Together in Faith

2013 Catholic Education Week Theme Song

Words and Music by Nancy Bodsworth

Refrain:

***We walk by faith and not by sight.
Standing tall, rooted in Christ.
To bloom where we are planted,
succeed where we are sewn. Growing
in faith together.....
never alone.***

**1. We grow in faith that is rooted -
The foundation for which we strive. The
reason for our being,
the centre of our lives.
We grow in faith that is nurtured –
Cared for, loved and fed.
We lift each other up –
Our faith – the common thread.**

Refrain:

***We walk by faith and not by sight.
Standing tall, rooted in Christ.
To bloom where we are planted,
succeed where we are sewn.
Growing in faith together.....
never alone.***

2.

**We grow in faith that is discerned –
To choose the path that's right.
To recognize and understand
that Jesus is the light.**

**We grow in faith that is witnessed –
Rise up and take a stand.
Observe, behold and testify Good
News to all the land.**

Refrain:

***We walk by faith and not by sight.
Standing tall, rooted in Christ.
To bloom where we are planted,
succeed where we are sewn. Growing
in faith together.....
never alone.***

***We celebrate our faith!
Together we proclaim –
Sing praise, rejoice and honour
the Glory of Gods' name!***
