I'm thankful, Lord - so thankful  
You've blessed me day by day.  
Food, shelter, friends and family  
You've given when I pray.

And though I am quite grateful  
for these things I hold so dear;  
what I really cherish most of all  
is Your presence ever near.

I may be full or empty.  
I may be glad or sad.  
But You're the constant in my life,  
the best blessing I could have!

Thank you, Lord.  
I love you.

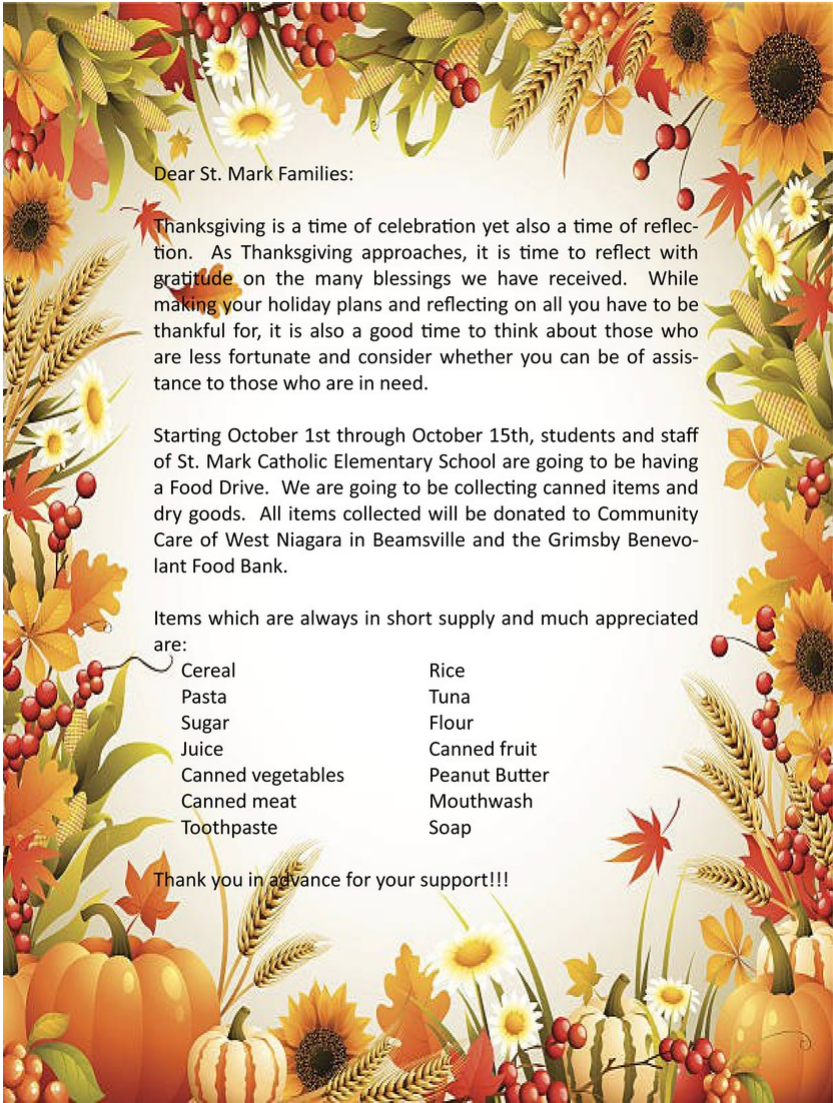

## Thanksgiving Food Drive 🍂

A very big thank you to Mrs. Ferrelli's class for taking the lead on our Thanksgiving food drive. Mrs. Ferrelli's class will be collecting and organizing food for our Thanksgiving food drive from October 1st to October 15th. We ask that students bring in the donated

items to their classroom to be tallied, because the classroom that collects the most donations will receive a pizza lunch to enjoy! All donations are being brought to Community Care of West Niagara in Beamsville and the Grimsby Benevolent Food Bank.

Thank you for your support!

Dear St. Mark Families:

Thanksgiving is a time of celebration yet also a time of reflection. As Thanksgiving approaches, it is time to reflect with gratitude on the many blessings we have received. While making your holiday plans and reflecting on all you have to be thankful for, it is also a good time to think about those who are less fortunate and consider whether you can be of assistance to those who are in need.

Starting October 1st through October 15th, students and staff of St. Mark Catholic Elementary School are going to be having a Food Drive. We are going to be collecting canned items and dry goods. All items collected will be donated to Community Care of West Niagara in Beamsville and the Grimsby Benevolent Food Bank.

Items which are always in short supply and much appreciated are:

- |                   |               |
|-------------------|---------------|
| Cereal            | Rice          |
| Pasta             | Tuna          |
| Sugar             | Flour         |
| Juice             | Canned fruit  |
| Canned vegetables | Peanut Butter |
| Canned meat       | Mouthwash     |
| Toothpaste        | Soap          |

Thank you in advance for your support!!!

**Halloween Fun - October 31st**

This school year students are welcome to wear their costumes or orange and black in the spirit of Halloween on Thursday, October 31st. Please remember costumes that are intended to scare, have blood, or weapons are not allowed. Halloween at school is for fun, and scary costumes are not fun for some of our younger students or students with special needs. Halloween activities will be taking place in each classroom throughout the day. Please remember that we have many students with food sensitivities and allergies,

including life threatening anaphylaxis, so we ask that NO food items are sent into school. Thank you for your understanding.

### Help Keep the Classroom Germ Free – Stay Home When Sick

Fall brings the 'unofficial' start of respiratory illness season. This means that viruses that affect our respiratory system (for example our lungs and throat) begin to spread more often.

Help keep the classroom germ free by keeping your child home if they are sick. If your child is sick, they should stay home from school until:

- ✓ They have no fever, without the use of fever reducing medication **and**
- ✓ Their symptoms have been improving for at least 24 hours or 48 hours if they have nausea, vomiting and / or diarrhea **and**
- ✓ They don't develop any new symptoms

Each year, different respiratory viruses can be spreading in our community at the same time. These viruses can have similar symptoms. This means it can be hard to tell what you are infected with based on just symptoms alone. For more information on, visit [Managing Illness - Exclusion periods](#) and our downloadable resource [Respiratory Illnesses: Protect Yourself and Others](#).

By keeping your child at home when they are feeling sick, you are actively helping to prevent the spread of infection and disease among the entire school community.

## BT Corner

It has been a great start to the year here at Blessed Trinity for all of our students as many sports, clubs and extra-curricular activities are already in full swing. Our Grade 9 students have already been, or will be, involved in a number of activities to ensure their transition to high school is a successful one. Before school even started our Grade 11 and Grade 12 Thunderstruck – Link Crew members hosted an Orientation Day on Wednesday, August 28th. Over 95% of our incoming grade 9 students attended and enjoyed a morning of fun activities, tour of the school, practiced opening locks and a delicious pizza lunch. They were also able to meet many of their new classmates with whom they will be spending the next 4 exciting years together here at BT.

September 26th will be a busy day at Blessed Trinity. All of our Grade 9 students will be participating in a Terry Fox walk to raise awareness and money for cancer research. Our Link Crew leaders have been encouraging all of our grade 9's to solicit donations to help us reach our goal of raising \$2000. On the same day we will be hosting our Grade 9 Curriculum Night for all of the Grade 9 students and their parents.

Lastly, we will be celebrating Orange Shirt Day as part of Truth and Reconciliation week to remember all of those impacted by Residential schools at the end of the month.

October is already shaping up to be another busy month, in particular, we will be focusing on the current grade 8's and starting a number of visits and interactions throughout the year to get our grade 8's excited about coming to Blessed Trinity. It all starts with an opportunity to watch our Jr Football team play on our new turf field on October 9th!  
We look forward to meeting all the prospective Thunder over the next few weeks and working with them to make the transition as seamless as possible.
