Individual Chess Tournament

We are very excited to pass along that our very own Ethan Todd had a great time competing in the Individual Chess Tournament that was held at St. Mary's school recently.

Ethan put his skills to the test and placed second overall, capturing the silver medal. He played a total of 8 games, winning 6 and losing 2.

Keep up the great work Ethan and we look forward to hearing about your progress in future tournaments.

On Thursday April 17th, SJHN welcomed families to come watch our Stations of the Cross presentation. The students worked very hard to put together this incredible performance. We are so proud of our students for their dedication and enthusiasm to the arts and religious studies. We would like to thank Mrs. CuvIELlo, Mr. Tham, Mrs. Pietrangelo, Mrs. Mancuso and Mr. Quaranta for all of their work in getting the students prepared and to all of the families that attended the performances.
