## MAY 2025

### CATHOLIC EDUCATION WEEK 2025—May 5—9

This year's Catholic Education Week theme is, "*Pilgrims of Hope.*"

The theme for Catholic Education Week 2025 was inspired by the following considerations:

- In February of 2022, Pope Francis announced that the theme for the upcoming 2025 holy year would be "Pilgrims of Hope." "We must fan the flame of hope that has been given to us and help everyone to gain new strength and certainty by looking to the future with an open spirit, a trusting heart and far-sighted vision.
- The Holy Father asks us to focus prayerfully on the bonds that unite our whole human family, to reflect on the rampant poverty in our world, and to think about the plight of the many refugees forced to leave their homes. He also summons us, as stewards of Creation, "to contemplate the beauty of creation and care for our common home."
- A pilgrimage is a spiritual journey of movement toward a goal, often lived together with others – and that certainly describes Catholic education. Hope – one of the three theological virtues – is grounded in our Easter faith in Jesus' resurrection and renewal; this is what enables us to be builders, dreamers and leaders in Jesus' name. Pope Francis invites us to keep moving ahead in faith, in joy, and in hope, as part of a pilgrim people. Even in challenging times, our eyes are focussed on the future.

There are five sub-themes for each day of Catholic Education Week:

- Day 1: By honouring human dignity
- Day 2: By caring for creation
- Day 3: By responding to the poverties in our world
- Day 4: By serving in solidarity
- Day 5: By living as peacemakers

### MENTAL HEALTH WEEK 2025—May 5—9

The MHW theme for 2025 is "Unmasking Mental Health". This theme is encouraging people across Canada to look beyond the surface and see the whole person. By embracing honesty and vulnerability, we open the door to deeper connections and the mental health benefits that come with it. In doing so, we can create a ripple effect of courage and understanding across the country.

## FOR YOUR INFORMATION

### SACRED HEART SPIRIT WEAR

Please note that Bigbear Spiritwear will now be supplying Spirit wear and dress code items that will be available for sale via their website. Please access [Sacred Heart's](#) direct link.

### ELEMENTARY STANDARDIZED DRESS CODE

The Niagara Catholic DSB has a Standardized Elementary Dress Code in place for students in elementary schools. All students are to wear navy bottoms and navy blue or white shirts. For more detailed information, please view the NCDSB flyer [here](#).

### CELL PHONE USE IN SCHOOL & SOCIAL MEDIA ACCESS

To minimize distractions, students who bring their cell phones to school must have the phone stored out of view and turned off or onto silent mode during the instructional day. They may only use it if their teacher permits it for learning, for health or medical purposes, or to support special education needs. Outside of these times, students are expected to keep their phones turned off or on silent and have them stored away.

Social media platforms on school networks and board devices will be disabled. This is intended to limit the number of interruptions in class and to benefit the mental health and well-being of students. Niagara Catholic already blocks access to some social media sites. Now all will be unavailable to students on the board network during the school day.

### SCHOOL YEARBOOK

An electronic consent form was sent to families back in early September by the Niagara Catholic DSB. This form allows families to indicate their preference on whether their children's photos can be included in school publications, such as the yearbook, social media posts, etc.

**If families have not completed their consent form yet, we kindly ask consent forms be completed for each child through [Permission Click](#)**

### STUDENT CONSENT FORMS

Each year students have the opportunity to join in many learning activities here at school or on educational field trips. The school is asking that parents complete the following consent forms ([found on School Cash Online](#)), to ensure the school has the necessary information to keep your child/children safe.

**Parent Consent - Student Personal Information (all K-8 students)** - This form allows us to know parent preferences when it comes to using a child's information (ie. images, etc) in school publications such as social media posts, class photos and the school yearbook.

**NCDSB Athletic Participation /Acknowledgement of Risk Form (Gr. 4-8 students only)** - This form explains risks associated with participation in activities happening on school property and allows parent to indicate preferences regarding a child's participation in day-to-day activities (ie. intramurals, sports team tryouts, etc).

***Educational Field Trips and activities happening off school property will have a separate consent form sent home.***

### SCHOOLCASH ONLINE—PAYMENT FOR SCHOOL ACTIVITIES

As activities and educational field trips are being scheduled for our students, we ask that parents sign up for our convenient payment program, SchoolCash Online. This is an excellent way to pay for student activities without sending money to school. **To register, please go to:** <https://ncdsb.schoolcashionline.com/>

### SCHOOL MESSENGER - SAFE ARRIVAL

One of our greatest priorities is ensuring that all our students arrive safely to school each and every day. School Messenger allows parents to report their child’s absence quickly and conveniently using the **mobile app**, a **website**, or an **interactive toll-free phone line** to report an absence, late arrival or early departure, in advance. This process allows the school to verify student attendance and notify parents of an unreported student absence efficiently.

If your child is marked absent and the absence hasn’t been explained in advance, our SafeArrival system will contact you to get a reason for the absence. Calls will continue until you choose an option to explain your child’s absence.

**PLEASE** use the following information to report your child's absence: mobile app, online at <https://go.schoolmessenger.ca/#/home> or by calling 1-844-287-6287. It is available 24 hours a day, 7 days a week.

### STUDENT AWARE INTERNET FILTER

This is just a reminder to families that all Niagara Catholic schools use a software program called “Student Aware”. This program enables schools to monitor its student internet traffic while using Board internet devices. The “Student Aware” program will be identifying and notifying school staff when students access online websites related to suicide, violence, abuse and/or other dangerous activities that could be injurious to themselves and/or others. When high-risk incidents are identified, the occurrence will be investigated and school administration will respond accordingly to support student mental health and well-being.

### COMMUNICATION BETWEEN HOME & SCHOOL—QUESTIONS, CONCERNS OR COMPLAINTS

The Ministry of Education has given school boards new requirements on how to communicate with parents who have questions, concerns, or complaints. This information will also be shared on the Parents section of the Board website and school websites in time for the start of the new school year. The process is outlined below:

- Parents/guardians should expect a response to a concern within **two business days**.
- If parents have a question about a classroom-related matter, such as curriculum, homework, classroom behavior, or specific incidents, please contact the child’s teacher.
- If the parent cannot resolve the issue at the classroom level and/or have a question about school procedures, extra-curricular activities, or safety concerns, please contact the school Principal.
- For issues unresolved at the school level or issues related to Niagara Catholic policies, procedures, resource allocation, or other concerns, please contact the Superintendent of Education assigned to Sacred Heart Catholic Elementary

### MORNING SUPERVISOR REMINDER

Our first bus arrives at 8:35 a.m. Students should not be beyond the gates of the school until 8:35 a.m. Parents are reminded that students should not be at school earlier than 8:35 a.m. Your cooperation is appreciated.

**MAY IS RABIES AWARENESS MONTH**—During Spring, wildlife activity increases and so does the potential for rabies exposures. Rabies is a serious and fatal disease that affects the brain and spinal cord of mammals, including humans.

To prevent rabies, avoid any contact with wild animals, especially those that appear sick. Although they may seem cute, do not feed wild animals and most importantly, make sure to have your pets vaccinated.
