NIAGARA CATHOLIC
DISTRICT SCHOOL BOARD

OLV Families and Friends,

At this time of Christmas our most vulnerable members of our community are in the most need of basic necessities such as Food, Clothing and Personal Hygiene products. Our community has always been very supportive of the needs of others and this Christmas we are focusing our efforts towards supporting the Personal Hygiene Bank at St. Michael's Church. We are conducting a version of the 12 Days of Christmas with each class being responsible for the collection of an item on the highest needs list. For 12 days from Monday December 4th until Tuesday December 19th we will be collecting items in the classrooms as identified below. Families are encouraged to contribute to any of the 12 days collection as they can.
