Principal's Message

Welcome back to all students, parents and staff from a summer holiday that hopefully provided rest, relaxation and enjoyment. We welcome everyone back to a new year at our school! A special welcome to our new Kindergarten students and to those students and families new to the school this year.

It is an honor to serve this community as Principal. I am looking forward to working with such an enthusiastic and dedicated community. This year promises to be successful as we focus on

working collectively and cooperatively for our children. I would like to thank the entire staff for preparing the school for our students. This year we are continuing with some changes that needed to be implemented safely. I would also like to thank the caretaking staff of St. Denis School and the Plant Department staff of the Niagara Catholic District School Board for their hard work over the summer months maintaining our school.

Together as we begin a new school year, we are reminded that Catholic Education is the interrelationship of the "Triad" - home, church, and school. Working together we can provide the best Catholic Education for your children. We look forward to Father Stephen Bruzzese's guidance for our students and staff this year.

I am very excited about working together with all of the partners in Catholic Education, and I look forward to a positive and productive year at St. Denis Catholic School. In closing, may our school always be a home of Catholic faith, truth, wisdom and goodwill to all. May God Bless us all as we begin the 2024-2025 school year!

Yours in Catholic Education,
Mrs. V. Wegelin

First Day of School Prayer

Lord God, your Spirit of wisdom fills the earth and teaches us your ways. Look upon our students. Let them enjoy their learning and take delight in new discoveries. Help them to persevere in their studies and give them the desire to learn all things well.

Look upon our teachers. Let them strive to share their knowledge with gentle patience and endeavor always to bring the truth to eager minds.

Grant that students and teachers alike may follow Jesus Christ, the way, the truth, and the life, forever and ever.

Amen.

Best wishes for a blessed and happy school year!

Called My Name 2022 - 2026

Niagara Catholic District School Board Theological Theme
Background

2022-2026

"Called My Name: Follow Me" Focus

"You are mine" (Isaiah 43:1)

What does it mean when we say that God calls us by name? Just as each and every one of us belongs to a particular family, so we belong to God's family. There are billions of people in the world but God knows each person personally and by name. John referred to Jesus as the gatekeeper of the sheepfold when he said, "The sheep hear his voice, and he calls his own sheep by name and leads them out." (John 10:3). Let us not forget the importance of calling a person by name, of listening attentively to their story, of realizing that God dwells within them.

Bus Loading & Parking Lot

As we continue to ensure our parking lot is a safe and secure area for our students to enter and exit the school, we appreciate and request your diligence when picking up your children. School staff will continue to supervise the parking lot area in addition to the playground, however, drivers are required to be extra cautious when picking up, especially during peak traffic times. The school front and church parking lots are very busy and congested during these times and our students can be hidden behind vehicles. Please remember to not park in the handicap parking spots unless you have an authorized card to do so. Kindly use precaution at all times.

Students are reminded to cross the road with the crossing guard at all times. Parents, please be aware of the location of the crossing guards at the corner of Lake and Carlton streets. Farewell

We are very sad to say goodbye to Mrs. K. Clifford, Miss K. Witte, Mrs. I. Macias and Ms. A. Veenhoff, who were Educational Assistants at our school. We will miss them greatly but wish them all the best at their new schools.

Welcome to St. Denis Catholic School!

A warm welcome to Mr. J. Biamonte our new Grade 3/4 teacher, our new Educational Assistants-Ms. B. Green, Ms. A. Farrell, Mr. R. Lantiegne, Miss B. Ellens, Miss P. Pinkus, and to Ms. A. Benton our new Child and Youth Care Worker. We welcome them to our St. Denis Catholic School family!

Emergency Information Package

You will receive a copy of the Student Information Form and 2 Consent Forms (double sided).

These forms must be completed for every child that attends St. Denis Catholic School.

These forms will be stored in the office and only staff will have access to this vital and confidential information. Please fill in the information on the forms and return it to the school by Friday, September 13, 2024. It is very important that we have the correct information about where we may

reach you or whom you designate as a contact if you are not available during school hours. It is imperative that we have a contact number on file and that there is someone available to pick your child up when called. Please check with the emergency contact to make sure these arrangements are suitable.

Anaphylaxis Alert

As you are aware, the Niagara Catholic District School Board has in place a policy concerning ANAPHYLAXIS – i.e. life threatening

allergies. We have children in our school who suffer extreme allergic reactions to bee stings and certain foods (including peanut butter, dairy products, eggs). Specifically, we have several students in our school who will begin to suffer an extreme reaction by just touching a surface that has a trace of peanut butter/oil product. Our community is encouraged to be sensitive to the real threat that products containing peanuts, peanut butter or nut oil products pose to these children. While there is no Board wide ban on peanuts or peanut butter, we would appreciate your cooperation in not sending peanut products in lunches and snacks with your children. We are a nut safe school. We look for your support in making our school environment safe for all of our children.

Respectful Interactions

St. Denis Catholic School is rooted in Catholic and Christian values. Our goal is to create a safe, kind and loving environment for all who work, learn, and assist with our school community.

Aggressive or hostile behaviour or language toward, staff, students or our community helpers will not be tolerated. While we welcome feedback, concerns and opinions it is the expectation that all staff, students, parents, guardians and community helpers communicate their needs and concerns with one another in a respectful and peaceful manner whether through email, on the phone or face-to-face.

Adherence to this expectation is vital in order to create a community which can solve problems and help one another achieve success.

Voicemail

Due to a school's fast paced day, callers may get the voice mail recording. Please leave your name, number, the time of your call and a brief reason for the call. If the message is urgent, please continue to phone until someone answers. Calls will be returned or forwarded to the appropriate staff member, on the secretary's return to the office. Please do not leave information regarding student pickup or emergency information on the answering machine after 2:00 p.m. We do not guarantee that this information will be received before dismissal.

Attendance Procedure - Safe Arrival Program

Please be advised of the Ministry Regulations related to Attendance Procedures. A note must be sent to the school when your child/ren are leaving the school early for any reason. Parents/guardians will need to call the Safe Arrival System. This is a necessary safety

procedure and another means of ensuring the safety of and Visitors to the School

Please remember if you need to drop something off to your child, you must ring the doorbell.

Please wait for the secretary and explain to Mrs. Korsmit what you are dropping off and which student the item is going to be given to in the school. Please make sure that the item has your child's name on it and their grade. This will help the office distribute items easily.

Parents are encouraged to wait for their children outside of the school. Please do not feel offended if you have to wait for the secretary to answer you as if she is on the phone assisting someone else, you may have to wait. Please inform grandparents, aunts and uncles of this routine as well.

We have accountability for all of our students. Students arriving at school late will not be admitted to class without stopping by the office. If you are picking your child up for an appointment, please ring the doorbell and wait for the secretary to call your child down to the office. You will need to wait outside until your child arrives to greet you at the front door. All students need to be entered into the Safe Arrival System before your child will be released. Your cooperation is greatly appreciated.

Visitors to the School

Please remember if you need to drop something off to your child, you must ring the doorbell. Please wait for the secretary and explain to Mrs. Korsmit what you are dropping off and which student the item is going to be given to in the school. Please make sure that the item has your child's name on it and their grade. This will help the office distribute items easily.

In the past we have lunches dropped off by different agencies such Uber Eats etc. This is very difficult for the office as the drivers do not know the child's name or grade that they are delivering for at the school. We encourage you if necessary to drop off your own child's lunch in the manner addressed above as it is easier to ensure that your child gets the correct lunch and on time. We cannot guarantee that lunches will be delivered on time if sent this way.

Parents are encouraged to wait for their children outside of the school. Please do not feel offended if you have to wait for the secretary to answer you as if she is on the phone assisting someone else, you may have to wait. Please inform grandparents, aunts and uncles of this routine as well.

Open Communication

As parents, your support is critical to the success of your child(ren). Open and continued communication is key. We encourage families to provide the office with an updated email address. We send parents current information regarding daily events, school closures and reminders via email. In addition, our school newsletter and calendar are posted on our school's website and also sent via email. **This year we continue to encourage you to follow us on Instagram(st.denis_ces) as we endeavor to provide up to the minute information.** Thank you for your continued support, as we work together to ensure a strong partnership between home and school

New This School Year!!

It is important for parents to understanding changes coming to all schools within the Niagara Catholic District School Board.

Earlier this spring, the Ministry of Education issued new requirements for school boards to follow to ensure the health, safety, and well-being of everyone in our schools.

The revised PPM 128 addresses issues including the use of cell phones and vaping. PPM 170 outlines the Ministry of Education's expectations for communication between home and school.

All Niagara Catholic schools will follow these Ministry of Education directives.

Cell Phone Use in Schools

When the new school year begins in September, new rules will be in place regarding the use of personal cell phones in class. Students who bring their cell phones to school must have the phone stored out of view and turned off or onto silent mode during the instructional day. They may only use it if their teacher permits it for learning, for health or medical purposes, or to support special education needs.

If a teacher sees a cell phone that is not stored out of view, students will be required to hand in their device in for the instructional day. The cell phone will be placed, by the student, in a secure storage area designated by the principal.

If a student refuses to hand in their personal mobile device, the Ministry requires that the student be sent to the principal's office. Consequences for failing to hand in their phone is at the principal's discretion.

School boards are now required to disable access to social media platforms on school networks and board devices. This is intended to limit the number of interruptions in class and to benefit the mental health and well-being of students. Niagara Catholic already blocks access to some social media sites. Now all will be unavailable to students on the board network during the school day.

Cigarettes, Vaping, or Nicotine, Cannabis, or Alcohol Use at School

Another measure coming into effect in September to protect the health and well-being of students is the installation of sensors to detect vaping in schools.

The Smoke-Free Ontario Act bans the use of any tobacco, nicotine, or e-cigarette (vape) on school property. The changes to PPM 128 strengthen the enforcement of consequences for students who

use or share cigarettes or other tobacco products, nicotine products, e-cigarettes (vapes) at school.

Anyone under the age of 19 is prohibited from buying or possessing alcohol or cannabis. These substances, and any illegal drug, are prohibited on school property.

The new rules require school boards to develop a policy to handle any prohibited items that are surrendered, if one does not exist already. The policy must comply with federal and provincial regulations. To ensure compliance with the provincial regulations Niagara Catholic's Facilities Services team will install equipment to detect the use of cigarettes or e-cigarettes in schools this year. These expectations are outlined in the Board's Electronic Communications Systems Administrative Operating Procedures for students, and the Board's Code of Conduct AOP.

We ask parents to please speak to your children about these new provincial rules and support your child's teacher(s) and Principal in enforcing them.

Questions, concerns, or complaints: Understanding the process

Finally, the Ministry of Education has given school boards new requirements on how we communicate with parents who have questions, concerns, or complaints.

This new guidance builds upon our established practice for resolving issues, including giving parents a timeline for a response. This is outlined in the process below. This information will also be shared on the Parents section of the Board website and school websites in time for the start of the new school year.

Niagara Catholic's Multi-Year Strategic Plan prioritizes transparency in communication with families and stakeholders as a key priority. Our Complaints Resolution Policy, first passed in April 1998, addresses the steps families must take to resolve an issue at their child's school. PPM 170 ensures commitments the provincial government made in *Your child's education: A parent guide to our school system* are fully addressed.

Parents/guardians should expect a response to a concern or complaint within two business days. If an inquiry needs more time, you will be given an estimated time for a detailed response at the end the second day.

If you have a question about a classroom-related matter, such as curriculum, homework, classroom behavior, or specific incidents, please contact your child's teacher.

If you cannot resolve the issue at the classroom level and/or have a question about school procedures, extracurricular activities, or safety concerns, please contact the school's Vice-Principal or Principal.

For issues unresolved at the school level or issues related to Niagara Catholic policies, procedures, resource allocation, or other concerns, please contact the Superintendent of Education assigned to your child's school.

In keeping with the Board's commitment to accessibility, parents and guardians have a right to expect information will be delivered in clear, easy-to-understand language.

Electronics

The Electronic Communications Systems Policy states that phones, tablets, laptops, audio or video recording devices are eligible for use by students in all Niagara Catholic elementary and secondary school classrooms as only approved by staff for instructional or co-instructional purposes. The expectation is that students will use NCDSB's electronic communications systems

for educational purposes, to enhance learning through responsible access to global information and communication. Students who carry cell phones when travelling to and from school, for safety reasons, are reminded they are not allowed to use their cell phones to call home or text message once they are on school property. **All cell phones must remain off and put away during the school day unless noted by the classroom teacher!** Students are asked to please use the student phone in the office if they are not feeling well or wish to call home.

Catholic School Council

The St. Denis Catholic School Council is currently seeking nominations for parents to sit on the 2024-2025 Catholic School Council. The Ministry of Education's Policy on School Councils mandates that a council be in place within the first thirty calendar days of the start of the school year. If you wish to be a part of this year's council, please complete the nomination form accessed on the button below and return it to school.

The council is responsible for providing advice to the Principal on a number of issues affecting the school. These issues include the following:

- The Catholic Character of the school
- School Community events and functions
- Promoting the best interest of the school community
- Curriculum topics
- Policy reviews

Each voting member of School Council is required to attend meetings which at this point will be held virtually four times a year. Please consider getting involved and helping to build our school community.
