Senior Staff highlights included:

Superintendent Zaroda

- The kindergarten class from St. Ann Catholic Elementary School in St. Catharines learned about Jesus, His miracles, and the Easter Story. They wrote to Pope Francis, and received a response from the Vatican.
- Our International Ed team is thrilled to announce that 143 students from Medellin and Bogota, Colombia, chose Niagara Catholic over other Ontario districts for a 4-week stay. Due to their large number, they stayed at Brock University and were bused to our 23 schools by NSTS. On May 29, Bishop Bergie welcomed the group, emphasizing the value of our international program in fostering global community and friendships. Several appreciative letters from their families were received.
- Niagara Catholic International is honored to partner with the Municipal Government of Recife, Brazil, in a social-educational initiative for underprivileged students. Unlike publicly funded schools in Canada, Brazilian public school students often come from low-income families. Recife's Mayor Joao Campos has launched a program offering English language training and fully-paid scholarships for international summer English programs. The first 100 students have been selected, with 40 joining us at Saint Michael CHS in Niagara Falls this July. This initiative aims to expand English learning and broaden social and cultural perspectives. Additionally, Niagara Catholic is being considered for a larger program offering full academic scholarships for a semester in fall 2024 and winter/spring 2025.

Superintendent Forsyth-Sells

- On May 24, 2024, Fred Fox, brother of Terry Fox, visited St. Michael Catholic Elementary School to share memories of Terry and express gratitude for the community's support of the Terry Fox Foundation.
- On May 30, students in grades four to eight performed the musical "Heroes of the Faith," directed by Principal Fera-Massi and staff, showcasing the integration of faith and the arts.
- The Niagara Roots of Empathy Baby Celebration 2024 took place on May 31, involving volunteer parents, their babies, staff, and instructors. This program, in partnership with the Early Childhood Community Development Centre, develops social-emotional skills and empathy in kindergarten classrooms.

Superintendent Kinney

- Members of the Notre Dame College School swim team had the unique opportunity to film a commercial for *Kids Help Phone*. It was part of the nation-wide campaign *Even Champions need Champions* to help bring awareness to mental health and the resources available to young Canadians. This two minute long commercial will be featured in internet platforms and 30 second and 60 second shorts will be featured on TV and cinema screens.

STATEMENT OF GOVERNANCE POLICY

Adopted Date: February 24, 1998

Latest Reviewed/Revised Date: February 25, 2020

In keeping with the Mission, Vision and Values of the Niagara Catholic District School Board, the Board supports the concept of “centralized purchasing” as a means of obtaining maximum value for each dollar expended, consistent with the educational goals of the Board and fair business principles.

The Niagara Catholic District School Board recognizes that fair, open and transparent competition is a basic tenet of public acquisition through the Quotation, Tender and Request for Proposal processes using a variety of source selection methods under varying market conditions, in accordance with the Supply Chain Management regulations. Awards will be given to the qualified bidder(s) who provide the best value to the Board.

All staff involved in purchasing activities shall abide by all applicable Board Policies, Statutory Acts & Regulations and Code of Ethics stipulated by Supply Chain Canada.

The Purchasing/Supply Chain Management activities will be carried out in accordance with the following Approval Authority Limits.

APPROVAL AUTHORITY LIMITS			
Purchase Authority Limit	Purchase Initiated By	Purchase Approved By	Procedure
<\$5,000	School Staff CEC Staff Program Staff	Appropriate Supervisor or member of Senior Staff	Purchases can be paid by petty cash, purchasing card, payment request or purchase order.
>\$ 5,001 - \$50,000	Administrators Principals Consultants Senior Staff	Appropriate member of Senior Staff	At least three (3) written quotes or a completed Non-Competitive Approval form or referencing a current Vendor of Record agreement (i.e. NPPC, OEMC, MGCS) must be attached to the purchase requisition submitted in our finance/purchasing system

*all Purchase Authority Limits above are pre-tax amounts.

The following capital projects will require Board of Trustees approval:

- i) Non ministry support capital projects

- ii) New builds and additions before tendering
- iii) Any ongoing capital project that exceeds pre-approved ministry funding sources (i.e. priority capital funding, school condition improvement and school renewal).

All contracts and agreements, including community partner agreements, must be approved by an appropriate staff member who has the designated approval authority for the total procurement value of the contract, in accordance with this Policy. All contractual agreements that extend beyond one school year must be signed by the principal and a member of senior administrative staff.

Subject to the provisions listed above, only members of senior administrative staff or the Director of Education have the authority to contractually bind the school board.

On a yearly basis, a listing of awards of contract and capital projects greater than one million dollars will be brought to the Board of Trustees for information.

Niagara Catholic will give Ontario businesses preference when conducting procurements for goods and services under a specified threshold amount of \$121,000. (Building Ontario Businesses Initiative Act, 2022).

The Building Ontario Businesses Initiative Act does not override Niagara Catholic’s requirement to engage in competitive procurement.

The Niagara Catholic District School Board believes it is our responsibility to ensure no product we obtain is the result of any child or forced labour. Niagara Catholic expects its business partners, suppliers and contractors with whom we do business to uphold the similar standards by complying with applicable law in the countries where they operate and not engaging or permitting any child or forced labour.

ROUTINE MATTERS

1. Land Acknowledgement – Susy Walsh

Introduction:

The Niagara Catholic District School Board wishes to honour the Indigenous people who have been the protectors of this land, known as Turtle Island, for more than ten thousand years.

We begin this meeting by acknowledging the land on which we gather is the traditional territory of the Haudenosaunee and Anishinaabe peoples, many of whom continue to live and work here today. This territory is covered by the Upper Canada Treaties and is within the land protected by the Dish With One Spoon Wampum agreement. Today this gathering place is home to many First Nations, Métis and Inuit peoples and acknowledging reminds us that our great standard of living is directly related to the resources and friendship of Indigenous people.

REPORT TO THE BOARD JUNE 18, 2024

ECOSCHOOLS RESULTS FOR 2023-2024

BACKGROUND INFORMATION

EcoSchools Canada is the largest K-12 Environmental Education Certification Program in Canada. Through collaboration with educators, students, parents, school board/district officials, and community organizations, they work to address climate change by fostering environmental leadership in school communities.

Since 2005, EcoSchools Canada's award-winning certification framework has provided independent reporting and recognition for schools and outdoor and environmental education centres. Reaching about 1 million students annually. They are the largest bilingual, voluntary environmental certification programs for K-12 schools in Canada; engaging across all levels of the education sector, including students, teachers, Trustees and parents through training workshops, webinars, annual conferences, educational resources, and national campaigns.

EcoSchools certification represents environmental excellence for elementary through secondary schools in Canada. Participation in the program allows students, all school staff and parents to get a clear picture of their current environmental practices and take action to reduce their environmental footprint.

Each year, our schools apply for certification by undertaking environmental actions, campaigns, and projects, and then recording them in the online EcoSchools Certification Application to earn points. At the end of the year, school applications are assessed based on a standard established over 10 years of benchmarking and are awarded a final certification level from Platinum, Gold, Silver, Bronze or Participation.

EcoTeams

Every school forms a group of dedicated environmental champions called an EcoTeam who are responsible for leading EcoSchools actions and initiatives. EcoTeams can range from just a few members to whole schools, and operate best with a diverse membership base, including students, staff, parents, and community partners.

Engaging in Environmental Actions

Actions make up the backbone of EcoSchools certification, and consist of a variety of fun and educational projects, campaigns, lessons, and challenges that help schools assess and improve their environmental practices. Actions are designed to be flexible and adaptable to all curricula and school types to ensure that everyone across Canada can pursue certification. EcoSchools actions also connect schools to Niagara Catholic's Environmental Stewardship and Sustainability Policy,

United Nations' Sustainable Development Goals, and the Global Foundation for Environmental Education. Schools can select from dozens of engaging actions like waste-free lunches, planting gardens, Good-On-One-Side or GOOS Paper campaigns, and conducting energy audits among many other exciting options.

Niagara Catholic has been participating in the EcoSchools Canada Program since 2007 with the majority of schools obtaining certification levels of Platinum, Gold, Silver and Bronze.

For the 2023/24 school year, we are very excited and proud to announce that 100% of our schools are certified with the EcoSchools Canada Program. Congratulations to all of our schools who worked so hard to accomplish this during a very busy school year. Well done!
