### Called By Name: Follow Me

As we enter the month of February, a time often associated with love and kindness, I am reminded of the profound love that is at the heart of our Catholic faith. This month provides us with a wonderful opportunity to reflect on the love that God has for each of us and how we can share that love with others in our school community and beyond.

In the teachings of Jesus, love is the greatest commandment. We are called to love God with all our heart, soul, and mind, and to love our neighbours as ourselves. This message of love is central to our mission at St. Kevin Catholic School, where we strive to create an environment that reflects the love and compassion of Christ.

Throughout this month, we will be focusing on various activities and initiatives that promote love, kindness, and service. Our students will be participating in “Kids Helping Kids” which encourages them to show love and care for others, whether through acts of kindness, community service, or simply being a good friend.

May this month be filled with love, joy, and blessings for you and your family. Let us continue to work together to nurture a community that reflects the love of Christ in all that we do.

Mr. G. Marchio  
Principal

## Valentine's Prayer

I said a Valentine prayer for you  
and asked the Lord above  
to fill your heart and bless your soul  
With the precious gift of love.  
I asked Him for sincere love  
The kind that's meant to stay  
Just like the generous love  
You give to those you touch each day.  
I prayed for love from family  
And from every cherished friend  
Then I asked the Lord to give you  
His love that knows no end.

## School Closures and Bus Cancellations

The winter weather is upon us, and that means increased chances for bus or school cancellations in all or part of Niagara.

As a reminder for families who are familiar with the process outlined in our School Operations for Inclement Weather and Workplace Closure AOP – and as information for those who are new to Niagara or Niagara Catholic – the decision to cancel buses is made by Niagara Student Transportation Services very early in the morning, based on the current and forecast conditions to ensure students are safe throughout the day. NSTS makes its decision with bus companies, and consults agencies such as Niagara Regional Police about whether buses are safe on the roads. They communicate the decision to the local school board directors of education, who decide whether to open schools or keep them closed for the day. Niagara Catholic communicates decisions about bus and/or school cancellations by 6 a.m. You will find the information in the following places:

- On the [NCDSB WEBSITE](#) – a red banner appears on the main page when buses and/or schools are cancelled
- The Board's [Facebook](#), [Twitter](#), and [Instagram](#) pages
- Local radio and TV stations and newspaper websites

Most often, buses are cancelled but schools remain open. If you choose to keep your child at home due to inclement weather, you must report their absence using the appropriate code through Safe Arrival. If you are keeping your child at home on a day when schools are open, or if schools are closed, you may wish to access asynchronous learning resources during the day. These resources are available [here](#).

Please keep in mind that driving a car is much different than a bus, and even though roads seem fine to drivers in personal vehicles, the conditions (such as snow drifts) may make it impossible for school buses to navigate through neighbourhood streets, particularly if they are not ploughed.

As well, we remind families that buses can be cancelled if the temperature falls to a point where stop arms and other mechanical parts required for the safe operation of the vehicle may freeze. We understand that may be frustrating for parents on a bright, cold, snow-free day, but the safety of students is the top priority of the school bus companies, NSTS and Niagara Catholic and if the buses cannot operate safely due to the cold, transportation will be cancelled.

Living between two lakes can mean completely different weather in parts of Niagara. Occasionally, that leads to bus cancellations or school closures in one part of Niagara due to weather, while the rest of the region is unaffected. We encourage you to please check our website and social media feeds for accurate information to ensure that what you are reading online applies to you.

If the entire system is shut down, we will call, email and text your family using School Messenger by 6 a.m. to advise you it's a snow day. You do not need to report your child's absence from school, as schools are closed.

Although weather systems do blow through without warning, we usually have some idea that bad weather is coming and we encourage families to be prepared for this, especially if parents have to work while children are at home.

If your child is staying home due to a bus cancellation or a school closure, they will have the opportunity to participate in asynchronous learning from home. [Click here](#) for Kindergarten, Primary, Junior, Intermediate and Secondary literacy, numeracy, and other subjects for students to keep up with work if that is what you choose to do. Please note that participating in this work is voluntary, and should be considered as reviewing or reach-ahead work, rather than teacher-led new learning.

Secondary students may also review any classroom work or reach ahead where possible if they choose to do so.

## Pink Shirt Day

When: Wednesday, February 26, 2025

Bullying can come in many forms (such as physical, verbal and cyber) and sometimes be hard to see. Signs that a student might be a target of bullying can include:

- Low attendance at school or at other activities
- Feelings of anxiousness, fearfulness, irritability or unhappiness
- Low interest in activities and poor performance at school
- Loses things, needs money or reports being hungry

On **February 26<sup>th</sup>**, join others worldwide in raising awareness of bullying by wearing a pink shirt to school. See <https://www.pinkshirtday.ca/>

## "From the HeART" Art Exhibition

We would like to celebrate *Chisom U. (3M)*, *Spencer R. (Gr.2M)*, and *Michael M. (Gr.8)* whose artwork was selected to represent St. Kevin at the annual celebration of elementary student artwork called From the HeART.

This exhibition is a non-adjudicated show and will be on display February 10<sup>th</sup> at the Seaway Mall. After the event, submissions may also be selected to be on display at the Catholic Education Centre in order to celebrate our young artists. Each artist will receive a certificate of recognition.

Thank you to *Mrs. Mascio* for leading this endeavor at our school!

## School Basketball

Congratulations to both the **girls' and boys' basketball teams** for playing hard, showing incredible teamwork, and demonstrating outstanding sportsmanship throughout the tournament. Your dedication and effort made us all proud!

A special shoutout goes to our **boys' basketball team**, who brought home the championship trophy after an incredible comeback victory against St. Alexander! It was a thrilling game, and your resilience and determination were truly inspiring.

Another highlight of the tournament was the recognition of the "**Rising Stars**"—a title awarded to one player from each team across the tournament. For our school, we're thrilled to announce that the **Rising Star for the girls' team is Kenzie R.** and for the boys' team is **Noah L!** Congratulations, Kenzie and Noah, for your amazing performances and leadership on the court.

Thank you to all the players, Mr. Maletta & Mrs. Stock, and parents who supported the teams. Let's continue to cheer them on for the rest of the season!

Go Celtics! 🏀

## Safe Schools: Consistent Absences

Parents are required to ensure children who are enrolled in school attend regularly. Absences must be reported and considered reasonable as outlined in the Education Act Part II School Attendance 21.(2). Students with persistent absences or a pattern of absences may be subject to the attendance protocol referral process:

- 1) Teacher Contact
- 2) Principal Contact via meeting/letter
- 3) Referral of student case file to Stay in School Coordinator when all other steps have been exhausted the Stay in School Coordinator will be involved with attendance concerns – this may involve community resources. Thanks for your support.
