D. BACKGROUND INFORMATION

Superintendent Farrell provided background information pertaining to the identified schools in the South Niagara Falls Attendance Area Review from the June 21, 2016 Board Report.

Historical information was shared which included that a Pupil Accommodation Review occurred in 2008 which resulted in the closure of St. Joseph (June 2009) and St. Thomas More Catholic Elementary School (June 2013). Following the closure of St. Joseph, the boundary was distributed between St. Mary (NF), St. Patrick and Father Hennepin. All students who previously attended St. Thomas More were to attend Our Lady of Mount Carmel following the closure. There were no other boundary changes.

The current boundaries map for each school were shared in addition to the potential students living in each elementary school boundary.

A catchment summary for Loretto Catholic, Father Hennepin and Our Lady of Mount Carmel was provided showing potential students who are currently attending a Niagara Catholic school. Additional information was requested regarding where the out of boundary students are coming from.

Enrolment Projections were reviewed for each of the three schools.

An Education Development Charge is available to the Board to purchase land and develop the site.

Kathy Levinski reviewed the areas that are being planned for development in south Niagara Falls:

- The Garner South Plan has ~2700 units approved by the city which is projected to result in ~400 students attending a Niagara Catholic Elementary School.

- The Oldfield subdivision was reviewed. Niagara Student Transportation Services recommends that the entire area be allocated to either Our Lady of Mount Carmel Catholic Elementary School or Father Hennepin due to potential transportation efficiencies in terms of cost and travel times.
- Thundering Waters is in the early planning stages and will ultimately affect enrolment in the Father Hennepin and Our Lady of Mount Carmel boundary areas.

The Long Term Accommodation Plan for the Board recommended that the move of French Immersion from Notre Dame to Our Lady of Mount Carmel be considered.

E. REVIEW OF POTENTIAL ATTENDANCE AREA OPTIONS

Current enrolment pressure at Loretto Catholic (392 OTG On-the-Ground capacity/160% Utilization) needs to be alleviated. Space is currently available in neighbouring schools Our Lady of Mount Carmel Catholic Elementary School (504 OTG capacity /75% Utilization) and Father Hennepin (282 OTG capacity /89% Utilization).

The Board needs to demonstrate a sustained need for a capital investment at Loretto Catholic given that neighbouring schools are projected to be 85-90% of OTG capacity for the foreseeable future.

Board staff presented 4 options to the Committee:

- Option 1 - E1 to Our Lady of Mount Carmel Catholic Elementary School
- Option 2 - E1 and E2 to Our Lady of Mount Carmel Catholic Elementary School
- Option 3 - E1 and partial E2 (Charnwood) to Our Lady of Mount Carmel Catholic Elementary School
- Option 4 - Out of Boundary students who currently attend Loretto Catholic from Our Lady of Mount Carmel be required to attend their home school

Discussion ensued on the options presented.

Recommended that Option 4 be revised to include all Out of Boundary Students.

Concern was expressed by the Committee that there are some students in E1 and E2 who currently walk to school that would now be bused to Our Lady of Mount Carmel Catholic Elementary School.

Area W1 was noted by the committee due to distance from Loretto Catholic and that some students are bused to school. Bused students in this area should be considered to potentially move to Our Lady of Mount Carmel Catholic Elementary School.

Committee requested that another option to consider be students eligible for bussing \geq 1.6 km in W1, E1 and E2 (Option 5) be required to attend Our Lady of Mount Carmel Catholic Elementary School.

Child care is currently provided at Loretto Catholic and Father Hennepin. The Committee requested staff investigate childcare possibilities at Our Lady of Mount Carmel Catholic Elementary School with Director of Children's Services.

Community partnerships were discussed as a possibility for Our Lady of Mount Carmel Catholic Elementary School in lieu of a change in attendance areas. Scott Whitwell advised that a Community Partnership Meeting will be held in November for interested municipalities and community agencies.

F. FUTURE ACTION

On October 26, 2016 Mark Lefebvre, Ted Farrell, Scott Whitwell and Kathy Levinski will be meeting with community regarding the potential relocation of the French Immersion Program from Notre Dame to Our Lady of Mount Carmel. All information will be brought for consideration to the next Attendance Area Review Committee Meeting on November 3, 2016.

3. Out of boundary information for the three schools in the Attendance Area Review.

8. Details of the October 26th, 2016 consultation with the parent communities from Notre Dame/Our Lady of Mount Carmel Catholic Elementary School concerning the potential French Immersion relocation from Notre Dame to Our Lady of Mount Carmel.
9. Create Guiding Principles for the Committee for the Public Meeting:
 - open and transparent process

Father Hennepin Catholic School Council
2015-2016 Annual Goals & Financial Report

The objective of the 2015-2016 Father Hennepin Catholic School Council was to allocate anticipated revenues through licensed fundraising (Bingo/Nevadaman) as well as regular school held fundraisers (Norcard/Trade show) to the various categories outlined in our annual budget. Our overall budget goal was to maintain programs such as Library Assistance, Science in the Classroom, etc. while trying to increase the subsidy to Year End Trips for all students. We based our goals on the previous year fundraising revenues and determined we would have nearly the same amount of revenue as last year. Therefore we were able to provide \$20 per student for their year-end trip. We are proud to have accomplished this without compromising the students benefit to the above mentioned programs.

Year End Trips represent over half of the total revenue allocated from our primary fundraising. In some case we were able to eliminate the cost to the student for the year-end trip all together. Our grade 4, 5 and 6 students enjoyed a fun filled day at Brock at no additional cost.

It is always the goal of the Father Hennepin Catholic School Council to place our students first and enrich their overall elementary school experience.

GOALS	ACHIEVEMENT OF GOALS
To improve the “sense of community” within St. Anthony Catholic School	<p>We held many activities at the school that brought the St. Anthony community together. We had 2 family movie nights, a Christmas concert, a Family Gingerbread night, a Social Media Safety Night and a Fun Fair. Each of these activities was very successful as many St. Anthony families participated in them.</p> <p>We continued to improve the communication between parents and the school. We did so by sending out voice mails, notes and emails on a regular basis.</p>

Development and Approval of School Ground Greening Plan	A more simplified version of the plan was produced, and is pending approval from the Plant Department at the School Board. A plan was also developed for the beautification of the front of the school.
Purchase of Additional Tech Resources	Because of changing technology (the move towards touch screen Chrome Books and interactive flat panel TVs), no additional resources were purchased. These purchases will be made early in the 2016-17 school year.
Continue to recruit new members to the council to represent various grades, especially the younger grades.	There were some new members of council, and many members of the council had children in ELKP-Gr. 4, helping to create a base of families who are able to assist with projects in the school.

GOALS	ACHIEVEMENT OF GOALS
<p>Faith: to encourage as many parents / guardians as possible to participate in masses, Christmas presentation, and Living rosary circle etc.</p>	<p>Mass is attended on a weekly basis at St. Elizabeth Church. Approximately 5 – 10 parents / guardians attended our school masses. A family Advent Mas was planned for December. Turnout was excellent. We teamed with CWL members who visited the school on a weekly basis in every class. Each child made their own Rosary; CWL members taught them to pray using the Rosary. The culminating task was a living Rosary during Education Week.</p>
<p>Fundraising: to plan fundraising opportunities to purchase technology; to enhance student achievement.</p>	<p>Major Fundraisers included: Vendor Fair and Dance-a-thon. An excellent turnout was experienced for all events. We were able to purchase a SMART Board for our ELKP classroom.</p>
<p>Encourage parent engagement</p>	<p>Using results for our CSC survey completed in 2015, meeting dates and times were confirmed. Pro Grant Night – Family Math Night - use of MOE document “Inspiring Your children to Learn and Love Math”; all received a game they could play with their child to consolidate math skills. Family Advent Mass – held in December; excellent turn out. Encourage participation with Volunteer reading, Nutrition program, and other opportunities.</p>

GOALS	ACHIEVEMENT OF GOALS			
Continue to foster pride in our school by promoting events that encourage and enhance school spirit.	Open House Niagara Ice Dog Family Skate Family Photo Shoot Trivia Night Mission Day			
Provide opportunities for the parent community to sustain the active involvement generated last year. We would like to empower parents to be supportive of their children by assisting with their learning.	We enhanced our communication between home and school. We continued the practice of monthly classroom newsletters. These newsletters detailed ways that parents could assist at the school and provided strategies. School wide communication was achieved through monthly newsletters posted on our school site – as well as sent directly by email to families requesting it. Synrevoice messages were offered upon request.			
Continue to support School Improvement initiatives by providing additional funding towards classroom resources that would impact literacy, numeracy and technology.	Each class from ELKP through Gr. 8 continued to experience 2 half-day sessions with Scientists in the classroom. We purchased additional SMART Technology and Chrome Books to support all divisions.

GOALS	ACHIEVEMENT OF GOALS
Building and supporting the Home, School and Parish Community.	Thanksgiving Luncheon coordinated by members of the Catholic School Council. This Annual Luncheon tradition was prepared by our parents. All our students were able to sit down together and enjoy a meal with our school Community following our Thanksgiving Mass in the St. Patrick Church Hall.
Building and Supporting the larger community.	Council planned and organized a Christmas Support Campaign entitled "Make the Season Bright". The School & Parish Community was invited to purchase Poinsettias and donate personal items for those in need in the School Community. Any extras were sent to a local organization called Santa's Helper's in the Port Colborne Community.
Supporting the Teaching Staff to improve student achievement.	Staff identified the need for Smart Boards (3), additional leveled reading material to support student reading programs in their classes. In addition Classroom teachers were supported with an allotment to purchase items to enhance their curriculum delivery.
Supporting our students attending their end of year excursion.	Council provided financial support to each student in order that all students were able to attend their end of the year class excursion.

Pilgrimage Sunday – October 30, 2016

On Sunday, October 30th, 2016, approximately 3,500 Niagara Catholic students, staff, trustees, alumni, parents and community members took to the windy and rainy streets of the Niagara region becoming *One Family in Christ* called to love and witness mercy. This Niagara Catholic tradition promotes the virtues and charisms of our Catholic schools, and in this Extraordinary Jubilee Year of Mercy demonstrates the work of the Holy Spirit to bring healing and hope. ‘*Walking Forward Together*’ – this year’s Catholic Education Week’s theme - the eight secondary schools raised over \$151,000 to support the many diverse projects that the schools partner with in a variety of developing countries throughout the world.

Beginning in 1975, this annual Niagara Catholic Pilgrimage best exemplifies the vision of the Catholic student “called to bear witness to Jesus Christ...and reverence Him in the poor, the lowly and the marginalized (This Moment of Promise). Over the past 41 years, millions of dollars in pilgrimage funds have been raised since its inception have funded the construction of schools, medical clinics, wells and orphanages in the developing world.

The Board’s Communications personnel along with school communities, organizing clubs, and staff engaged in social media to evangelize and promote this year’s pilgrimage through Twitter, Facebook and Instagram.

School Summaries

Blessed Trinity Catholic High School

With the theme ‘Where is the Love?’ 400 members of the Blessed Trinity Catholic community walked through the streets of Grimsby for the children of the Dominican Republic knowing that that their efforts are changing lives. This year, student representatives from the Blessed Trinity Catholic Pilgrimage Committee worked with students from each of the elementary schools in this family of schools to make their own cross to carry on Pilgrimage Sunday. The \$16,000 raised will support a variety of projects in Las Pajas, Dominican Republic including the provision of post-secondary scholarships and improvements to the homes and basic quality of life through the work of the Dominican Canadian Community Development (DCCD) Group. The day began with mass celebrated by Fr. Ronald Angervil, associate pastor of St. Joseph’s Parish and approximately 200 members of this parish community.

Note: Pilgrims from the three St. Catharine's Catholic high schools met downtown at the Market Square to participate in the annual Pilgrimage Mass, this year celebrated by Father Michael Prieur, assisted by Deacon Brian Prieur, Chaplain of Holy Cross. The music ministry was provided by the talented students and staff of Holy Cross Secondary High School. The St. Catharine's school families' fellowship continued after mass with a hot dog barbeque generously sponsored by Chartwell's.

Denis Morris Catholic High School

Approximately 450 students, staff members and members of the Denis Morris Catholic School Council walked their 23rd Pilgrimage in the spirit of St. Teresa of Calcutta to "Do Small things with Great Love." They walked throughout the city streets to the Market Square and raised \$13,000. These proceeds will be shared among L'Ecole Imaculee Conception in Pilate, Haiti, the Wells of Hope Projects in the Jalapa region of Guatemala, and a variety of local charities.

Holy Cross Catholic High School

Inspired by this year's theme, 'HC's Got Love,' the Holy Cross Catholic school community – The Angus Army - was represented by approximately 225 pilgrims. More than \$16,000 was raised to support the hard work of the Holy Cross Brothers and Sisters in the villages of Thibeau, Cap Haitian and Milot, as well as surrounding areas in northern Haiti. The Pilgrimage Committee recognized that this pilgrimage generated the most energetic student body participation and engagement in recent memory.

Saint Francis Catholic High School

Approximately 350 students and many more staff members, parents and alumni walked through the streets of northern St. Catharines to raise over \$20,000. Inspired by Rachel Platten's song, this year's theme of 'Stand by You' fueled the "purple machine" to become involved. International donations will be shared among L'Ecole Madeline in Cap Haitian, Haiti run by the Holy Cross Sisters, Fogquest in Guatemala, and the Dominican Canadian Community Development Group (DCCD) which supports grassroots projects in the Dominican Republic. As well, some of the monies will be donated locally to the Niagara Region Sexual Assault Centre, the St Vincent de Paul Society, and Gillian's Place.

Lakeshore Catholic High School

Approximately 330 staff, students and community members took part in Lakeshore Catholic High School's annual Gator Walk, a social justice initiative benefitting communities in Dominica. Participants of this year's 'JUST WALK' began the morning with mass celebrated by Father Patrick Gilmurray, CPPS, pastor of St. Michael's Catholic Church in Fort Erie, followed by the 10km walk through Port Colborne. \$10,000 was raised.

Notre Dame College High School

Approximately 1,000 students, staff, parents, alumni along with Grade 8 students and Principals from the Notre Dame College Family of Schools walked fourteen kilometers from Notre Dame to the Forkes Road Bridge in Dain City and back to participate in the 41st Pilgrimage in the school's history. Having 'Tuned into Humanity,' \$38,000 was raised and will be distributed to Development and Peace (D&P), Yancana Huasy in Lima, Peru, and the Dominican Canadian Community Development Group. Bishop Gerrard Bergie celebrated the concluding Eucharist and participated in the Candle Light Commissioning Ceremony. Fr. Norm Bourdages concelebrated as a representative of the Holy Cross Fathers. This year, the Staff-Student Pilgrimage Committee hosted Elena Luna, regional animator from D&P to address the students about the work of D&P as part of their recruitment and awareness strategy.

Note: The Pilgrimage committees of Saint Paul Catholic and Saint Michael Catholic take turns hosting and organizing the mass and pilgrimage route through the streets of north end Niagara Falls. This year, Saint Paul Catholic hosted and all pilgrims began the day with a liturgy, celebrated by Niagara Catholic Chair and Pastor of Our Lady of the Scapular Church, Father Paul MacNeil.

Saint Michael Catholic High School

Approximately 400 students from Saint Michael Catholic High School participated in this year's annual Pilgrimage that was themed, "Be the Change." Saint Michael Mustangs raised \$19,000 for the Hope for Rwanda's Children Fund which helps to support the survivors of that country's genocide and fund items that these families need to send their children to school. Senior students on the Pilgrimage Committee planned and presented a 40 minute multi-media presentation that included speakers, a dramatic (play) presentation and a short silent film designed to encourage all students to participate.

Saint Paul Catholic High School

Approximately 400 Saint Paul Catholic students, staff and family members along with Grade 8 students from the Saint Paul Catholic Family of Schools walked together to raise \$19,500, surpassing the school's original goal by \$1,500. The school's slogan was "One Vision One Mission In Christ," reminding those who walked the eleven kilometer route that they were in solidarity with the students of Immaculate Conception School in Milot, Haiti to which the pilgrimage funds are donated. These year's pilgrimage committee played the song One Love by U2 every morning to build the excitement of this justice walk

A short presentation including a movie and the students' own experience of the spirit of this year's Pilgrimage will be part of this information report.

The Niagara Catholic District School Board named Mother Teresa Catholic Elementary School after Mother Teresa of Calcutta.

Mother Teresa was canonized St. Teresa of Calcutta by Pope Francis in a ceremony at St. Peter's Basilica in Vatican City on September 4th, 2016. Born Gonxha Agnes Bojaxhiu on 26 August 1910, she was a woman of small of stature, and deep faith. At the age of eighteen Gonxha left her home to join the Institute of the Blessed Virgin Mary, known as the Sisters of Loreto. She made final vows in 1937 and from that time on was known as Mother Teresa.

During the train ride from Calcutta to Darjeeling for her annual retreat in 1946, Mother Teresa received her call from God to establish a religious community dedicated to serving the poorest of the poor. In August 1948, she dressed for the first time in a white, blue-bordered sari and passed through the gates of her beloved Loreto convent to enter the world of the poor. Today the order she founded, the Missionaries of Charity, number over 4,000 worldwide and continue to provide care and support to those most in need. She died on September 5th, 1997 and on the day of her funeral nearly a million people lined the streets of Calcutta to pay their respects to a life which bore witness to the joy of loving, the greatness and dignity of every human person, and the value of little things done faithfully with great love.

Niagara Catholic District School Board Naming of a Board Facility, Designated Area or Chapel, Policy

The Niagara Catholic District School Board *Naming of a Board Facility, Designated Area or Chapel*, Policy No. 100.15, outlines in its Administrative Procedures, the criteria and process to follow for requests for the naming or renaming of a Board facility, designated area or Chapel, in whole or in part.

The Policy and Administrative Procedures outline a process for “renaming of an existing Board facility if the individual is canonized by the Holy Father. In this circumstance, following consultation with the Family of Schools’ Superintendent of Education, the school Principal, the Student Council President, where it is in place, and the Chair of the Catholic School Council, the Director of Education will bring a report to the Board of Trustees for consideration.” (Administrative Procedures – Policy 100.15)

Consultation Process

In compliance with Board Policy, a two month consultation process took place, commencing in early September 2016 through to the end of October 2016.

Consultations at Mother Teresa Catholic Elementary School was facilitated by the Principal of Mother Teresa Catholic Elementary School and the Family of Schools Superintendent of Education. A summary of feedback themes from approximately 30 parents (including Catholic School Council members) and 8 members of Student Council (who engaged the student body and school staff) are provided below:

- keep the name of the school status quo;
- honouring the canonization by Pope Francis through a commemorative banner or plaque to be placed in the school;
- add to the school name to reflect canonization by including Calcutta in the name, e.g. Mother Teresa, Saint of Calcutta;
- honouring the canonization by Pope Francis by changing the name of the school;
- costs that will be incurred as a result of a name change to the school; e.g. signs in the gymnasium, library books; external school sign;
- donating monies linked to costs associated with a change in school name to charities; using monies elsewhere to impact students directly;
- confusion that may result in having two schools in St. Catharines that sound similar, i.e. St. Theresa Catholic Elementary School and St. Teresa of Calcutta Catholic Elementary School;
- potential loss of the legacy/history/connection to existing Mother Teresa Catholic School;
- Mother Teresa was a Titan; she did her great work as ‘Mother Teresa’; students feel connected to Mother Teresa as a role model;
- all references to Mother Teresa would not necessarily need to be changed or revised with a name change to the school;
- allow Grade 8 students to graduate under the current name of the school; want to be looked at as a graduate of Mother Teresa.

The Director of Education consulted with the Bishop of the Diocese of St. Catharines regarding potential names of Mother Teresa Catholic Elementary School once she was canonized by Pope Francis.

The next step in the process will be to acknowledge the feedback provided at the school through the consultation process, and to develop a plan through the school Principal to address feedback raised.

The Renaming of Mother Teresa Catholic Elementary School is presented for information.

SPOTLIGHT ON NIAGARA CATHOLIC – OCTOBER 25, 2016**

October 25, 2016

Soaring High with Fatima Falcons

The spotlight was on Our Lady of Fatima Catholic Elementary School in St. Catharines this month, as students and staff from the school took part in the monthly School Excellence Program at the October 25 Board Meeting.

Principal Branka Jones was joined by student senators to share what makes Our Lady of Fatima Catholic Elementary School such a special place.

Ms. Jones told Trustees and Senior Staff that for the past three years, staff at Our Lady of Fatima have been preparing for the 100th anniversary of the intercession of Our Lady in Fatima, Portugal. She said the learning and growing in faith that has taken place during this time has been remarkable. Their display in the Catholic Education Centre focused on the moments immediately before the [Miracle of the Sun](#). The school's purpose is to live out the message of prayer, sacrifice and exemplify what is good and excellent for the good and growth of all delivered.

Students spoke about the many great things that happen at the school throughout the year, including food drives and fundraisers for the St. Vincent de Paul Society at St. Alfred Church. The school has a creed that was written by students, which focuses on the importance of outstanding effort, academic excellence and Catholic leadership. Students and staff pray the rosary as a community on the 13th of each month (or the date closest to the 13th of each month), in honour of the dates that Mary appeared to the children in Fatima, between April and October 1917.

Student voice is encouraged at Our Lady of Fatima, and students will participate in a school climate initiative called Speak Up. Through student consultation, students will work with staff to choose a permanent symbol to represent the centennial of the Fatima apparitions.

As a dual-track English and French Immersion school, a continual effort is made to ensure the English and French-speaking students maintain a connection as Fatima students. This duality is considered a blessing by Fatima staff, who ensure that the two languages are not "two solitudes" but are a representation of true inclusivity.
