Principal's Message

As we begin the month of February, we continue to refer to the Catholic Graduate Expectations and Virtues as reference points in strengthening our relationship with Christ. This month, staff and students will be emphasizing the importance of being a collaborative member of a Catholic school community. We will be encouraging our students to co-operate with others in achieving common goals and in contributing towards the common good of our community. This month, staff and students will also be emphasizing the importance of extending compassion to others. We call upon our students to consider ways in which they can show compassion through their actions and words. Showing our care and consideration for all members of our Catholic school community is integral in answering Christ's call of service and discipleship.

J. Tornabuono

February Prayer

Father,

Thank you for your great love and blessing over our lives. Thank you that your favour has no end, but it lasts for our entire lifetime. Forgive us for sometimes forgetting that you are intimately acquainted with all of our ways, that you know what concerns us, and you cover us as with a shield. We ask that we would walk in

your blessing and goodness today. That your face would shine on us. That you would open the right doors for our lives and for our loved ones. Establish the work of our hands and bring to fulfillment all that you have given us to do in these days. We pray that you would make our way purposeful and our footsteps firm out of your goodness and love. Give us a heart of wisdom to hear your voice, and make us strong by your huge favor and grace. In Jesus' name, Amen

Term I Report Cards

Your child will be receiving their first term provincial report card on Feb. 13, 2024. Student report cards will be posted on the parent portal and will be available in hard copy. If you have any questions or concerns please do not hesitate to contact your child's teacher. If you would like to discuss your child's strengths and next steps, please contact the teacher and set up a mutually convenient time.

February marks the end of Term One for staff and students. This is an ideal time for students to pause and reflect on their effort and achievement. While looking back, students can celebrate successes and consider ways to build upon them....going from good to great and then excellent to extraordinary. Some reflective questions for students to ponder when looking back on the past term are: "Have I put forth my full effort when attempting to learn or do new things?" "Have I reached out for help when I was confused or found something difficult to do?" "When the learning became difficult, did I stick to it or did I quit?" The last question speaks to resilience. The development of resilience in all students is more important than ever, especially when we consider this ever changing world around us. Resilience is the ability to adapt and respond to adversity, challenge and stress in a healthy, productive way. It is for this reason that much attention is given to the concept of self-regulation at our school, aligning well with the school board's focus on mental health and wellness for all.

Individual Education Plan (IEP)

IEPs are sent home at each reporting period. If your child has an Individual Education Plan, you can expect the Term 2 IEP to be sent home with goals and expectations for Term 2. The Term 2 IEP is currently in the development stages. You are welcome to arrange a time to speak with your child's

teacher to discuss your child's goals and learning expectations for the upcoming term. IEP development is a collaborative process. Educational priorities that families feel are important to their child's learning experience are integral to the Individual Education Plan.

Black History Month

Recognizing Black History Month in Canada

In 1978, the Ontario Black History Society (OBHS) was established.

Its founders, including Dr. Daniel G. Hill and Wilson O. Brooks, presented a petition to the City of Toronto to have February formally proclaimed as Black History Month. In 1979, the first-ever Canadian proclamation was issued by Toronto.

In 1993, the OBHS successfully filed a petition in Ontario to proclaim February as Black History Month. Following that success, Rosemary Sadlier, president of the OBHS, introduced the idea of having Black History Month recognized across Canada to the Honourable Jean Augustine, the first Black Canadian woman elected to Parliament.

In December 1995, the House of Commons officially recognized February as Black History Month in Canada following a motion introduced by Dr. Augustine. The House of Commons carried the motion unanimously.

Black people have lived in what we now call Canada since the 1600s. From that time until the early 1800s hundreds were forced to come here as enslaved people. After slavery was abolished here in 1834, thousands of people of African descent from the United States, the Caribbean and Africa chose to come to Canada at different times for different reasons. For 400 years, Black men and women have contributed to all areas of society. They have fought for Black people to be treated with fairness and equality in the struggle against racial discrimination, a fight that has benefited all Canadians.

Ash Wednesday at St. Martin

Each year, Ash Wednesday marks the beginning of Lent and is always 40 days before Easter. Lent is a 40-day season (not counting Sundays) marked by repentance, fasting, reflection, and ultimately celebration. The 40-day period represents Christ's time

of temptation in the wilderness, where he fasted and where Satan tempted him. Lent asks believers to set aside a time each year for similar fasting, marking an intentional season of focus on Christ's life, ministry, sacrifice, and resurrection.

On Wednesday February 14th at 11:30 am & 12:15 pm, Father Chris will lead our students in a Ash Wednesday prayer service.

Shrove Tuesday

This year Shrove Tuesday will be on Tuesday Feb. 13th, 2024. All St. Martin students will receive pancakes made by parent volunteers. This is a snack and is not intended to replace your child's lunch. Thank you to all of our volunteers. Without you, this great event would not occur.

Our 2024 Forest of Reading program is underway! The Forest of Reading Programs, created by the Ontario Library Association, encourage and promote reading for enjoyment and information, and introduce students to quality Canadian texts and authors, as well as challenging students to read books they might otherwise overlook.

Our primary students will be introduced to 10 nominated Canadian picture books in the Blue Spruce Program, which will be read aloud during library visits. In April, students will vote for their favourite book from the selection. Based on student voting across the province, the author and illustrator of the winning book are honoured with the Blue Spruce Award™.

Our Junior and Intermediate students will have the choice to participate in either the Silver Birch, Yellow Cedar, or Red Maple programs. Students who choose to participate will read from a list of nominated books and those who read at least five of the ten

nominated titles in any of the programs are eligible to vote for their favourite book on a province-wide voting day.

The Importance of Reading

Children love the feeling of closeness when a parent, grandparent or other caregiver reads to them. When children find out that reading with a loving adult can be a warm, happy experience, they begin to build a love of reading that will last a lifetime. Reading together not only nurtures positive relationships, it also helps children learn specific things about books and words. Reading together helps young children learn about books-how to hold them, how to turn pages one at a time, and that books have words and pictures to help tell the story. They are also learning about print-that there is a difference between words and the pictures. Pre-readers are most interested in the pictures initially. Think of all the things children are learning about words and language! They discover that there are many new words to learn and that sometimes book language sounds different from everyday conversation. Sharing books together will open the world up to your child. They can visit places, see objects, engage in activities and attend events they have never heard of before! Let the adventures begin, read on!

Winter Weather

The students will be kept indoors whenever the temperatures are below -15 degrees with wind-chill. This measure is in place to ensure the safety and well-being of all of our students. In addition, please make sure your child(ren) are dressed appropriately for the cold temperatures and snow. Also, please be sure that they have

an extra pair of shoes to wear in the classroom. Furthermore, all students are expected to be outside during recess times. Finally, if the weather is hazardous in the morning, a decision would be made by 7:00 am if the school will be closed. In order to convey this message to you, a notice will be posted on the Niagara Catholic District School Board website www.niagaracatholic.ca as well as on the local radio stations and social media outlets.
