## Toys from Home

Please keep toys at home unless it is for a show and share and then the students will be encouraged to put it away so that it is safe. Sometimes items from home are brought to school and they get broken at school unintentionally. It causes grief for the student who owns the broken object and for the student who may have broke it. Recess is a wonderful time for students to run

around and have fun. We provide class balls and on many days there are other activities for students to participate during recess time. We ask that you please leave toys from home at home.

## **Trivia Night on Friday May 2, 202 at the Italian Hall in Port Colborne**

We are excited be able to offer our Grade 7 and 8 students the opportunity to travel to Camp Medeba from June 2nd to June 5th, 2025 with four other schools from the Lakeshore Area.

The schools travelling together are:

St. Elizabeth, St. Patrick PC, St. Therese, St. Joseph and Our Lady of Victory.

The cost of the trip is \$410 per child.

MEDEBA, is an adventure Learning Camp which provides a safe atmosphere of encouragement and unconditional acceptance. All programs and facilities meet rigid safety standards. All students that attend will experience challenges such as zip lining, wall climbing, ropes courses and other outdoor activities. These activities are custom designed to teach skills such as co-operation, communication, trust, and problem solving.

Our school will be having a Trivia Night so that we can make enough money to pay for every student going to camp. The tickets will be \$30 per ticket. This will include admission into the event for 8 rounds of Trivia and each table will receive a pizza half way through the night. Doors will open at 6:00 pm and the Trivia will begin at 7:00 pm. There will be a cash bar and drinks and pop can be purchased that evening. You are also invited to bring your own snacks for the evening. In the end we would like all 300 tickets sold and the tickets will be sold by first come first serve basis. The profit from this event will be divided equally by the number of kids going to camp. Each student will receive an equal amount off their trip.

This event is intended to bring our community together to help the kids going to camp and to have fun!

If you have any questions, please contact Mary Kay Kalagian at St. Patrick Catholic School.

## **Dress Code Required for all Students**

Niagara Catholic Elementary students wear a dress code. The details can be found at Niagara Catholic website under policies. Please make sure your child has a navy or white polo shirt (must have a collar) and navy bottoms - not black (pants, skirt and dark jeans). Students can wear any

type of shoes; we do recommend a second set of shoes for indoor use. If your child arrives to school out of dress code we may provide the student with items to wear for the school day. If you need assistance with dress code items, please notify the school.

The Safe Arrival Parent Portal allows parents to conveniently report their child's absence and allows school staff to respond to an unexplained absence quickly.

Absences can be reported via: -Internet (<http://ncschoolconnects.com>)

## Allergy Aware School - Nut Safe-Anaphylaxes

Within our school community, there are several students who have a life-threatening allergy (anaphylaxis) to foods, predominantly to peanuts and tree nuts (e.g. almond, cashew, hazelnut, pistachio).

The best way to reduce the risk of accidental exposure to these students is to respectfully ask for the co-operation of the parents/guardians within this school community to avoid sending peanut butter or products with peanuts listed in the ingredients.

There is a wide range of nutritious foods available to pack for your child. Visit <http://www.eatrightontario.ca> for suggestions. For more information on anaphylaxis, visit <http://www.anaphylaxis.ca> or <http://www.aaia.ca> We are working hard at preventing accidental exposure. It is also important that we have common routines throughout the entire school There are many shared areas (washrooms, fountains, gym, library, computers, etc.) students could come in contact with allergens. The teachers will explain the importance of the following health and safety routines to the students in their classrooms:

1. Wash your hands with soap and water before and after eating.
2. Do not bring food that contains peanuts/tree nuts.

3. Do not accept food from other students especially if you have food allergies.
  4. Snacks are not permitted outside in the schoolyard.
  5. Dispose of all food waste properly
- 

Aggressive or hostile behaviour or language toward, staff, students or our community helpers will not be tolerated. While we welcome feedback, concerns and opinions it is the expectation that all staff, students, parents, guardians and community helpers communicate their needs and concerns with one another in a respectful and peaceful manner whether through email, on the phone or face-to-face. Adherence to this expectation is vital in order to create a community which can solve problems and help one another achieve success.
