DEFINITION OF A COMPLAINT

A complaint is defined as any verbal or written communication expressing dissatisfaction with the application of policies, procedures, programs and services, the actions of an employee, or the Niagara Catholic District School Board. In order to facilitate an investigation, a complainant will be required to submit a verbal complaint in writing to the appropriate individual. Written complaints must be signed and dated by the complainant.

Anonymous or pseudonymous complaints or material, unless it is believed that such a complaint or material references an illegal, abusive or protection matter or is otherwise required to be investigated by law, will not be responded to or entertained by the Board and will be destroyed.

An anonymous or pseudonymous complaint or material of an illegal, abusive or protection matter will be referred to the appropriate party or parties; such as, the Niagara Regional Police Service and/or Family and Children Services of Niagara. Any person who has reasonable grounds to suspect that a child is or may be in need of protection, must promptly report the suspicion and the information upon which it is based in accordance with subsection 72(1) of the *Child and Family Services Act*.

A complaint/inquiry by a parent/guardian will be addressed following the steps in PPM 170 and the Niagara Catholic Communication Protocol for Parent Inquires.

INVESTIGATION

Wherever possible, all complaints are to be dealt with at the school or site level, with the employee involved, providing that the complaint is not frivolous or vexatious, as determined by the supervisor of the employee, in consultation with a Family of Schools' Superintendent of Education, or the Executive Officer of Human Resources Services or the Controller of Facilities Services, in accordance with the Processing of Complaint section of these Administrative Operational Procedures.

A written complaint received by a supervisor regarding an employee, other than the immediate supervisor of the employee, will be redirected to the immediate supervisor of the employee.

TEACHING STAFF

Teachers certified by the Ontario College of Teachers have a professional obligation to inform a colleague that an adverse report has been made as set out in section 18 of the Regulation under the *Teaching Profession Act* unless, as set out in the Regulation, a teacher suspects that another teacher's behaviour constitutes sexual abuse. In such a case, a teacher is not obligated to make an adverse report about another teacher respecting suspected sexual abuse of a student by the other member. In all cases, the complainant must strictly adhere to the requirements of the Regulation under the *Teaching Profession Act*, as may be amended from time to time.

In such case, the Board will endeavour that the employee named in a complaint:

At any time, the supervisor or trustee may refer to the Director of Education for advice.
