REPORT TO THE COMMITTEE OF THE WHOLE JUNE 9, 2020

THE PROVISIONS OF SPECIAL EDUCATION PROGRAMS AND SERVICES – SPECIAL EDUCATION PLAN REVISIONS

BACKGROUND INFORMATION

The Ministry of Education requires district school boards to publicly make available a comprehensive report regarding the current special education programs and services of the Board. *Building Bridges to Services 2020 and Beyond* is our Board's current version of the Ministry of Education mandated Special Education Plan that includes the components that are defined in *Special Education in Ontario Kindergarten to Grade 12 Policy and Resource Guide 2017* as well as the protocols established in Policy and Program Memorandum 149.

In compliance with *Regulation 464/97*, Student Support staff consults with the Niagara Catholic Special Education Advisory Committee (SEAC) in the preparation and update of the Special Education Plan. Appendix A lists the revisions, as approved by the Special Education Advisory Committee at the SEAC meeting of June 3, 2020, that will be incorporated into the current Special Education Plan.

A checklist that notes the plan's component parts, updated sections and the URL leading to the Special Education Plan on our Board's website is annually completed and submitted to the London Regional Education Office by July 31st each year. Once all revisions are finalized, the 2020 Plan will be available to access through Niagara Catholic's website.

The Niagara Catholic District School Board recognizes that the updated Special Education Plan, *Building Bridges to Services 2020 and Beyond* is a valuable resource to students, parents, school and Board staff. In the fall of each year, the revised Special Education Plan is accessible via our Niagara Catholic District School Board website.

DRAFT BOARD AND COMMITTEE MEETING DATES CALENDAR 2020-2021

BACKGROUND INFORMATION

At the February 25, 2020 Board Meeting, the Board approved the 2020-2021 School Year Calendar for submission to the Ministry of Education.

Annually, staff utilizes the approved Board and Ministry of Education school year calendar to design the Board School Year Calendar and Meeting Dates along with a calendar of dates for school and system activities, celebrations, events, faith formation, meetings and professional development.

In compliance with the Niagara Catholic District School Board By-Laws on Annual Organizational Meeting (Section 7), Regular Meetings of the Board (Section 8) and Committee Meetings (Section 19), meeting date recommendations from the Niagara Catholic Parent Involvement Committee (NCPIC), the Special Education Advisory Committee (SEAC) and the Audit Committee along with historical annual meeting date adjustments for the Committee of the Whole and Board Meetings in December and June, a draft Board and Committee Meeting Dates Calendar 2020-2021 is presented for the consideration of the Committee of the Whole (Appendix B).

When the Board approves the Board and Committee Meeting Dates Calendar 2020-2021, and upon approval by the Ministry of Education that the 2020-2021 “school year calendar submission for your elementary and secondary schools meets the requirements of Sections 2, 3 and 4 of *Regulation 304 – School Year Calendar, Professional Activity Days*”, staff will place a copy on Board websites, notify Board Committees and staff, produce a Board Meeting Dates Calendar for each school and a Board and Committee Meeting Dates Calendar 2020-2021 for distribution to all families.

Webinar: Understanding and Managing Behaviour – Presented by Niagara Catholic Student Support Services

- Understanding student behaviour and having a plan to respond *effectively* and *proactively* to behaviour can make a significant impact in improving student outcomes and the overall classroom climate. The Student Support department is offering a presentation that will provide educators with an overview of the theory and fundamentals of Behaviour Management Systems. The content in the presentation will outline how student behaviour stems from relationships that the student has in a variety of environments. The information shared in this presentation is aligned with the theoretical content of Behaviour Management Systems Training. Although there is no certification associated with this presentation, this presentation is excellent for all Classroom Teachers and Early Childhood Educators who have not formal BMS training. It will provide educators with an understanding of student behaviour as well as supports for developing proactive plans and responses to maximize behavioural success for their students.

REPORT TO THE COMMITTEE OF THE WHOLE JUNE 9, 2020

LIVE STREAMING AND MODERNIZATION PROJECT – FATHER BURNS CSC BOARD ROOM AND HOLY CROSS COMMUNITY ROOM

BACKGROUND INFORMATION

In fiscal 2018-2019 an initiative was launched to complete a comprehensive review of our current audio visual (AV) system for both the Father Burns csc Board room and the Holy Cross Community Room. A decision to begin sourcing an AV consultant and provide pricing to modernize both these rooms was agreed upon by Senior Administration. This decision was in response to our existing AV equipment, which has become completely antiquated, cumbersome and ineffective. Niagara Catholic has reached a point whereby our ability to repair or replacement the current audio equipment is no longer an option. With effective technological equipment often having a shorten life cycle, some of our current equipment is well over twenty-five years old.

The latest audio visual technology and systems are much easier to use, offer more connection options, improve collaboration and increase productivity. In short, a good AV system should be fully integrated into the room. A boardroom with an integrated AV system solution will work seamlessly for internal staff, Board of Trustees, guests and external stakeholders alike.

As part of this process, at the February 25, 2020 Board meeting, the Board of Trustees approved the motion below to include the pricing of live streaming capabilities for all public meetings at Niagara Catholic.

“THAT be it resolved the Board of Trustees give direction to the Secretary of the Board and Director of Education to provide a detailed plan for the purpose of increasing transparency through providing live streaming capabilities for all public meetings at Niagara Catholic District School Board. The Secretary is to report back to the Board of Trustees no later than April 28, 2020 with the costs associated with supply/installation/storage and hosting the live streaming service for the Board’s consideration.”

The ability to effectively achieve live streaming capabilities for our public audience must entail a comprehensive investment in a new software platform and improvements to our current audio and visual systems at the same time. Implementing only live streaming for our public would result in a suboptimal solution with our current audio and visual system.

The funding for this project that improves our audio visual system and any renovations required will be funding through proceeds of disposition (POD) – Admin. These funds are earmarked by the Ministry of Education solely for the use of capital projects for improvements of our administrative buildings.

In response to the above motion, the estimated cost associated with live streaming is approximately \$5,000 and the complete upgrade of our AV system is estimated at approximately \$80,000 - \$100,000.

The Live Streaming and Modernization Project – Father Burns csc Board Room and Holy Cross Community Room is presented for information.

ACCOUNTABILITY FINANCIAL REPORT 2019-2020 – AS OF MAY 31, 2020

BACKGROUND INFORMATION

Closure of Schools

The Provincial announcement of school closures due to the CoVid19 pandemic crisis has been unprecedented and an adjustment for Niagara Catholic.

Regulation Amendment for Deferral of Education Property Taxes for 2020

Further to the announcement made by the Minister of Finance in *Ontario's Action Plan: Responding to Covid-19 (March 2020 Economic and Fiscal Update)* to defer the quarterly (June 30, 2020) remittance of education property tax to school boards by 90 days, a new regulation under the *Education Act* titled "Extension of Instalment Due Dates" has been made to extend the due dates for the upcoming two education property tax installments:

- The June 30, 2020 installment is now due on or before September 30, 2020;
- The September 30, 2020 installment is now due on or before December 31, 2020;

To mitigate the financial impact of this deferral on school boards, the province will adjust its cash flow schedule to school boards to offset this deferral. The ministry will rebalance the School Board Operating Grant (SBOG) payments by increasing the SBOG payments in June 2020 and reducing the SBOG payments starting January 2021 until the advance payment is fully recovered.

The additional cash payments resulting from this schedule adjustment will be flowed to boards as a separate payment in June 2020. The additional amount will be equal to about 25% of the annual education property tax amount as forecasted by the school board in 2019-20 Revised Estimates.

Provided below is a summary of potential savings and costs associated with this closure period.

Savings:

The announcement and direction by the Ministry of Education to continue payments for average occasional staff replacement costs until April 4, 2020 was processed and completed. The savings

attributed to replacement costs will begin post April 4, 2020 and continue until through the 2019-2020 school year. With replacement costs at Niagara Catholic attributed to approximately \$40,000 per instructional day. The anticipated savings will be used to support distance learning and several projects to support the technological infrastructure to improve the learning environment for staff and students.

Attendance comparison between school years:

ILLNESS CODE	MONTH MAY 2019	MONTH MAY 2020	YTD MAY 2018-2019	YTD MAY 2019-2020
All Staff	2,736	468	22,667	15,101
OECTA	902	22	9,570	5,443
CUPE	1,453	203	11,449	8,400
OTHER	382	243	1,648	1,258

Some key initiative and projects for this fiscal year will continue and are as follows:

- 1) Replacement and refresh of approximately 208 - 2020 latest generation iMac Desktop computers for each secondary school.
- 2) Refresh and additional wireless access points (WAPs) for all our elementary schools
- 3) Additional endpoint devices for kindergarten and primary division
- 4) Expansion of virtual desktop technology for all staff

Forecasted utility costs are expected to decline as well. With school closures and little use of our facilities we expected a savings in water, electricity and gas.

The transportation consortium is continuing to pay bus drives during this closure. However, a savings of approximately 12% of our expenditures are expected for fuel charges.

We have no direction from the Ministry of Education as to our direction with respect to any savings accumulated during this closure period.

New Costs:

Costs continue to increase associated with our current capacity to provide home technology and software licensing for staff and students. In addition, expansion of cloud storage for increased demand for virtual desktop infrastructure for essential staff.

Investment in endpoint devices for students that need support and deployment of Niagara Catholic devices to families to continue the distance learning for the month of April.

We are tracking all costs associated with this pandemic for the Ministry of Education.

SPOTLIGHT ON NIAGARA CATHOLIC – MAY 26, 2020**

May 26, 2020

The May 26 Board Meeting was held electronically, due to the COVID-19 school closures. All Committee of the Whole and Board Meetings will take place electronically until further notice. As they are public meetings, the public is provided with public access numbers to listen into meetings by teleconference.

Catholic Elementary School in Thorold to be Renamed

Niagara Catholic continues to await approval from the Ministry of Education for a \$5-million addition to Monsignor Clancy Catholic Elementary School. The addition of 104 pupil places and 49 child care spaces will allow for the consolidation of St. Charles and Monsignor Clancy Catholic Elementary Schools.

However, Niagara Catholic continues to move forward with plans to consolidate the school, and trustees have approved a new name for the consolidated school. Once built, the consolidated school will be renamed *Our Lady of the Holy Rosary Catholic Elementary School*, matching the name of the Catholic parish in the community. The new chapel at the school will be named the St. Charles Chapel, and the library information centre will be named the Monsignor Clancy Library Information Centre.

The proposed name was selected in accordance with the Board's Naming or Renaming of a Board Facility policy.

Occupancy is currently planned for Fall, 2021.

2020-2021 System Priorities Approved

During the May 26 Board Meeting, trustees approved the 2020-2021 System Priorities.

This year's recommendations focus on enhancing safe and accepting schools, student engagement and student success, enhanced communication within the home-school-church triad, ensuring our schools have access to technology at school, facilitating health, wellness and safety programs for staff, and maintaining sound fiscal management. The complete report is available in section A 6.1.4 of the [May 26 Board Meeting Agenda](#).

National and Provincial Medalists Recognized

It's an annual tradition at Niagara Catholic. As the year end approaches, our students who have received national and provincial recognition for academics, athletics or technology are recognized at the end-of-year meetings.

Normally, students would be in attendance to be recognized in person, and to receive their respective pin. This year is different, of course, so we are pleased to recognize the following national and provincial award winners.

THE TERRY FOX FOUNDATION**

Mr. John Crocco
Director of Education
Niagara Catholic District School Board

Dear John,

Good news is something to celebrate. The results from our 2019 Terry Fox School Run are in and we are pleased to announce that Niagara Catholic District School Board's family of schools raised an incredible **\$53,571.80** for cancer research. A detailed donation report is attached for your viewing. We really can't thank you enough for support of The Terry Fox Foundation, helping us make great strides in the fight against cancer.

In 1980, Terry Fox set out on a mission to transform his dream, to find a cure for cancer, into reality. It takes enormous strength to conquer an obstacle as big as cancer. Terry never faltered in his determination and perseverance and we are honoured to see Niagara Catholic District School Board's family of schools bring the same strength and spirit to this fight. For 40 years, Terry Foxers have amazed us with their passion, raising over \$800 million dollars for cancer research. These vital funds are accelerating precision medicine approaches and connecting field researchers in ways never thought possible under the Marathon of Hope Cancer Centres network.

As we approach the 40th anniversary of Terry's Run, in this uncertain time, we hope you will take inspiration from Terry's shining example of hope, resilience, and determination. The road ahead may be unknown and unlike any we have ever been on, but together, we will take it one step at a time – just as Terry did.

Best Regards,
Ontario School Program
