

March Newsletter

March Break

We wish all of our families, especially those who might be travelling, a safe March Break. March Break runs from March 11-15, 2024.

Earth Hour

Earth Hour will be celebrated globally on Saturday, March 23, 2024. Everyone in the world is encouraged to turn off all non-essential electricity in their home to encourage energy conservation. We will celebrate Earth Hour here at OLV on Friday, March 22 by turning off non-essential lights and computers from 10 AM—11 AM.

Lent

Wednesday, February 14 was Ash Wednesday, which is the start of the liturgical season of Lent. Throughout the Lenten season, we will continue with the three tenants of Lent; fasting, prayer and almsgiving. During Lent, we will also continue to continue to pray the way of the cross over the announcements each Friday. We also will have an opportunity for students to go to confession on Tuesday, March 19. Our grade sevens will be presenting the Stations of the Cross on Holy Thursday, March 28. Thank you for your continued support during this most important season in the church calendar.

Grad Photos

Our grade eights will have their graduation photos taken on Tuesday, March 5. We look forward to seeing their smiling faces as they prepare for the next phase in their educational career!

Battery Recycling

Our Eco Team continues to collect used batteries for proper recycling. Students can bring their used batteries to school and drop them in the collection bins in their classrooms. Thank you for recycling your batteries to keep dangerous chemicals out of our water system.
