September Newsletter 2024

St. Patrick Catholic School is rooted in Catholic and Christian values. Our goal is to create a safe, kind and loving environment for all who work, learn, and assist with our school community. Aggressive or hostile behaviour or language toward, staff, students or our community helpers will not be tolerated. While we welcome feedback, concerns and opinions it is the expectation that all staff, students, parents, guardians and community helpers communicate their needs and concerns with one another in a respectful and peaceful manner whether through email, on the phone or face-to-face.

Adherence to this expectation is vital in order to create a community which can solve problems and help one another achieve success.

New Regulation on Cell Phone Use in Schools

As we continue to foster a safe and positive learning environment for all students, I would like to remind you of the new regulations regarding cell phone use that have been implemented in Ontario schools.

To minimize distractions and maximize learning, cell phones are only permitted during instructional time when they are being used for educational purposes as directed by the teacher. Outside of these times, students are expected to keep their phones turned off and stored away unless needed for documented learning needs and/or health related requirements. We kindly ask for your support in reinforcing this policy with your children and encouraging them to focus on their studies during school hours.

Your cooperation is essential in helping us maintain a healthy and respectful school environment. If you have any questions or concerns regarding these rules, please do not hesitate to contact the school.

Thank you for your understanding and support

Dress Code Required for all Students

Niagara Catholic Elementary students wear a dress code. The details can be found at Niagara Catholic website under policies. Please make sure your child has a navy or white polo shirt (must have a collar) and navy bottoms - not black (pants, skirt and dark jeans). Students can wear any type of shoes; we do recommend a second set of shoes for indoor use. If your child arrives to school out of dress code we may provide the student with items to wear for the school day. If you need assistance with dress code items, please notify the school.

Dear St. Patrick Catholic School Families,

It is so important that while our kids are in school that we limit our interruptions to their learning. Did you know that every time a teacher has to stop the learning in the classroom because a student arrives late into the classroom it take several minutes for the teacher to re-engage all the learners. Imagine if a class has several students arriving late in the morning or returning from an appointment and has several interruptions, students can miss up to 15 to 20 minutes a day of learning.

As a result, I ask that you respect the transition times below so that we limit interruptions to our students learning.

Transition Times:

If your child has an appointment then we ask where possible you bring them to school during a natural transition time, which is during recess and lunch breaks.

If you need to pick up a child from the school for an appointment then we ask that you please pick them up during a transition times.

We understand that this is often not possible but we ask you to do your best to follow these timelines so that we are all doing our best to support the teaching and learning that is happening in our school.

St. Patrick Celebrates 65 years Thursday September 19, 2024

Come out to our Open House on Thursday September 19 from 4 to 6 to enjoy some food and visit your child's school. Father Wes will be here at 5:00 pm to bless our school. Please invite former students to our Open House and visit our school.

Special shirts were made to celebrate this special occasion. Special thanks to Tammy Nadeau from "A Crafty Canadian" for making this special edition t-shirts. Please contact the school if you have not ordered one but would still like to.

September 30th is Orange Shirt Day!

Orange Shirt Day is the story of Phyllis Webstad, an Indigenous woman who shared her experience at an Indian Residential School through the children's book, *The Orange Shirt Story*. By participating in Orange Shirt Day, we recognize the harm done to generations of children by the Indian Residential School system in Canada. The first Orange Shirt Day occurred on September 30th, 2013 as Chief Fred Robbins saw Phyllis' story as a way of bringing together Indigenous and non-Indigenous people. Since that time, Orange Shirt Day has grown into a national awareness among schools, businesses, and communities. In June 2021, the Federal Government of Canada designated September 30th as the National Day for Truth & Reconciliation. While this addresses Call to Action #80 of the Truth and Reconciliations 94 Calls to Action, it coincides with an established day that was created by Survivors of Indian Residential Schools. As a Board we can acknowledge the Federal statutory day, but for school and student activities, for the present time, it remains "Orange Shirt Day" as a way of respecting the grass root Indigenous movement.

Allergy Aware School - Nut Safe-Anaphylaxes

Within our school community, there are several students who have a life-threatening allergy (anaphylaxis) to foods, predominantly to peanuts and tree nuts (e.g. almond, cashew, hazelnut, pistachio). The best way to reduce the risk of accidental exposure to these students is to respectfully ask for the co-operation of the parents/guardians within this school community to avoid sending peanut butter or products with peanuts listed in the ingredients.

There is a wide range of nutritious foods available to pack for your child. Visit <http://www.eatrightontario.ca> for suggestions. For more information on anaphylaxis, visit <http://www.anaphylaxis.ca> or <http://www.aaia.ca> We are working hard at preventing accidental exposure. It is also important that we have common routines throughout the entire school There are many shared areas (washrooms, fountains, gym, library, computers, etc.) students could come

in contact with allergens. The teachers will explain the importance of the following health and safety routines to the students in their classrooms:

1. Wash your hands with soap and water before and after eating.
2. Do not bring food that contains peanuts/tree nuts.
3. Do not accept food from other students especially if you have food allergies.
4. Snacks are not permitted outside in the schoolyard.
5. Dispose of all food waste properly

Student Senate

Our student senate will continue to sell popcorn and other treats (seasonal different treats) every Monday, Wednesday and Friday for \$2.00.
