NIAGARA CATHOLIC DISTRICT SCHOOL BOARD

PRINCIPAL'S MESSAGE

The term 'Thanksgiving' is in reference to "a prayer expressing gratitude".

As Thanksgiving approaches, we are reminded that this is a time for us to reflect on and celebrate not only the harvest, but all blessings of the past year. It is a time for us as a Catholic School Community to gather as one family to share our traditions, values and customs that we hold most precious. It is a time that we prepare our hearts in gratitude, by giving thanks and extending ourselves to give to others in need.

In the Bible, the meaning of Thanksgiving reflects adoration, sacrifice, praise, or an offering. The true meaning of Thanksgiving focuses upon relationships. Thanksgiving is a relationship between God and His children. At St. John Catholic School we strive daily to build and foster positive relationships with God, peers and all those we meet. We acknowledge God as faithful, and always give Him thanks for His abundant blessings. "Do not worry about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God" (Philippians 4:6).

In short, Thanksgiving is an attitude of the heart that reinforces our intimate relationship with God. So as this season of Thanksgiving approaches, let us take time to thank Father Rico for his guidance and spiritual leadership, and for the hard work and dedication of the staff at St. John. We also give many thanks to the commitment of our Catholic School Council members as they continue to work tirelessly to enrich our school community. Finally, we would also like to extend our gratitude to all of our families for their ongoing generosity throughout the Thanksgiving Food Drive. Your kindness is very much appreciated.

On behalf of the staff at St. John Catholic School, we wish you and your family all the blessings God has to offer at this time of Thanksgiving, as gratitude is the heart's memory. Have a blessed Thanksgiving!

Mr. D. Forte
Principal

OCTOBER - A MISSION OF FAITH

*"Having faith does not mean having no difficulties, but having the strength to face them, knowing we are not alone."
- Pope Francis*

Our theme for the month of October focuses on a mission rooted in faith and what it means to share the Good News with the people we encounter every day. As disciples of Christ, all that we say and do should bear witness to our faith in God. May we be mindful of this mission to share the Good News and may every moment of our day be an opportunity to live it.

THANKSGIVING FOOD DRIVE

The true spirit of Thanksgiving is to give thanks for all that we have received. At St. John, we are having a non-perishable goods food drive in support of **Community Care of West Niagara** until **Thursday, October 10**. Community Care of West Niagara is in great need of non-perishable food items and canned goods. Any food items families are able to contribute would greatly benefit many families in need in our community.

Your continued generosity in helping those in need is greatly appreciated. Thank you for being the hands and feet of Christ in our community.

NATIONAL DAY FOR TRUTH & RECONCILIATION EVERY CHILD MATTERS

The date **September 30** has been declared the **National Day for Truth & Reconciliation (Orange Shirt Day)** throughout Canada in recognition of the harm done to generations of children by the Indian Residential Schools, and as an affirmation of Niagara Catholic's commitment to ensure that **every child matters** as we continue on our reconciliation journey.

The origin of Orange Shirt Day is based on a story shared by a survivor of the residential school system, Phyllis Webstad, during the Truth and Reconciliation meetings held in Williams Lake, BC in 2013. In response, schools celebrate Orange Shirt Day as affirmation that the sense of worth of every child does matter and the colour orange is the visible symbol of that support.

On **September 30** all members of the St. John Catholic School Community were invited to wear an orange shirt or clothing item in support of Orange Shirt Day. We thank everyone for their participation in this very significant day as we continue on our journey toward truth and reconciliation.

VISITORS TO THE SCHOOL

School visitors continue to be restricted out of an abundance of care and consideration for the health, safety, and privacy of students and school staff. Essential items that must be dropped off are to be labelled clearly and can be placed on the cart to be retrieved by a designated staff member. On behalf of school staff, students, and families, thank you everyone for their ongoing cooperation with this very important matter.

INFORMATION FROM PUBLIC HEALTH

Thank you to everyone for their understanding of this very important health and safety matter.

**PREVALENT MEDICAL CONDITIONS**

If your child has a prevalent medical condition that the school should be aware of and plan for, it is necessary to read the letter to families, and complete and/or update the applicable Plan of Care forms. During this school year, the Niagara Catholic District School Board has created an Asthma Policy. If your son/daughter has been diagnosed with asthma, please contact the office at your school to provide information about your son/daughter's asthma medication. You will be required to complete and submit the Niagara Catholic Student Asthma Management Plan for your student. Any student under the age of 16 years will be permitted to carry and administer his/her asthma medication at school with your consent. A student 16 years or older is not required to have his or her parent's or guardian's permission to carry his or her asthma medication. NIAGARA CATHOLIC RESPECTFUL INTERACTION FRAMEWORK

St. John is rooted in Catholic and Christian values. Our goal is to create a safe, kind and loving environment for all who work, learn, and assist with our school community. Aggressive or hostile behaviour or language toward, staff, students, or our community helpers will not be tolerated. While we welcome feedback, concerns, and opinions it is the expectation that all staff, students, parents, guardians and community helpers communicate their needs and concerns with one another in a respectful and peaceful manner whether through email, on the phone or face-to-face. Adherence to this expectation is vital in order to create a cohesive and cooperative community that helps one another achieve success.

SPECIAL EDUCATION ADVISORY COMMITTEE (SEAC)

The Special Education Advisory Committee (SEAC) of the Niagara Catholic District School Board is made up of Association representatives and Trustees whose role is to support students with diverse needs and their families. The Committee makes recommendations to the Board with regards to matters relating to educational programs and services to be implemented in schools for our students who meet this criteria. All parents are welcome to attend the monthly meetings and learn about different programs and supports that are available in special education.

DISTRICT SCHOOL BOARD

HALLOWEEN

St. John students will participate in Halloween activities in their respective classrooms, as well as a **Dance-a-Thon** on **October 31**. Students may come to school dressed in Halloween costumes and are invited to remain in them for the duration of the day. Students are asked to bring a change of clothes, should they want or need to change out of their Halloween costume later in the day. Due to a number of students in our care who are anaphylactic to nuts, peanuts, and other sources of nuts, **only prepackaged snacks that are clearly labelled as 'nut-free' may be brought in to be shared among students**. Please be advised that nutritional foods are encouraged. Further details will be communicated to families as the date approaches.

HALLOWEEN SAFETY

Some pointers to keep the trick or treaters safe, should parents decide to send their children out on Halloween night:

- *Children under nine years of age should go out with an adult or responsible older child.*
- *Be sure your child stops at all curbs, looks left, right and left again for traffic. Remind children to cross at crosswalks, street corners or intersections.*
- *Bright coloured costumes will make your child more visible. Face paint instead of masks that cover the eyes helps them to see better. Have your child carry a flashlight.*
- *When children get home, be sure to check all treats carefully, and throw away any treats that aren't wrapped.*

ONTARIO DRESS PURPLE DAY

Every October, Children's Aid Societies across the province of Ontario raise awareness about the role that adults and communities play in supporting vulnerable children, youth, and families.

Monday, October 28 is Ontario Dress Purple Day. On this special day, the Ontario Association of Children's Aid Societies partners with boards of education, schools, and child care facilities across the province to speak up for every child and youth's right to safety and well-being in all spaces. In doing this, we are called to celebrate the community that cares for kids by encouraging everyone to dress in the colour purple.

Ontario Dress Purple Day offers an important opportunity to raise awareness among elementary, middle, and high school students about their right to safety and well-being.

At St. John Catholic Elementary School, all students, staff, and community members are encouraged to come to school wearing the colour purple in support of Ontario Dress Purple Day. We look forward to seeing everyone in purple as we demonstrate our commitment to the well-being of children and youth across the Niagara Region, province of Ontario, and the globe!

BLESSED TRINITY CATHOLIC SECONDARY SCHOOL

It has been a great start to the year here at Blessed Trinity for all of our students as many sports, clubs and extra-curricular activities are already in full swing. Our Grade 9 students have already been, or will be, involved in a number of activities to ensure their transition to high school is a successful one. Before school even started our Grade 11 and Grade 12 Thunderstruck – Link Crew members hosted an Orientation Day on Wednesday, August 28th. Over 95% of our incoming grade 9 students attended and enjoyed a morning of fun activities, tour of the school, practiced opening locks and a delicious pizza lunch. They were also able to meet many of their new classmates with whom they will be spending the next 4 exciting years together here at BT.

September 26th will be a busy day at Blessed Trinity. All of our Grade 9 students will be participating in a Terry Fox walk to raise awareness and money for cancer research. Our Link Crew leaders have been encouraging all of our grade 9's to solicit donations to help us reach our goal of raising \$2000. On the same day we will be hosting our Grade 9 Curriculum Night for all of the Grade 9 students and their parents.

Lastly, we will be celebrating Orange Shirt Day as part of Truth and Reconciliation week to remember all of those impacted by Residential schools at the end of the month.

October is already shaping up to be another busy month, in particular, we will be focusing on the current grade 8's and starting a number of visits and interactions throughout the year to get our grade 8's excited about coming to Blessed Trinity. It all starts with an opportunity to watch our Jr Football team play on our new turf field on October 9th!

We look forward to meeting all the prospective Thunder over the next few weeks and working with them to make the transition as seamless as possible.

ST. JOHN 'EcoSchools' INITIATIVE

At St. John Catholic School, we continue to remain active in our efforts to continue to fulfill our goals to serve as "Stewards of God's Earth". We continue to maintain our environmental efforts, nurture our students as both current and future environmental leaders, and reduce the ecological impact of our school.

Families are advised that we are continuing with the promotion of **Waste-Free Lunch Wednesdays** here at the school. A waste-free lunch is one that contains reusable containers to pack your child's lunch and snacks. Although participation is optional, when we pack a waste-free lunch, we are helping the earth by reducing the use of plastic bags, wrappers and minimizing the amount of garbage.
