Dress Code Required for all Students

Niagara Catholic Elementary students wear a dress code. The details can be found at Niagara Catholic website under policies. Please make sure your child has a navy or white polo shirt (must have a collar) and navy bottoms - not black (pants, skirt and dark jeans). Students can wear any type of shoes; we do recommend a second set of shoes for indoor use. If your child arrives to school out of dress code we may provide the student with items to wear for the school day. If you need assistance with dress code items, please notify the school.

Terry Fox

Congratulations St. Patrick Catholic School Community on another successful Terry Fox assembly and it was a gorgeous day to walk around the community in Terry's honour.

Thank you!

October 5 is World Teachers Day!

Teacher's Day is one such event to which students and teachers equally look forward. The Day is important for the students as it gives them a chance to understand the efforts put in by their teachers to ensure that they get a proper education. It is a special day to thank teachers for everything that they do!

October 21 is Early Childhood Educator Appreciation Day!

This day recognizes the commitment, hard work and dedication of Early Childhood Educators (ECEs) and staff who work with young children. ***We thank Miss. Christopher for all that she does to support our students!***

Happy Halloween!

Friday October 31 the students and staff will be celebrating Halloween. It is an out of dress code day so students can come dressed in costumes all day. The student senate will be having a Halloween dance for the students during designated times in the gym. Weather permitting, we will parade around the neighbourhood after lunch to share our costumes with our community. Please remember that there are no weapons allowed to accompany any costumes. We want this to be a fun day for everyone!

If you are sending in snacks or treats for the class, we ask that they be individually wrapped or packaged so that students can take items home that they don't eat in the class. This will ensure

less waste of food in the classroom.

ATTENDANCE PROCEDURES - SAFE ARRIVAL SAFE ARRIVAL PROGRAM

The Safe Arrival Parent Portal allows parents to conveniently report their child's absence and allows school staff to respond to an unexplained absence quickly.

Absences can be reported via: -Internet ([http:// nc schoolconnects com](http://nc.schoolconnects.com))

Smart Phone App (search keyword "safearrival" school messenger)

Automated Telephone System (toll free 1-844-287-6287)

Full Day Absences and late arrival must be reported prior to 8:35 am or you will receive a call out from the school. It is important to have a consistent routine for getting to school and home each day. It is recommended that if your child will be taking the bus home, that this is the form of transportation they will use on a daily basis. This is to ensure consistency and safety for both your child and teachers. Should your contact information change (email, phone number, address) during the school year, please contact the office so we can update which is in turn available to NSTS, otherwise you may miss important information.

Allergy Aware School - Nut Safe-Anaphylaxes

Within our school community, there are several students who have a life-threatening allergy (anaphylaxis) to foods, predominantly to peanuts and tree nuts (e.g. almond, cashew, hazelnut, pistachio).

The best way to reduce the risk of accidental exposure to these students is to respectfully ask for the co-operation of the parents/guardians within this school community to avoid sending peanut butter or products with peanuts listed in the ingredients.

There is a wide range of nutritious foods available to pack for your child. Visit <http://www.eatrightontario.ca> for suggestions. For more information on anaphylaxis, visit <https://foodallergycanada.ca>

We are working hard at preventing accidental exposure. It is also important that we have common routines throughout the entire school. There are many shared areas (washrooms, fountains, gym, library, computers, etc.) students could come in contact with allergens. The teachers will explain the importance of the following health and safety routines to the students in their classrooms:

1. Wash your hands with soap and water before and after eating.
2. Do not bring food that contains peanuts/tree nuts.
3. Do not accept food from other students especially if you have food allergies.
4. Snacks are not permitted outside in the schoolyard.
5. Dispose of all food waste properly

Aggressive or hostile behaviour or language toward, staff, students or our community helpers will not be tolerated. While we welcome feedback, concerns and opinions it is the expectation that all staff, students, parents, guardians and community helpers communicate their needs and concerns with one another in a respectful and peaceful manner whether through email, on the phone or face-to-face. Adherence to this expectation is vital in order to create a community which can solve problems and help one another achieve success.
