September Reflection

"Listen and hear my voice; pay attention and hear what I say" (Isaiah 28:23) Have you ever stopped to think about how much noise there is in our lives today? We are bombarded from morning to night with so many voices calling out for our attention. God tells us to "listen" and to "pay attention." His voice is not a loud voice, but a voice that speaks to us in the silence (1 Kings 19:11-13). God doesn't want to be one voice among many. He wants His voice to be our guiding light. He doesn't want a part of our heart. He wants our whole heart, because He has made our hearts to find joy in Him. What are the loud voices in your life that make it hard to find times of silence for prayer? What can you do today to make more time for God?"

Weekly Update

Greetings OLHR families,

We continue to be blessed here at Holy Rosary - our students have been so great these last few weeks: adjusting to routines, working hard, respecting class and school rules.

We look forward to meeting with you all on Wednesday, September 18th from 4 - 6 pm for our Meet The Staff Night.

We will be gathering outside where we will have an opportunity to mingle with one another and meet the staff of Our Lady of the Holy Rosary Elementary School.

4-5 pm - staff will be in the school

4-6pm - we have arranged for a variety of food trucks to be present on the property should you wish to purchase something from our vendors.

Lastly, we want to remind you of our Terry Fox Fundraiser. We will kick it off this week beginning with information over the morning announcements for our students. Families are encouraged to visit the link below.

Thank you,

OLHR Staff

Our main parking lot/Bus Drop-off has been newly paved and repainted. We ask that you please use the Kiss & Ride lanes at the Collier Road entrance to ensure greater student safety. If you are using the Sullivan street parking lot, please do not park in the bus lanes and be mindful of students and others walking across the parking lot.

A flyer titled "NIAGARA CATHOLIC Standardized Elementary Dress Code". It includes a logo with a cross and the text "OUR DRESS CODE COLOURS". The flyer lists rules for tops and bottoms, and includes images of acceptable clothing items. At the bottom, it says "Nurturing Souls & Building Minds".

Day of Truth and Reconciliation- Orange Shirt Orders

Orange shirt Day will be September 30th. An email has been sent to families with ordering information.

Information Update

We remind you that it is important to keep the office updated with regards to any new information or changes to the information we have on file for your child. This may include new phone numbers, change of address, medical information, custody orders etc.

Bicycle/Scooter/Rollerblade Safety

We would like to remind all students riding their bikes/scooters/rollerblades to school to please make sure you walk your bicycles and scooters on the property and to ensure you are wearing your helmets. Those coming to school by rollerblades should also change into their shoes before entering the gated

area.

Public Health Update

Families are reminded to please update your child/children's immunization records with Niagara Region Public Health. You may do so by clicking this [link](#). Any students who have not completed the immunization reporting may be issued an Order of Suspension by NRPH this August. For more information please go to [NRPH website](#) if you have vaccine/record review questions or please call your health care provider. Families may also contact Public Health at 905-688-8248 or 1-888-505-6074 ext. 7425 and ask to speak with a public health vaccine nurse.

Updating Medical Information /Forms

Each new school year all schools are required to update medical information of all of their students. The summer time is usually the most convenient time for parents to contact their child's doctor in order have them complete the necessary forms we require here at school. If your child has an anaphylactic reaction to anything and requires the administering of any medication, we will require the **doctor** to complete the necessary forms for emergency protocols as well as the administering of medication. We **cannot** administer any medication without specific orders given

by your child's doctors. The same consent is necessary for all medications relating to any medical condition. Students with Asthma, Diabetes, Epilepsy or any other medical condition will also be required to complete the protocols specific to those conditions. A copy of the necessary forms will be sent home via email next week.

Lunch Delivery

If you are dropping off a lunch or having one delivered to the school, please have your child's first and last name clearly labeled on the package. **Please make sure delivery services have the student's name when dropping off lunches.** Also, please verify in your SchoolCashOnline portal that you ordered lunches on our Specialty Food Days. We do not order extras and will not have additional food in case your child doesn't have a lunch. We do always have additional items in our snack bins and we will do our best to provide food if they cannot contact you. **Please review the new student Nutrition Break times.**

SAFE ARRIVAL

Please remember to report your child's absence using the [SAFEARRIVAL](#) portal. With the office being a very busy place, you can also put in an **EARLY DEPARTURE**. This will allow us to have your child ready and at the office for the time you have selected. Often when parents call at the last minute, it may be difficult to

get students down at the office due to the large number of calls. Advanced planning will be extremely helpful.
