- *Knitting Club in the resource room at 10:50-11:30

Christmas Store

The Christmas Shop is back for another year! Catholic School Council is excited to set up the Christmas Shop again this year and give students the opportunity to visit and shop from December

2nd to December 5th during their scheduled class time. Each student will be able to purchase two items for loved ones. Each item will be priced at \$2.00/each.

In order to make this shop successful, we are asking for donations from families to fill our shop shelves. Gently used items in the form of decor, books, jewelry, scarves, mugs, candles, etc. are needed.

We are also in need of donated wrapping paper, Christmas bags, tissue paper and gift tags so each item can be wrapped and ready to put under your Christmas tree. This is a great opportunity for

families to clean out their closets and get rid of things they may not need anymore! If you have any donations, please send them to the school with your child or drop off at your convenience to the front office. We will be accepting donations starting Monday, November 11th until Thursday, November 28th.

This shop has been a huge hit for the students the last few years and we are excited to see the joy on their faces as they get to personally shop for their families! Thank you in advance for supporting our 2024 SJHN Christmas Shop! All proceeds from the 2024 Christmas Shop will go towards The Soup Kitchen and Pathstone Mental Health Foundation.

St. Paul High School: Students of the Month

Mia Li from Mrs. Piro's Kindergarten

Mia has excelled in completing all of her work to the best of her ability and takes great pride in everything she attempts. We are very proud of Mia!

Blake McDonnell from Mrs. Capitano Grade 8

We are very proud of the great start Blake has had in grade 8. He began the school year with a positive attitude and a desire to improve in order to be ready for high school next year! Keep it up Blake!!
