the D&D results were reached
 - any lead municipality was identified;
- copies of all relevant board resolutions.

The submission deadline for the D&D Report is **April 3, 2018**.

What Do You Need to Get Started?

I. Population of Electoral Group Report

The first piece of information you will need to complete your D&D Report is the population of the electoral group for each of the local municipalities and local municipal wards within your school board's area of jurisdiction. The Municipal Property Assessment Corporation (MPAC) produces this data and will provide a Population of Electoral Group Report (PEG Report) to your board before **February 15, 2018**.

In some cases, an area without municipal organization is attached to a municipality for school board election purposes. Other areas without municipal organization are deemed to be municipalities under the Education Act. The PEG Reports contain the electoral group data for these areas as well.

2. Board Resolution Regarding Low Population Municipalities

You will need to know whether or not your board is designating any municipalities within its jurisdiction as “low population” areas. Boards whose area of jurisdiction includes more than one municipality **must** pass a resolution by **March 31** of an election year either:

- designating one or more municipalities as low population municipalities; or
- declaring that no such designation will be made (O. Reg. 412/00, s. 4).

This resolution must be included in your D&D Report.

Typically, a board will designate one or more municipalities as a low population area to allow for greater representation to an area than would be accorded by a strict representation-by-population approach. There is no limit on the number of low population areas a board may designate.

Designating municipalities as low population areas affects the calculation of trustee distribution by allowing the board to increase the sum of electoral quotients for those municipalities by either one or two. It does not affect the total number of trustees for the board.

3. Board Resolution Regarding Voluntary Reduction of Board Members

School boards may reduce the number of elected trustees below the number provided for in the Education Act and O. Reg. 412/00, but not below the minimum number of five members. This can be done only by a resolution of the board.

If a school board chooses to exercise this option, the resolution must be passed before **March 31** of an election year. A copy of the resolution must be included in the D&D Report.

Completing the Determination and Distribution Calculations

Summary of Steps: Completing Your D&D Report

1. Gather the following information:

- the number of trustee positions determined by your board in 2006 and, if applicable, the number of additional trustees ordered by the Minister in 2010 (see [Appendix C](#));
- your board's 2018 PEG Report;
- if applicable, the name(s) of any municipalities within your board's jurisdiction that have been designated as low population municipalities, and whether the sum of electoral quotients for those municipalities is to be increased by one or two;
- a copy of the provisions regarding distribution set out in sections 4 to 8 of O. Reg. 412/00, available online at http://www.e-laws.gov.on.ca/html/regs/english/elaws_regs_000412_e.htm.

If you wish to calculate whether your board may have additional trustees, you may use the online calculator on the OESC's Web page. If you are doing a manual calculation, you will need:

- a copy of the six tables contained in O. Reg. 412/00, which are reproduced in [Appendix A](#);
- a copy of the rules set out in O. Reg. 412/00, which are reproduced in [Appendix B](#), for determining the number of additional members based on your board's dispersal factor.

2. Determine your board's number of trustee positions:

- For most boards, this will be the number determined for the purposes of the 2006 election, unless:
 - the Minister ordered additional trustees for your board in 2010 following the isolate board mergers; or
 - your board has passed a resolution to reduce its number of elected trustees to not fewer than five; or
 - your board has experienced a change in population or area of jurisdiction and would like to use the formula in O. Reg. 412/00 to recalculate its number of elected trustees.

3. Allocate the trustee positions to the geographic areas formed by your board. This step requires the calculation of the electoral quotient for each municipality or municipal ward using the PEG data provided by MPAC. The online calculator will do this for you. If you wish to do a manual calculation, you will find the steps and templates you may use for this purpose on pages 13 to 18. In either case, you will need to know:
 - the number of elected trustee positions;
 - the number of municipalities/municipal wards and unorganized territories in your board's jurisdiction;
 - the number, if any, of designated low population municipalities;
 - the number (one or two) by which the sum of their electoral quotients would be increased.
4. Make copies of the D&D calculations. If you used the Web-based calculator, it provides an option for printing your calculations. If you used a manual method, copy your completed D&D templates or any other chart you may have used for your calculations.
5. Seek approval from your board on the number of trustees to be elected and their geographic distribution. Note that all resolutions must be passed by **March 31, 2018**.
6. Prepare your D&D Report and send it, by **April 3, 2018**, to the Minister, the school board election clerks for all the municipalities within the area of jurisdiction of the board and the secretary of every other board that is wholly or partially within the area of jurisdiction of your board. The completed D&D Report must include:
 - the D&D results;
 - if applicable, the identification of any lead municipality;
 - a copy of the data and calculations by which the D&D results were reached and by which any lead municipality was identified;
 - copies of all relevant board resolutions.

Trustee Determination – Using the Online Calculator

The online calculator can be found on the website of the OESC at <http://trusteecalc.oesc-cseo.org/trustee-elections/calculator/>.

You will be provided with two options for proceeding:

Option 1: If you are not recalculating your board's elected trustee positions, then you will be taken to a Web page where you will select your board name and enter the total population of your board's electoral group that will be used in the trustee distribution calculation.

Once you select your board, a number will be generated, which is the total number of elected trustees for your board. If your board has recently passed a resolution to reduce the number of trustees, you can choose the board's new number of trustees from a drop-down menu.

Option 2: If your board wishes to recalculate its number of elected trustee positions, then you will be taken to a Web page that you can use to determine whether a change in your board's population or area of jurisdiction would allow your board to have more trustees. You will be asked to identify your board name and enter the population of your board's electoral group. When you click on the Next button, the calculator will determine the allowable number of trustees for your board. If the resulting number is greater than the number for 2006 (including trustees ordered by the Minister, if applicable), the greater number is your board's maximum allowable number of trustees.

You will then be guided to the trustee distribution calculator.

Trustee Distribution – Using the Online Calculator

Enter the names of all local municipalities and local municipal wards in your jurisdiction, and their corresponding electoral group population. The calculator will then calculate the electoral quotients. If you indicated that your board has designated one or more low population municipalities, it will also calculate the alternative electoral quotients.

The **electoral quotient** is a number that represents the number of trustee(s) a board can have in a particular geographic area.

The **alternative electoral quotient** is a number that represents an increased electoral quotient for low population municipalities and a decreased electoral quotient for other municipalities. As such, it allows for greater representation to low population municipalities than would be accorded by a strict representation-by-population calculation.

The calculator template can be printed and included in your D&D Report.

The final step is to allocate the trustee positions to geographic areas in your school board by following the rules set out in O. Reg. 412/00:

- Section 6 of O. Reg. 412/00 sets out the distribution provisions for boards that have jurisdiction in only one municipality and for multi-municipality boards that have not designated any low population municipalities.
- Section 7 of O. Reg. 412/00 sets out the distribution provisions for boards that have designated one or more low population municipalities.

To allocate trustee positions, combine the municipalities, municipal wards, and territories without municipal organization to create geographic areas (i.e., clusters). The number of geographic areas cannot exceed the allowable number of trustees.

The sum of the electoral quotients in each geographic area should be as close as possible to a whole number, and the number of trustees allocated to a geographic area should be, as nearly as practicable, the sum of the electoral quotients for that area.

For example, if the sum of the electoral quotients for a geographic area is 1.6, the distribution rules would require the board to look at other possible combinations of municipalities and municipal wards that would result in a quotient closer to a whole number. See the example on page 19.

When clustering municipalities, territories without municipal organization, and municipal wards to create geographic areas, it is also important to think about the demographics of your board's jurisdiction. Consideration could be given to distributing trustee positions in such a way so that the voices of all, including marginalized communities, are heard at the board table.

Municipalities, municipal wards, and territories without municipal organization that make up geographic areas do not need to be adjacent to one another. The board can combine nonadjacent areas throughout the board's jurisdiction.

Any person can make a submission to a board about the establishment of geographic areas. The board is required to take these submissions into consideration in arriving at its decision to form a geographic area (section 58.1 (13) of the Education Act).

You are now ready to prepare your report to present to the board.

Trustee Determination – Manual Calculation Using Templates

If your board will **not** be recalculating its number of elected trustee positions, then your board's number of elected trustees will be:

- the number determined for the purposes of the 2006 election; **or**
- the number determined for the purposes of the 2006 election plus any additional positions ordered by the Minister in 2010 as a result of the isolate board mergers; **or**
- a lower number, in accordance with a resolution passed by the board to reduce the number of elected trustees. The number cannot be lower than five.

Provide this number in your D&D Report.

Recalculating Your Board's Number of Trustees (Optional)

If your board has experienced a change in population or in area of jurisdiction, you may use the steps and templates that follow to calculate whether the determination formula in O. Reg. 412/00 would allow additional trustees. All of the tables from O. Reg. 412/00 that are used in the calculation are reproduced in [Appendix A](#) to this guide.

Step 1:

Find the population of your board's electoral group from your 2018 PEG Report. Enter this figure in Box 1 of the Trustee Determination Template found on page 12 of this guide.

Step 2:

Refer to "Table 1 – Board Areas" in O. Reg. 412/00. Enter your board's area as shown in that table in Box 2.

Step 3:

Divide your board's electoral group population (Box 1) by your board's area (Box 2) to determine your board's density figure. Enter that figure in Box 3.

Step 4:

Refer to "Table 5 – Dispersal Factors" in O. Reg. 412/00. Enter your board's dispersal factor in Box 4.

Step 5:

Refer to "Table 2 – Number of Members Based on Electoral Group Population" in O. Reg. 412/00. Using the population of your board's electoral group (Box 1), enter the corresponding number of trustees based on electoral group population in Box 5.

Step 6:

Refer to "Table 3 – Number of Additional Members Based on Board Density" in O. Reg. 412/00. Using the board density figure (Box 3), enter the corresponding number of additional trustees based on board density in Box 6.

Step 7:

Refer to "Table 4 – Maximum Number of Additional Members Based on Board Density" in O. Reg. 412/00. Using your board area figure (Box 2), enter the maximum number of additional trustees based on board density in Box 7.

Step 8:

In Box 8, enter the lesser of the numbers in Box 6 and Box 7.

Step 9:

Refer to the rules set out in O. Reg. 412/00 regarding dispersal (see dispersal rules in [Appendix B](#)). Using your board's dispersal factor (Box 4), enter the corresponding number of additional trustees based on dispersal in Box 9.

Step 10:

In Box 10, enter the greater of the numbers in Box 8 and Box 9.

Step 11:

Calculate the total of Box 5 plus Box 10 and enter it in Box 11.

Step 12:

Referring to the final day school average daily enrolment (not counting pupils enrolled in Junior Kindergarten) from your board's 2016–17 Financial Statements, take the corresponding figure from "Table 6 – Minimum Number of Members Based on Board Enrolment" found in O. Reg. 412/00 and enter it in Box 12.

Step 13:

Select the greater of the numbers in Box 11 and Box 12. This is the number of your elected trustee positions of your board based on the formula in O. Reg. 412/00.

You have now completed trustee determination and are ready to calculate trustee distribution.

Trustee Distribution – Manual Calculation

Using Templates

If you choose to calculate trustee distribution manually, the following templates and series of steps allow you to calculate your board's electoral quotients and alternative electoral quotients.

There are two templates to choose from:

1. If your board has **not** designated any municipalities within its jurisdiction as low population municipalities, follow the steps and template outlined below under *Trustee Distribution – Template A (Boards with No Low Population Areas)*.
2. If your board **has** designated one or more municipalities within its jurisdiction as low population municipalities, follow the steps and template outlined below under *Trustee Distribution – Template B (Boards with Low Population Municipalities)*.

Template A (Boards with No Low Population Municipalities)

Step 1:

Enter the **total** population of the board's electoral group as Figure A in the *Trustee Distribution – Template A*. This number is provided by MPAC and is identified in Box 1 in the calculations of trustee determination.

Step 2:

Enter the board's number of elected trustees as Figure B. This is the final figure of your trustee determination calculation, including any voluntary reduction of numbers, if applicable.

Step 3:

List all municipalities and/or municipal wards in the area of your board's jurisdiction in Column 1, and enter the corresponding electoral group population in Column 2. The electoral group population figures are contained in your PEG Reports provided by MPAC.

Step 4:

This step determines the electoral quotient for each municipality/municipal ward in your board's jurisdiction. The electoral quotient tells you how many trustees you can have in each municipal ward or municipality. For this step:

- i. multiply the electoral group population figure for each municipality/municipal ward (Column 2) by the total number of elected trustee positions (Figure B);

- ii. divide the above number by the total electoral population group of the school board (Figure A);
- iii. record the calculation, the electoral quotient, in Column 3.

(Repeat for each municipality and/or municipal ward.)

Step 5:

This final step allows you to determine the allocation of trustees to geographic areas in your school board. In most cases, the number of areas listed in Column 1 will be greater than the number of trustees on your board. In order to determine the geographic areas a trustee will represent, combine the municipalities/municipal wards/territories without municipal organization into geographic areas, ensuring that the number of geographic areas does not exceed the allowable number of trustees.

The sum of the electoral quotients in each geographic area should be as close as possible to a whole number. The number of trustees allocated to a geographic area should be as close as possible to the sum of the electoral quotients for that area.

Section 6 of O. Reg. 412/00 sets out the distribution provisions for boards that have jurisdiction in only one municipality and for multi-municipality boards that have not designated any low population municipalities.

**Trustee Distribution – Template A
(Boards with No Low Population Municipalities)**

Population of electoral group = _____ (Figure A)

Total number of elected trustees = _____ (Figure B)

Column 1 Name of Municipality/Ward	Column 2 Electoral Group Population	Column 3 Electoral Quotient

Template B (Boards with Low Population Municipalities)

Step 1:

Enter the **total** electoral population group of the school board as Figure A in the *Trustee Distribution – Template B*. This number is provided by MPAC and is identified in Box 1 in the calculations of trustee determination.

Step 2:

Enter the number of board trustees as Figure B. This is the final figure of your trustee determination calculation, including any voluntary reduction of numbers, if applicable.

Step 3:

Referring to your board resolution, in Chart 1 list all municipalities within your board's jurisdiction that have been designated as low population in Column 1, and their corresponding electoral group population in Column 2. The electoral group population figures are contained in your PEG Reports provided by MPAC.

Step 4:

In Chart 2, list all remaining municipalities in your board's jurisdiction, i.e., those that have **not** been designated as low population municipalities, in Column 1, and their corresponding electoral group population in Column 2.

Step 5:

This step determines the electoral quotient for each municipality/municipal ward in your board's jurisdiction. The electoral quotient is an indicator of the level of trustee representation warranted in a particular municipality based on population and geographic size. For both Chart 1 and Chart 2:

- i. multiply the electoral group population figure for each municipality/municipal ward (Column 2) by the number of board members (Figure B);
- ii. divide the above number by the total electoral population group of the school board (Figure A);
- iii. record the calculation, the electoral quotient, in Column 3.

(Repeat for each municipality and/or municipal ward in Charts 1 and 2.)

Step 6:

This step calculates the alternative quotients for all municipalities within your board's jurisdiction (i.e., both low population and remaining ones).

Using Chart 1 (low population municipalities):

- i. total the electoral group population for all municipalities designated as low population (Column 2) and enter that total as Figure C;
- ii. total the electoral quotients for all municipalities designated as low population (Column 3) and enter that total as Figure D;
- iii. add to the total of electoral quotients (Figure D) the number determined by the board's resolution designating areas as low population municipalities (the number will be either 1 or 2 – refer to your board resolution);
- iv. multiply the number calculated in the previous step by the individual municipality's electoral group population (Column 2) and divide that number by Figure C (the total electoral group population for all municipalities designated as low population);
- v. record the number calculated in Column 4 of Chart 1 – Alternative Quotient.

Using Chart 2 (remaining municipalities):

- i. total the electoral group population for all remaining municipalities (Column 2) and enter that total as Figure E;
- ii. total the electoral quotients in Column 3 and enter that total as Figure F;
- iii. subtract from the total of electoral quotients (Figure F) the number determined by the board's resolution designating municipalities as low population (the number will be either 1 or 2 – refer to your board resolution);
- iv. multiply the number calculated in the previous step by the individual municipality's electoral group population (Column 2) and divide that number by Figure E (the total electoral group population for all municipalities not designated as low population areas);
- v. record the number calculated in Column 4 of Chart 2 – Alternative Quotient.

Step 7:

This final step allows you to allocate the trustee positions to geographic areas in your school board. To determine the allocation, combine the municipalities/municipal wards into geographic areas within each grouping, ensuring that the number of geographic areas does not exceed the allowable number of trustees.

The sum of the electoral quotients in each geographic area should be as close as possible to a whole number. The number of trustees allocated to a geographic area should be as close as possible to the sum of the electoral quotients for that area.

You are now ready to prepare your D&D Report to present to the board.

Column 1 Name of Municipality/Ward	Column 2 Electoral Quotient	Column 3 Sum of Electoral Quotient	Column 4 Geographic Area
Municipality 1 (Ward 1)	0.3	0.94	Area 1 (1 trustee)
Municipality 1 (Ward 2)	0.29		
Municipality 1 (Ward 3)	0.35		
Municipality 2	0.61	1.04	Area 2 (1 trustee)
Municipality 3 (Ward 1)	0.18		
Municipality 3 (Ward 2)	0.25		
Municipality 3 (Ward 3)	0.25	1	Area 3 (1 trustee)
Municipality 3 (Ward 4)	0.24		
Municipality 3 (Ward 5)	0.28		
Municipality 4 (Ward 1)	0.23		
Municipality 4 (Ward 2)	0.13	1.05	Area 4 (1 trustee)
Municipality 4 (Ward 3)	0.19		
Municipality 5 (Ward 1)	0.14		
Municipality 5 (Ward 2)	0.09		
Municipality 6	0.23		
Municipality 7	0.27		
Municipality 8	0.97	0.97	Area 5 (1 trustee)

In the above illustration, a school board has eight municipalities in its area of jurisdiction and five trustee positions. To distribute its trustee positions, the board formed five geographic areas by combining municipalities and municipal wards.

The sum of the electoral quotient for each geographic area is close to a whole number, which represents the number of trustees for that area (Column 3). Further, the number of geographic areas does not exceed the allowable number of trustees – five in this case.

Trustee Determination and Distribution (D&D)

Q. What does trustee D&D mean?

A. Before each general election, the board of trustees of each district school board calculates the number of elected trustee positions on their school board and distributes these positions across the board's area of jurisdiction. This process is known as trustee D&D.

Q. Who is responsible for the D&D process within the jurisdiction of the board?

A. The outgoing board of trustees is responsible for trustee D&D calculations. Using population data received from the Municipal Property Assessment Corporation (MPAC), school boards follow the rules under the Education Act to establish the number of trustee positions on the school board and to allocate the positions to geographic areas within the board.

Q. Why do school boards designate low population municipalities?

A. Designation of low population municipalities allows school boards to provide greater representation to rural or other municipalities than they would otherwise have under a strict representation-by-population approach.

Q. What is dispersal?

A. Many geographically large school boards have schools that are a long distance from the school board office. A dispersal factor is included in the formula for calculating a school board's number of trustees to ensure adequate representation of the school board community in these circumstances.

Q. How is the dispersal factor calculated?

A. The dispersal factor expresses the percentage of elementary schools of the school board located more than 200 kilometres from its central office. The Ministry of Education calculates the dispersal factor value for all school boards and sets it in the regulation (Table 5, O. Reg 412/00).

The dispersal factor value for each school board is calculated according to the following formula:

$$\frac{\text{Number of elementary schools located more than 200 km from school board office} \times 100}{\text{Total number of elementary schools}} = \text{Dispersal factor}$$

Q. Why are the Population of Electoral Group (PEG) Reports significant?

A. PEG Reports reflect the population of the board's electoral group in each local municipality and local municipal ward within its jurisdiction. Boards must use the PEG data to calculate the electoral quotients they use to distribute trustee positions over their territory and, if applicable, for determining whether an increase in the PEG would be sufficient to allow additional trustee positions under the formula in O. Reg. 412/00.

Q. Why do school boards have to wait until February 15 before receiving the PEG Reports?

A. The PEG Reports reflect the population of electoral groups as of January 1, 2018. The gap between January 1 and February 15 is to allow time for the collection of the data and preparation and delivery of reports to each municipality and district school board in the province.

Q. If I have a question about the D&D process, whom can I contact for help?

A. Some municipal clerks may be willing to offer limited assistance to school boards having difficulty completing D&D calculations.

Your local Ministry of Education Regional Office is also available to assist you with your D&D calculations. You may also contact the Leadership, Collaboration and Governance Branch at the Ministry of Education at LDB-DDL@ontario.ca.

School Boards are responsible for determining the geographic allocation of its members, and is required to pass a resolution prior to March 31 of an election year to determine its Trustee Distribution, as well as circulate the Determination and Distribution Report to the designated public authorities.

School Boards are able to designate some of its areas as low population areas to allow appropriate representation for such areas. Staff recommends not to designate any area within Niagara Catholic as a low population area.

The distribution of Trustees by municipality is calculated in accordance with Section 6 of O. Reg. 412/00, and will follow the steps outlined on Page 13-14 of the Trustee Determination and Distribution Guide (Appendix B). The calculation uses the PEG Report as the official document to be used as the population reference to calculate trustee distribution.

To calculate the "Electoral Quotient Grouped by Area" used to determine the number of Trustee per Municipality and by Ward, the below formulae is utilized.

$$\frac{A \times B}{C}$$

A = the Population Electoral Group Representation in a Municipality/Ward

B = the total number of Trustees allocated to the Board

C = the total Population Electoral Group Representation in the jurisdiction of the Board

- a = the population of the board's electoral group resident in the municipality or ward, as reported under subsection 2 (3),
 - b = the number calculated under paragraph 4 or 5, as the case may be, and

ATTENDANCE AREA REVIEW – HOLY CROSS CATHOLIC SECONDARY SCHOOL AND SAINT FRANCIS CATHOLIC SECONDARY SCHOOL

BACKGROUND INFORMATION

As a result of the St. Catharines Elementary and Secondary Ad Hoc Attendance Area Review a number of elementary attendance boundaries were changed through Board approved motions on December 17, 2013. Boundary descriptions were updated for clarity and approved by the Board on February 25, 2014.

The schools included in the review were Michael J. Brenan Catholic Elementary School, St. James Catholic Elementary School, Assumption Catholic Elementary School, St. Alfred Catholic Elementary School, St. Ann Catholic Elementary School, Canadian Martyrs Catholic Elementary School and Our Lady of Fatima Catholic Elementary School.

One of the motions supported a boundary change to St. James Catholic Elementary School and Our Lady of Fatima Catholic Elementary School in the area north of Linwell Rd between Walker Road and Vine Street and east of Vine Street between Linwell Road and the extension of Rosemount Avenue.

Students who live in this area would attend St. James Catholic Elementary School but then live in the Holy Cross Catholic Secondary School boundary.

According to Niagara Student Transportation Services there are currently no students living in the area who attend elementary schools within the Niagara Catholic District School Board.

ATTENDANCE AREA REVIEW – ST. ALEXANDER CATHOLIC ELEMENTARY SCHOOL AND ST. KEVIN CATHOLIC ELEMENTARY SCHOOL

BACKGROUND INFORMATION

At the May 24, 2016 Board Meeting, the Niagara Catholic District School Board approved the Long-Term Accommodation Plan, 2016-2021 in an effort to address changing demographics and optimize utilization in all Board facilities.

The Long-Term Accommodation Plan contained a number of recommendations to address accommodation issues that exist throughout the Board. The recommendations were provided for consideration by the Board in the short term (September 2016 – June 2018), medium term (September 2018 – June 2020), and long term (September 2020 – June 2021).

One of the short term recommendations was for community partnerships to be pursued for St. Kevin Catholic Elementary School.

St. Kevin Catholic Elementary School was highlighted as a school available for partnerships at two Community Planning and Partnerships meetings held on November 30, 2016 and December 13, 2017. To date, there has been no interest.

St. Kevin Catholic Elementary School has an on-the-ground capacity of 423 students. Current enrolment is 349; utilization is 82%. According to updated projections, the enrolment projected to decrease each year for the foreseeable future. The school is expected to reach a decrease to a utilization rate of 70% by 2024-2025 followed by a slight increase, and subsequently plateauing at 74% by 2028-2029.

St. Alexander Catholic Elementary School has an on-the-ground capacity of 423 students. Currently there are 385 students attending the school; the utilization rate is 91%. According to updated projections, the enrolment is still projected to increase at St. Alexander Catholic Elementary school to 129% by 2031-2032.

Merritt Meadows and Hansler Heights Developments

Two new subdivisions in the municipality of Thorold, on the boundary of Welland are in various stages of construction and development. There are projected to be 60 students from these developments who will attend Niagara Catholic District School Board schools. Currently, both developments are within the St. Alexander Catholic Elementary School catchment area.

The Merritt Meadows subdivision borders the Welland Fairgrounds, Merritt Road, Hansler Road and St. Lawrence Drive. The first phase of the development has been sold out; the second phase is 75% sold out and will be built by 2019, and phase 3 is planned to be completed by 2020. There are currently four elementary and seven secondary Niagara Catholic students living in the Merritt Meadows development. There are currently no elementary students in the area attending St. Alexander Catholic Elementary School. All seven secondary students are attending Notre Dame College School.

The Hansler Heights subdivision is bounded by Merritt Road, Grisdale Road, Towpath Road and Hansler Road. Development has been finalized and building permits are being issued.

SPOTLIGHT ON NIAGARA CATHOLIC – FEBRUARY 27, 2018**

February 27, 2018

Trustees Approve Policies

Trustees approved five policies during the February 27 Board meeting.

The Records and Information Policy (600.2), Niagara Catholic Education Award of Distinction Policy (100.7), Assignment of Principals and Vice-Principals Policy (202.1), Employee Attendance During Inclement Weather & Workplace Closure Policy (201.9) and Nutrition Policy (302.7) are available to the public [here](#).

Trustees Approve 2018-2019 School Year Calendar

During the February 27 Board Meeting, trustees approved a draft copy of the 2018-2019 School Year Calendar. The consultation process provided elementary and secondary principals, vice-principals and Catholic School Council Chairs with a copy of the draft calendar, as well as the Niagara Catholic Parent Involvement Committee (NCPIC), the Special Education Advisory Committee (SEAC), OCETA Elementary and Secondary Units, the CUPE local president and the Student Achievement Department.

Key dates in the draft calendar are:

First day of school: Monday, September 3

Christmas Break – December 24 – January 4

March Break – March 11-15

The Board-approved calendar will be sent to the Ministry of Education for final approval, and will be posted on the Board website for families to review. It will be replaced by the Ministry-approved calendar later this spring.

School Excellence Program – St. Denis Catholic Elementary School

St. Denis Catholic Elementary School was in the spotlight at the February 27 Board Meeting. During the meeting, students treated Senior Staff and trustees with a ukulele performance, Principal Kevin Lamb spoke about how important St. Denis Catholic is to the community, teacher Stephanie MacSporran spoke about the school's investment in new technology and 21st century learning and students presented trustees and Senior Staff with bookmarks made from pressed flowers from the school's garden club.

Niagara Catholic, DSBN, Explore Joint-Use School in Wainfleet

Niagara Catholic is exploring the option of supporting a joint-use elementary school, which would bring together St. Elizabeth Catholic Elementary School, Winger Public School and William E. Brown Public School in Wainfleet.

The request to explore the possibility of a single, joint-use school was made by the District School Board of Niagara, as both boards have schools in Wainfleet which are facing declining enrolment and low capacity. St. Elizabeth Catholic currently has 96 students, far below its projected enrolment of 120 students, which would be about 64 per cent of its capacity of 187 pupils. Current capacity is 51 per cent.

The operations and maintenance cost at St. Elizabeth Catholic was \$192,000 in 2016-2017, a cost of \$1,815 per student, nearly double the average of per-student cost for operations and maintenance throughout the Board. Utilities cost \$50,000 in the same year, with a per-student cost of \$503, more than double the cost of \$213 across the Board.

Overall, the cost of operating the surplus spaces at St. Elizabeth Catholic cost \$64,000 last year. That figure is expected to rise to \$88,000 this year, based on 91 surplus pupil spaces.

Parents in the St. Elizabeth Catholic Elementary School community were invited to a community consultation meeting at St. Elizabeth on February 15, and were given until February 21 to provide input.

Comments made during the February 15 meeting – and the responses – are available in section C1 of the [February 27 agenda](#).

Elections Ontario has launched a voter registration drive, promoting e-Registration across the province to improve the accuracy of the Voters List. We encourage all of our readers – yes, even if you are already registered to vote – to go online to confirm, update or add information, at elections.on.ca.

WEEKLY ROUNDUP

HEALTHY SCRATCH – And then there were 55. That’s the number of Liberal MPPs left in their caucus – just one above the threshold for a majority government – after Health Minister **Eric Hoskins** abruptly resigned this week. (Hoskins’ departure leaves four empty seats – two Liberal and two NDP. With only 103 MPPs now at Queen’s Park, the Liberal majority is safe until June’s election.) Hoskins gave up both his cabinet post and his St. Paul’s seat to head up a national pharmacare program, as announced in Tuesday’s federal Budget. If Premier **Kathleen Wynne** was upset (or surprised) about Hoskins leaving she didn’t show it, praising him as “one of the most vocal advocates for our universal health care system” and a driving force in OHIP+, the province’s free drugs program Hoskins will now be looking to expand nationally. Wynne named **Helena Jaczek** to replace him as Health Minister, with **Michael Coteau** taking over the Community and Social Services portfolio on top of his existing Children and Youth Services and Anti-Racism duties.

FLAVOUR OF THE WEEK – There’s an old saying that a week can be a lifetime in politics, which very much applies to Ontario as PC members vote for their new leader over the next seven days. Voting will run until next Thursday, with the results announced two days

later on March 10. The four candidates (less **Patrick Brown**, who bailed this week – see below) will frantically push their known supporters to cast online votes, as well as providing instructions on whom they should favour as second and third choices on the ranked ballots. “Voting parties” are being organized in various ridings, with the candidates supplying computers, scanners and assistance to help navigate through what is a multi-step process of uploading ID, obtaining individual PINs and then submitting votes. (*Vote-counting* also requires an advanced mathematics degree, with results from each of the province’s 124 ridings being weighted so they have equal value, and the last-place finisher on each ballot having their second- and third-choice votes distributed to the other candidates until one has a majority of support.) As if this wasn’t convoluted enough, former MPP **Frank Klees** – who is supporting **Doug Ford** in the leadership – upped the pressure by publicly complaining about the online registration process. Klees told the *National Post* about problems with the secret codes sent to registered voters – which had Os appearing as zeros, Zs as twos and Ls as ones – surmising it could stymie 75% of members. “If they think they’ve had problems in the last four weeks, they’ve seen nothing yet,” Klees growled, suggesting that the party executive should resign if the glitches interfere with the final vote tally.

FADE TO BROWN – “You simply cannot shoot on two nets at the same time.” With those words, fittingly from someone known as a rabid sports fan, Patrick Brown’s strange odyssey in provincial politics seemingly came to its end. Brown may someday be back, and his trail of questionable behaviour will continue to generate news, but for now he is permanently the ex-PC Leader. Brown abandoned his bid to regain the party leadership, the latest in a series of dizzying swerves that saw him abdicate the party helm amid sexual misconduct allegations then join the leadership race to succeed himself. Ultimately Brown shut it all down again, citing the difficulty of running a campaign while simultaneously working to clear his name. Hence the “two nets” analogy, although in truth it was five or six nets, with Brown also facing an investigation by the Integrity Commissioner over his personal finances, ongoing disputes about the state of the party’s membership lists and fundraising, and implications he interfered with riding nominations. Publicly, Brown bowed out because his ongoing candidacy was admittedly a “distraction” in both the leadership race and the coming provincial election, and because the criticism was affecting people close to him. “My political adversaries, collaborating with the media through an endless supply of rumours and innuendo, will stop at nothing to preserve their own self interests as long as I am in the race,” Brown wrote in a long resignation letter. “They are no longer just targeting me. They are now targeting my friends and family. I can take a punch but it stings when it is unfairly directed at the people I love instead of at me.” Darker whispers suggest Brown actually called it quits more because he wanted to curtail the increasing scrutiny into his personal affairs.

CRANK CALL – It’s bad enough for Brown that he had to bail from the leadership, but adding to the indignity is that much of the dirty laundry is being aired publicly. On the January night when CTV ran its story of two anonymous women accusing Brown of sexual impropriety, at least 20 members of the Tory caucus gathered by conference call to discuss the future of their leader. It wasn’t pretty. *Macleans* this week published an in-depth summary of the call, and it is a fascinating read, including such gems as PC Whip **John Yakubuski** offering, “We would be

facing 1993 for the federal Conservatives [when the party was reduced to two seats] if Patrick leads us in this campaign,” and an impatient **Jeff Yurek** insisting, “we’re just mollycoddling around trying to make the right decision. We need to act now.” What they didn’t know, until partway through the call, was that Brown himself was on the line. That got awkward in a hurry, with Brown pleading to wait until morning to make a decision. **Randy Hillier** quashes the idea with a terse, “Your team has vacated you, Patrick.” Read the entire *Macleans* story [here](#).

LEFT LANE – With Brown’s departure comes the hope of some semblance of normalcy around Queen’s Park, but the PC leadership race continues to dwarf all other issues. NDP Leader **Andrea Horwath** has opted to break away from it all, eschewing the Legislature for a two-week tour across the province. “Let’s face it, you get drawn to things like a train wreck, it doesn’t necessarily mean you want to be in it,” she quipped of her decision to leave the scene. It was one of her most memorable quotes in a long time, giving New Democrats hope Horwath is finding her voice after an often lacklustre performance. Adding to that new boldness, Horwath kicked off the pre-campaign tour with a description of how she wants to be perceived: “I’m the scrappy third party leader and I’ve been around for a while.” Horwath also announced this week that her Chief of Staff and campaign director **Michael Balagus** has been reinstated. He was sidelined by accusations of negligence around sexual harassment allegations when he was a senior advisor in the Manitoba government, but Horwath issued a statement this week that she is satisfied he recognizes his errors and is now “confident in Michael’s ability to lead our team.”

MORNEAU OR LESS – With Liberals in power both in Ottawa and Queen’s Park, Budget Day isn’t the slugfest it used to be. Aside from the national pharmacare program that pried Hoskins from Queen’s Park, this week’s fiscal report from federal Finance Minister **Bill Morneau** didn’t contain much that would send Ontarians into a tizzy one way or another. What it does do, however, is start the clock ticking for the Ontario Budget. Provincial Finance Minister **Charles Sousa** hasn’t dropped any hints about a date, although he has been booked to speak to the Economic Club of Canada on March 7, fuelling speculation his Budget – the unofficial launch of the Liberals’ re-election campaign – will be delivered before the end of the month. This week the Legislature checked off another box in the process, receiving the report of the Finance and Economic Affairs Committee on pre-Budget consultations, which included public hearings in six cities, 123 presentations and more than 80 written submissions.

A FOND ADIEU – A generation of Queen’s Parkers are mourning the loss of long-serving PC MPP **Noble Villeneuve**, who passed away this week at the age of 79. Villeneuve represented the riding of Stormount-Dundas-Glengarry from 1983 to 1999, and served as a cabinet minister in the Miller and Harris governments. He was regarded as a true gentleman – an old school politician who was well-regarded by members of all three parties. His daughter Roxane continues the family’s political tradition, and was the PC candidate in his old riding in 2014.

RUMOURS AND RUMBLINGS

ST. PAUL’S CALLS

With the departure of St. Paul's MPP **Eric Hoskins**, the rumour mill immediately revved up about who might run in the now-incumbentless riding. Inevitably, speculation is ramping up that PC leadership candidate **Christine Elliott** will run there. Elliott was previously an MPP in Whitby, but now lives downtown and will need to find a seat. Insiders say a nomination sheet for Elliott in St. Paul's is being circulated for signatures – although it's still not clear whether she will run in June's election if she is unsuccessful in her leadership bid. Meanwhile at Toronto City Hall, reliable sources say Premier **Kathleen Wynne** has asked City Councillor **Josh Matlow** to run for the Liberals. (Matlow has been a LIB candidate in the past, running as a sacrificial lamb against then-Premier **Ernie Eves** in the Dufferin-Peel-Wellington-Grey by-election when Eves came out of retirement in 2002. Matlow was 26 at the time.) The potential of a PC Leader running against a popular City Councillor would make St. Paul's one of the most watched battles in the province.

IN THE HOUSE

- No new government bills were introduced this week.

FOR THE RECORD

“Knowing what I know today, I would have acted differently as chief of staff. I apologize to my friends and family for the anguish I have put them through. I regret the time and money that has been required to investigate and prosecute this case, and I apologize to all my colleagues for the strain of direct or indirect involvement in this trial.”

- **David Livingston**, the former senior Liberal aide convicted of illegally destroying government records, at his sentencing hearing. The Crown argued for a six-month jail term, Livingston's defence called for a conditional discharge; Judge **Timothy Lipson** has reserved his decision until April 11.

“The chips are going to fall March 10. And we'll have to pick up those chips and try and make the best of it behind our new leader and move forward into the election.”

- PC MPP **Todd Smith**, philosophical about the divisiveness of the PC leadership race.

“This is bad for all of us. If General Motors' marketing plan was ‘Fords crash and will kill you,’ that's bad for the entire car industry. Well, this is bad for politics.”

- Unnamed “high-ranking Liberal insider” quoted by the *Toronto Star*, suggesting the other parties are not revelling in the PCs' tribulations. Liberal campaign co-chair **Deb Matthews** agreed, offering, “I don't think anybody is enjoying this.”
-

“You’d think, with 14 million people — nearly 40 per cent of all Canadians — some honourable and talented women or men would emerge as political leaders. But look at what we have instead. Have our political leaders ever been quite as pathetic and disappointing as they are now?”

- Former NDP National Director **Gerald Caplan**, in a *Globe and Mail* column where he took swipes at Premier **Kathleen Wynne**, NDP Leader **Andrea Horwath**, all contenders for the PC Party leadership, Toronto Mayor **John Tory**, federal NDP Leader **Jagmeet Singh** and Prime Minister **Justin Trudeau**. Although the latter hails from Quebec, Caplan wrote that Trudeau “feels like an Ontario boy.”
