

Weekly Update

September 2 -5, 2025

Welcome Back

The staff of Our Lady of the Holy Rosary is back and ready to begin a great year! We welcome back our returning families and also extend warmth to the families who are joining us for the first time. We pray that this year will be one of growth - spiritually, mentally, socially and academically. The continued partnership of home, school and church will provide our children with a strong foundation. We will communicate through monthly calendars, weekly updates, as well as through

Messenger and the school Instagram account @our_lady_of_the_holy_rosary. We look forward to working together to make this a wonderful year!

Start of another school year!

Tuesday, September 2nd - First Day of School

School Year Prayer

Dear Lord, as students, teachers and families begin this new season, please grant us patience, protection and confidence. Help us face new challenges with courage and peace. Guide us with your wisdom. We ask this in your name. Amen

Kiss & Ride and Parking Lot Routines

Please take extra caution when using the Kiss & Ride lanes at the Collier Road entrance to ensure greater student safety. If you are using the Sullivan Street parking lot, do not park in the bus lanes. Please refer to the email sent through Messenger for more detailed information about parking/drop off procedures around the construction zones. Be mindful of students and others walking across the parking lot. Let's work together to ensure safety for all!

Dress Code

The attached Dress Code flyer can be found by clicking the link below. The dress code is consistent across all Niagara Catholic schools. In addition to our standardized dress code, students are also permitted to wear any Our Lady of the Holy Rosary spirit wear. The link to purchase spirit wear is

<https://stores.inksoft.com/olhrschoo/shop/home>.

We also ask that students have non-marking soled shoes for gym.

Information Update

Please ensure you keep the office updated with any new information including changes to phone numbers, address, medical information, custody orders etc.

Bicycle/Scooter/Rollerblade Safety

Please walk your bicycles and scooters on school property and ensure you are wearing your helmets. Those coming to school by rollerblades should also change into their shoes before entering the gated area.

Public Health Update

Families are reminded to please update your child/children's immunization records with Niagara Region Public Health. You may do so by clicking this [link](#). Any students who have not completed the immunization reporting may be issued an Order of Suspension by NRPH this August. For more information please go to [_NRPH website](#) if you have vaccine/record review questions or please call your health care provider. Families may also contact Public Health at 905-688-8248 or 1-888-505-6074 ext. 7425 and ask to speak with a public health vaccine nurse.

Updating Medical Information /Forms

Each new school year all schools are required to update medical information of all of their students. The summer time is usually the most convenient time for parents to contact their child's doctor to have them complete the necessary forms. If your child has an anaphylactic reaction to anything and requires administering of any medication, we will require the **doctor** to complete the necessary forms for emergency protocols and the administration of medication. We **cannot** administer any medication without

specific orders given by your child's doctors. The same consent is necessary for all medications relating to any medical condition. Students with Asthma, Diabetes, Epilepsy or any other prevalent medical condition will also be required to complete the protocols specific to those conditions.

Lunch Delivery

If you are dropping off a lunch or having one delivered to the school, please have your child's first and last name clearly labeled on the package. **Please make sure delivery services have the student's name when dropping off lunches.** Also, please verify in your SchoolCashOnline portal that you ordered lunches on our Specialty Food Days. We do not order extras and will not have additional food in case your child doesn't have a lunch. We do always have additional items in our snack bins and we will do our best to provide food if they cannot contact you.

GRAD Hoodies

Grad hoodies will be arriving soon for students who have ordered them.

SAFE ARRIVAL

Please remember to report your child's absence using the [SAFEARRIVAL](#) portal. With the office being a very busy place, you can also put in an **EARLY DEPARTURE**. This will allow us to have your child ready and at the office for the time you have selected. Often when parents call at the last minute, it may be difficult to

get students down at the office due to the large number of calls. Advanced planning will be extremely helpful.
