May Reflection

God loves to involve us in His plans to lead people to heaven. He often uses the weakest to lead the strong. Sometimes God speaks to us through other people. But, have you considered that God could use you to bring His message to others? What have you done today to share the love of God with those around you? Spend some time with God today asking Him to help you share His love to those in most need of it.

Weekly Update

OLHR families,

As we continue to journey through the Liturgical season of Easter, we continue to ask for God's blessings and appreciate all that we have. This past week was a wonderful display of Catholic Education at its best here at Holy Rosary! Students enjoyed the many opportunities to connect their faith to the everyday activities that we shared. We ended the week with a beautiful Mass at Holy Rosary Parish.

We want to wish all mothers, grandmothers and mother figures a very happy Mother's Day this weekend!

Have a wonderful weekend,

OLHR Staff

Thank you for your continued support!

Lice Management

How do I get rid of all of the eggs?

Removing eggs after the treatment can end your head lice problems. Start by using a fine-tooth comb. Then remove the smaller eggs by hand.

- Sit under a bright light or in sunlight
- Have your child watch television, a video or read to keep still. Work for 10-15 minutes at a time.
- Work with a small section of wet hair (clip the rest out of the way)
- Comb the smaller eggs off the hair strands using your thumbnail and fingernail.
- Continue section by section until you remove all the eggs.

Check the hair 2 times a week for 4 weeks to make sure all the eggs have been removed.

Do I need to wash or clean anything else?

Soak combs, brushes in hot water and head lice product for 5 - 10 minutes. Wash clothes, hats, towels and bedding used in the past three days, in hot soapy water and dry in a dryer for 20 minutes after the first and second treatment. Vacuuming is helpful, but special sprays are not needed on furniture or floors. Lice live only a short time away from the head.

Who do I call if I have questions?

✓ Niagara Region Public Health at 905-688-8248 or 1-888-505-6074 ext. 7379

✓ Telehealth Ontario 1-866-797-0000

Public Health Update

Families are reminded to please update your child/children's immunization records with Niagara Region Public Health. You may do so by clicking this [link](#). Lunch Delivery

If you are dropping off a lunch or having one delivered to the school, please have your child's first and last name clearly labeled on the package. **Please make sure delivery services have the student's name when dropping off lunches.** Also, please verify in your SchoolCashOnline portal that you ordered lunches on our Specialty Food Days. We do not order extras and will not have additional food in case your child doesn't have a lunch. We do always have additional items in our snack bins and we will do our best to provide food if they cannot contact you. **Please review the new student Nutrition Break times.**

SAFE ARRIVAL

Please remember to report your child's absence using the [SAFEARRIVAL](#) portal. With the office being a very busy place, you can also put in an **EARLY DEPARTURE**. This will allow us to have your child ready and at the office for the time you have selected. Often when parents call at the last minute, it may be difficult to get students down at the office due to the large number of calls. Advanced planning will be extremely helpful.
