## PRINCIPAL'S MESSAGE

A Prayer for the New Year

Come, Holy Spirit, Spirit of the Risen Christ, be with today and always. Be our Light, our Guide, and our Comforter. Be our Strength, our Courage and our Sanctifier. May this new year be a time of deep spiritual growth for us, a time of welcoming

Your graces and gifts, a time for forgiving freely and unconditionally, and a time for growing in virtue and goodness. Come, Holy Spirit, Be with us today and always, Amen.

## JANUARY STUDENT WORK

Upon our return on January 6th, 2025 students and teachers will focus on continuous learning as we work through the remainder of Term 1. Students are encouraged to return to school ready to learn and show what they know. January is an opportunity for students to focus on their work and complete all assignments promptly.

Term 1 ends January 30, 2025!

## FAMILY LITERACY DAY

Family Literacy Day - January 27, 2025

Make a pledge as a family to learn ways to be more green. Use less electricity, commute together, and reuse items. Being green together is a fun way to learn as a family while being kind to the environment. Family Literacy Day will take place on January 27, 2025.

## ECO CORNER

This month our ECO schools focus will be on reducing our footprint in regards to school wide waste. We will host Wasteless Wednesdays all throughout the month of January. Students are encouraged to bring a litterless lunch each Wednesday during the month. Alternatively, students may bring a boomerang style lunch, which simply means that any waste returns home in their lunch pale to be disposed of or recycled at home.
