Your child's class placement

Parents can access their child's placement using the parent portal THURSDAY August 29 as you did when you accessed your child's report card. Here is the link: [Parent Portal School List - Niagara Catholic District](#).

Please know that much time has been put into placing children using a variety of criteria and parent requests that we received. While we made every effort and attempt to ensure all accommodations were considered, there may be some accommodations that we simply could not put into place. **Class placements may change ONLY if enrollment changes.** Other than for that particular reason, **we are not able to accommodate any parent requests for changes** in class placement.

The best interest of your child is our main priority. How Can Parents Help? Please trust our professional judgment to make good decisions regarding your child's placement. Talk positively and hopefully to your child about this year. We are looking forward to another wonderful school year with your support.

FOR YOUR ADVANCED PREPARATION- class sizes are large and this may result in class configuration changes. This will be decided by mid-September. EVERY effort will be made to ensure a smooth seamless transition to another class should we need to move students. Your cooperation is anticipated and appreciated.

The first day of school- Things you need to know

PLEASE REVIEW THIS WITH YOUR CHILD to prepare them for the first day back.

All students (1-8) will be entering the building through the front door at the beginning of the day and proceed to their classroom and will exit the building through the front doors unless otherwise directed by teachers. Kindergarten children will proceed to the Kindergarten area (fenced in) and will be greeted by their teachers. **Parents of Kindergarten children are reminded not to linger as this will increase stress and anxiety levels for students who have difficulty with parent separation.**

Parents will not be permitted to exit their car if they are using the kiss and ride lane. If you wish to exit your vehicle and escort your child to the entry door, you will need to park your car. Bus lanes cannot be used by parents unless all buses have entered and exited safely (this is usually after 8:25 am or after 2:50 pm). THIS IS INTENDED TO KEEP YOUR CHILDREN SAFE and trumps convenience.

Balanced Day

Just a reminder that all Niagara Catholic elementary schools will be on a Balanced School Day schedule effective **September 3, 2024**. A Balanced School Day is a modified elementary school schedule designed to enhance learning, foster healthy habits, and encourage daily physical activity. This schedule will be new to everyone this year including staff. As a collective, we will all navigate through this new schedule and make adjustments as necessary. This schedule comprises three instructional blocks interspersed with two nutritional breaks of approximately 40 minutes, allowing 20 minutes for a nourishing lunch and an additional 20 minutes for indoor and/or outdoor physical activity.

A typical Monday to Friday Balanced School Day at Our Lady of Fatima would be:

8:25 am - 8:35 am - Morning entry

8:35 am - 10:35 am – 120 instructional minutes

10:35 am - 11:15 am – 40 minutes nutrition/physical activity break

11:15 am -12:35 pm – 80 instructional minutes

12:35 am - 1:15 pm – 40 minutes nutrition/physical activity break

1:15 pm - 2:35 pm – 80 instructional minutes

2:35 pm -2:45 pm - Afternoon dismissal

Tips for Parents

How to Plan and Prepare for Nutritional Breaks Packing a nutritious meal for the Balanced School Day can be both enjoyable and straightforward. Here are some suggestions to help you plan a healthy lunch for your child:

- Divide a single lunch into two portions to ensure adequacy for each nutritional break.
- Wrap sandwiches individually or cut them in half.
- Separate fruits, vegetables, crackers, and cheese into labeled bags for each break.
- Consider providing two healthy drinks for each break.
- Avoid packing foods containing nuts or nut products to support our peanut-safe schools.
- Involve your child in planning and preparing their nutritional breaks.
- Ensure your child includes a balanced selection of healthy foods if they are responsible for packing their lunch.
- Aim to include items from three of the five food groups outlined in Canada's Food Guide to Healthy Eating for each break.

To accommodate these changes, the school day will be extended by 10 minutes. As communicated by NSTS, our school day for September 3, 2024 will begin at 8:25 am and conclude at 2:45.

IMPORTANT Cell Phones- Smart Watches, etc.

As we continue to foster a safe and positive learning environment for all students, I would like to remind you of the new regulations regarding cell phone use that have been implemented in Ontario schools.

To minimize distractions and maximize learning, **cell phones are only permitted during instructional time when they are being used for educational purposes as directed by the teacher.** Outside of these times, students are expected to keep their phones turned off and stored away unless needed for documented learning needs and/or health related requirements. **We will be purchasing classroom lock boxes for our students in Grades 6-8 to house their phones should they not wish to store them in their lockers/backpack.** Students in Grade 5 or younger should not be bringing their cell phones/smart watches to school.

We kindly ask for your support in reinforcing this policy with your children and encouraging them to focus on their studies during school hours. **Any student who has their phone out without the explicit permission of the teacher will be asked to place their cell phone in another location (classroom or office) until the end of the day.**

Your cooperation is essential in helping us maintain a healthy and respectful school environment. If you have any questions or concerns regarding these rules, please do not hesitate to contact the school. Thank you for your understanding and support.

Updated Emergency Forms

Emergency forms will be sent home to all families during the first week of school. If there are no changes to the form, please reply “No Changes” so that we know you have received the form. We will be making these changes as we receive them.

EMAIL ADDRESS

As the majority of correspondences/newsletters/updates, etc. are now e-mailed, we would ask that you provide the office with your updated email address if you already have not done so to ensure that you are in receipt of all communications as they relate to your child(ren). Your cooperation in this regard is greatly appreciated.

Attendance Reminder

Please remember to enter your child's absence or late arrival before 8:15 am. After 8:30 am, you will have to call the school or wait for the callout system to contact you. The system will continue to call out until you have completed all the steps required. The link has been provided below:
