REPORT TO THE COMMITTEE OF THE WHOLE JUNE 8, 2021

THE PROVISIONS OF SPECIAL EDUCATION PROGRAMS AND SERVICES – SPECIAL EDUCATION PLAN REVISIONS

BACKGROUND INFORMATION

The Ministry of Education requires district school boards to publicly make available a comprehensive report regarding the current special education programs and services of the Board. *Building Bridges to Services 2021 and Beyond* is our Board's current version of the Ministry of Education mandated Special Education Plan that includes the components that are defined in *Special Education in Ontario Kindergarten to Grade 12 Policy and Resource Guide 2017* as well as the protocols established in Policy and Program Memorandum 149.

In compliance with *Regulation 464/97*, Student Support staff consults with the Niagara Catholic Special Education Advisory Committee (SEAC) in the preparation and update of the Special Education Plan. Appendix A lists the revisions, as approved by the Special Education Advisory Committee at the SEAC meeting of June 2, 2021, that will be incorporated into the current Special Education Plan.

A checklist that notes the plan's component parts, updated sections and the URL leading to the Special Education Plan on our Board's website is annually completed and submitted to the London Regional Education Office by July 31st each year. Once all revisions are finalized, the 2021 Plan will be available to access through Niagara Catholic's website.

The Niagara Catholic District School Board recognizes that the updated Special Education Plan, *Building Bridges to Services 2021 and Beyond* is a valuable resource to students, parents, school and Board staff. In the fall of each year, the revised Special Education Plan is accessible via our Niagara Catholic District School Board website.
