Arriving On Time

Unfortunately there has been a great deal of late students in the mornings.

We would like to remind families that supervision starts at 8:25am and the bell rings at 8:40am to start our school day.

It is important that your children arrive on time every day.

It is disruptive to your child's classroom teacher, peers and the main office when students arrive late.

TIPS FOR ARRIVING ON TIME

- *Lay out clothes that you plan on wearing the night before
- *Set your alarm to go off 10-15 minutes earlier in the morning
- *Prepare items such as jackets, shoes, backpacks, etc. at the front door before heading to bed
- *Create a visual schedule of tasks that need to be done before leaving for school.

It is important for schools and parent/guardians to work together to promote student punctuality and attendance.
