Principals Message

The first week of May has always been a Celebration and Awareness Week for our Gift of Catholic Education and the importance of good Mental Health. This year we will celebrate at Our Lady of Victory along with our community the rich traditions of our Catholic Faith. There will be many opportunities for us all to interact with your children about the wonderful gifts we share here every day. We look forward to sharing our faith with families through the week.

Catholic School Council/Parents for Victory

We are continuing to look for Bingo Volunteers. A short on-line training video and a two-hour shift is all that it takes to allow the school to continue to provide great opportunities free of charge utilizing the charity funds we receive back. If you are interested in parent council contact me directly. Thanks to our new member who have recently signed up.

One of our greatest priorities is ensuring that all our students arrive safely to school each day. School Messenger allows parents to report their child's absence quickly and conveniently using a mobile app, a website, or an interactive toll-free phone line to report an absence, late arrival or early departure, in advance. This time savings makes it faster and more efficient to account for all students and their safety. If your student is marked absent and the absence hasn't been explained in advance, our Safe Arrival system will be able to rapidly contact you by automated phone call, text message, email, or mobile app push notification to get a reason for the absence. Calls and contacts will continue until you choose an option to explain the absence.

Reflection

When Jesus says "Come, follow me," He's doing more than just asking us to walk with Him. He is asking us to become a part of something bigger. Imagine you're invited to join an adventure where you learn new things and grow in ways you never thought possible. Following Jesus means we get to learn from Him how to be more loving, forgiving, and courageous. It's like being part of a great story where each of us has a special role. As we follow Jesus, we discover our own strengths and talents and find joy in helping others. So, when we hear His invitation, it's a chance to embark on an exciting journey of faith and make a real difference in the world!
