JUNE 27

LAST DAY OF SCHOOL!

June Prayer

Dear God,
We thank you for the gift of summer. May these days be filled with joy, relaxation, and new experiences. Bless our students with a break from the pressures of school, allowing them to recharge their minds and bodies. Grant them opportunities for rest, play, and connections with family and friends. May they use this time to explore their interests, discover new passions, and grow in their faith. Keep them safe and healthy during their travels and outdoor activities. Help them to return to school refreshed and ready to learn.

We ask this in your name,
Amen

A Message of Gratitude to Our School
Community

On behalf of the school administration and all our dedicated staff, we extend our heartfelt thanks to the Catholic School Council and the entire school community for your unwavering support, collaboration, and encouragement throughout this school year.

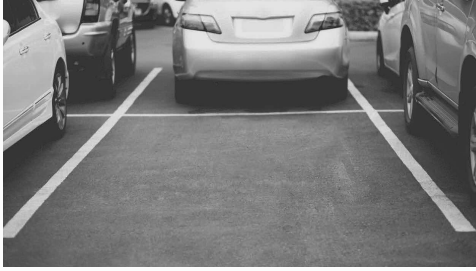

Your involvement, whether through volunteering, attending events, offering feedback, or simply cheering us on, has made a meaningful difference in the lives of our students and staff.

Together, we've created a nurturing and vibrant environment where learning and growth thrive. We are truly grateful for your partnership and look forward to continuing this strong connection in the years to come.

Sincerely,

Holy Name Administration and Staff

As the school year draws to a close, we take this moment to extend our deepest gratitude to Ms. Browne, Ms. Grant, Mr. West, Ms. Robson, Ms. Ni Dhufaigh and Ms. Ewert who will be leaving our school community. Your contributions have been invaluable, and your presence will be deeply missed by students, colleagues, and families alike. While we are sad to see you go, we are excited for the new opportunities that await you.

Parking Lot Safety

We ask that you exercise extreme caution when driving in our very busy parking lot, especially during the morning and at dismissal at the end of the day.

Please “Kiss and Drive” so your vehicle is not blocking the arriving busses. Parents are encouraged to use the East parking lot to pick up or drop off students. Please help us to continue to keep all children safe as it is our highest of priorities. Together we can continue to keep our children safe.

Medical Information Updates

If your contact information or your child's medical information changes, please inform us at your earliest convenience.
