The staff at St. John Henry Newman staff would like to thank Antica Pizzeria for sponsoring our staff luncheon in June. The pizza was incredible and your generosity is unmatched. If you're looking for delicious wood fired pizza, look no further than Antica Pizzeria.

## Eyes Ready for the School Year

Proper vision is important for a student's learning and social development. A full eye exam by an eye doctor (optometrist) is the best way to ensure a healthy eyes and good vision. The Eye See... Eye Learn® program is for students in junior and senior kindergarten to have a full eye exam (covered by OHIP)

with a participating optometrist. If a child needs glasses, they will receive a free pair donated by Plastic Plus, Modern Optical Canada and the participating optometrist. For children aged 19 and under, OHIP covers the cost of a complete annual eye exam and any follow-up assessments that may be required.

A yearly eye exam is recommended – find an eye doctor near you. For more information, please visit <https://www.niagararegion.ca/health/schools/vision-screening.aspx>
