

June Farewell!

A Summer Blessing... Walking With God

May you walk with God this summer... in whatever you do and wherever you go.

Walking with God means... Walking with honesty and with courage,

Walking with love and respect... and concern for the feelings of others.

May you talk to God this summer and every day and in every situation.

Talking with God means...Praying words of praise; for the beauty of creation.

Saying prayers of thanks for friends and good times.

Asking God's help in all your decisions;

Expressing sorrow when you have failed.

May you walk with God and talk with God every day. Amen.

A Fond Farewell...

As this school year closes, we will say farewell to several staff who have been an important part of our St. Charles' family. We wish each of them joy, happiness and God's blessings as they begin a new journey in their teaching careers and their life journey.

Mrs. DelFrate's vocation began 33 years ago. She joined the St. Charles' family, 17 years ago and she is retiring having made a difference to the students she taught, and the colleagues she worked with. Most recently, she nurtured, cared and supported our kinder students. Mrs. DelFrate, your calming ways never waver; thank you for the many years of service, your commitment to St. Charles and to Catholic Education.

Mrs. Roberto, also known as Miss Rachel, spent her days at St. Charles doing what she does best - making sure I stay organized! In between the ringing doorbell and the phone calls, she never hesitated to take care of our little ones. The ice machine was always fully stocked for those mini emergencies, for when ice makes everything better. Mrs. Roberto, we wish you much happiness and health as your life journey continues!

Mrs. Rogers joined us this year as a teaching partner to Ms. Sacco in kindergarten. She brought to our school a faith-filled commitment to see each student for all that they are and all that they can be. Thank you Mrs. Rogers, for your kindness and for sharing your gifts with students and staff!

Ms. Grossi and Mrs. Aubin, are two of our extraordinary early childhood educators! Their commitment to our little Penguins is unwavering. They celebrated their joys and supported their frustrations, with kindness and compassion. Thank you Ms. Grossi and Mrs. Aubin, for knowing just what to do and just what to say, when our little ones were in the red, blue, yellow or green zone!

Regardless of where all these individuals are, St. Charles will always be their family, their home away from home. Our door will always be open! A heartfelt thank you to all of you!

A Warm Welcome...

We warmly welcome Mr. Zanuttini, as St. Charles' new principal! Mr. Zanuttini brings a wealth of knowledge and expertise with him as well as dedication and commitment to the students of Niagara Catholic. I am confident that Mr. Zanuttini will enjoy being a part of the St. Charles' family, just as I have over the last five years. Mr. Zanuttini, you will soon come to realize the blessings that St. Charles and Monsignor Clancy have to offer!

We are proud to be a part of the Denis Morris Family of Schools.

Thank You....

In reflecting back on the year, we cannot help but be grateful. It has been a year like none other. We 'survived' and we succeeded. As the end of this school year approaches, we would like to thank each of you for all of the little and not so little ways that you have helped our St. Charles family. It is said that it takes a village to raise a child, and our school community graciously shares in the responsibility, growth and development of each of our students. We thank you for always being available, for saying yes to our requests, and most especially for the gift of trust. This year your virtual support made a difference not only to your children and to the staff as well! We appreciated your helping hands and open hearts for all of our students.

Thank you to all members of our St. Charles and Monsignor Clancy Catholic School Council, who have served this school year. We are grateful for your time, organization and vision for students in both buildings!

To all of our Grade 3 students who are moving on to Grade 4, continue to strive to always choose kindness and to be your very best. You have created many special memories and friendships at St. Charles! We look forward to seeing the great things you will achieve at Monsignor Clancy Catholic School.

To Mr. Trainor and the staff at Monsignor Clancy School, thank you for accepting our grade threes with open arms and willing hearts. Your continued partnership and support of our students is a true blessing! Mr. Trainor, thank you for your tireless commitment to our one community!

This school year, the families of St. Charles and Monsignor Clancy Catholic Schools have continued to work together to support, care and nurture all students. As this school year ends, we look to next year to continue to strengthen the communication and activities between our two buildings. We are one community with children in two locations working to achieve the best for all of our students and families. We thank our community for being so welcoming and open to our endeavors. As the process of becoming one family under one roof continues, you will no doubt will feel the excitement grow!

Have a safe and blessed summer vacation, with family, and friends and God by your side!

Mrs. Walsh
