COUNCIL MEETING**

A. ROUTINE MATTERS

1. Land Acknowledgment

The Niagara Catholic District School Board wishes to honour the Indigenous people who have been the protectors of this land, known as Turtle Island, for more than ten thousand years. We begin this meeting by acknowledging the land on which we gather is the traditional territory of the Haudenosaunee and Anishinaabe peoples, many of whom continue to live and work here today. This territory is covered by the Upper Canada Treaties and is within the land protected by the Dish With One Spoon Wampum agreement. Today this gathering place is home to many First Nations, Métis and Inuit peoples and acknowledging reminds us that our great standard of living is directly related to the resources and friendship of Indigenous people.

2. Opening Prayer – Prayer for Catholic Education

Prayer for Catholic Education O Holy Spirit, Source of truth and grace for those entrusted with the Christian development of children, enlighten our minds, strengthen our wills and fill our hearts with generosity so that our homes, our parish of the Cathedral of St. Catherine of Alexandria, St. Nicholas Catholic School and our community may cooperate effectively with You, and with one another in the exalted mission of Catholic Education. We make our prayer through Christ, Our Lord.

Amen
