Summaries of the impact of the French Immersion were provided in the previous reports of the previous three phases.

Current Enrolment

As of Thursday, March 31st, 2016 our Board enrolment for elementary and secondary school students is 21,986 students, comprised of 14,845 in the elementary panel and 7,141 in secondary.

The overall utilization rate of our schools is 92%: 89% elementary and 98% secondary.

Final Report

The Board's Vision 2020 Strategic Plan recognizes that our Catholic schools are an integral part of vibrant and healthy communities. The Niagara Catholic District School Board is committed to ensuring that students are educated in the highest quality Catholic schools. The Board is further committed to maximizing the use of its facilities through pupil enrolment and engaging community partners.

The data for three Families of Schools has been slightly altered to reflect historical changes only to the On The Ground capacity as the result of school closures of three schools: Michael J. Brennan Catholic Elementary School (Saint Francis Catholic High School Family of Schools), Our Lady of Victory Senior Catholic Elementary School (Lakeshore Catholic Family of Schools) and St. Thomas More (Saint Michael Catholic High School Family of Schools).

The information included in the Niagara Catholic District School Board's Long Term Accommodation Plan 2016-2021 provides the Board with recommended directions related to the use of schools, in alignment with the Mission, Vision and Values of the Board and is made public part of our transparent process.

The recommendations are presented with the intent that there be an annual Board review of the current needs originally outlined in the long term accommodation plan which will address accommodation issues. The annual review by the Board will provide regular opportunities for the Board to address new accommodation issues.

A copy of the final Niagara Catholic District School Board Long Term Accommodation Plan 2016-2021 will be provided at the Committee of the Whole Meeting.

REPORT TO THE COMMITTEE OF THE WHOLE MEETING MAY 10, 2016

REPORT ON THE 2016-2017 ANNUAL BUDGET

BACKGROUND INFORMATION

On March 24, 2016, the Ministry of Education, announced the education funding for the 2016-2017 school year. Investments in Ontario's publicly-funded education system continue to increase, with total funding expected to increase from \$22.6B in 2015-2016 to \$22.9B in 2016-2017. Per-pupil funding is projected to increase in 2016-2017 to \$11,709 – an increase of 1.4 percent from 2015-2016 and 63 percent since 2002-2003.

The 2016-2017 GSN introduced funding to support central labour agreements within the Province of Ontario. Salary increases in 2016-2017 will be funded by an increase in the salary benchmarks for teaching and not teaching staff of 1.25% for the entire 2016-2017 year.

The transformation of more than 1,000 different benefit plans for teachers and education workers throughout Ontario's 72 school boards into several provincial trusts is a major consolidation and rationalization that will improve the cost-efficiency and delivery of benefits.

The Ministry will again provide a two percent cost benchmark update to the non-staff portion of the School Operations Allocation benchmark to assist boards in managing the increases in commodity prices. With the exception of the electricity component of the School Operations Allocation benchmark which will increase by 7.3 percent, based on the Ministry of Energy's most recent Long-Term Energy Plan.

The projected average daily enrolment (ADE) for Niagara Catholic elementary and secondary schools is expected to decrease by (426) for the 2016-2017 academic school year. Our enrolment numbers continue to trend downward impacting our Grant allocation, which must be offset by a proportional reduction in expenditures.

The Senior Administrative Council continues to design accountability mechanisms for all areas of ministry revenues and ensure our cost structure is aligned with our 2016-2017 estimated Ministry revenue.

In addition, the 2016-2017 balanced budget aligns to achieve the Board approved Strategic Directions System Priorities 2016-2017 (Appendix A) and accomplish the expectations of Niagara Catholic's Vision 2020 Strategic Plan.

The Niagara Catholic District School Board is pleased to provide a projected 2016-2017 balanced budget without the use of prior year accumulated surplus.

For the review of the Trustees, we enclose the following information:

System Priorities 2016-2017

Under the Regulations, the calculation of Average Daily Enrolment for the school year is to be based on the number of students enrolled in our schools on two specific dates: OCTOBER 31 and MARCH 31.

ADE for Adult & Continuing Education programs is to be calculated using the same methods and parameters, as outlined in the regulations, as in prior years.

Board Administration continues to reduce staffing needs and has not filled a vacant position

Classroom Teacher reductions are attributed to class size ratio compliance in all panels.

Early Childhood Educations have a class size compliance ratio in ELKP of 26:1. This reduction is the result of declining enrolment.

Supply Teacher reduction is attributed to the Ministry's Earned Leave Plan for OECTA staff. Implemented to control absenteeism in the province of Ontario.

Education Assistants and Child Youth Workers reduction is attributed to declining in enrolment and was accomplished through attrition without any layoffs.

The new proposal to introduce an all Catholic League will entail support from NCDSB for a full time convener role.

There are plenty of things happening in the Special Education Area this semester! Here are a few of the highlights:

- We are very proud of our co-op students who are doing fantastic jobs at the Welland Arena and the Blue Star Restaurant.
- Two of our students were recently photographed by Kerry Howe from Association for Community Living as representatives for Inclusive Education Project.
- We all had an excellent time at the Special Needs Activity Program held at Brock University. Dr. Maureen Connelly and her student volunteers do a fantastic job of providing both fun and fitness.
- Our Notre Dame superstars recently participated in the invitational Special Olympics indoor soccer tournament, with some Peer Tutors and our Niagara College student. We won all three of our games!

- Lakeshore Catholic High School in Port Colborne hosted a “*Hurray for Hollywood*” extravaganza the first week in March. Each secondary school submitted a video clip highlighting student talent. Notre Dame rocked it out to Watch Me Whip. (Nae Nae) A shout out goes to our cafeteria staff and Principal for their cameo performance. Our video was outstanding thanks to the creative talents of our Peer Tutors. The day also included lunch and a dance. Thank you to Lakeshore Catholic for a great day!
- As our salute to spring, our class and dedicated Peer Tutors will be going to the Hillside Bowling Lanes for a couple of games of bowling and lunch. The class had the chance to spend time outside the classroom with our peer tutors, socializing and having fun benefits everyone.
- We recently planted seeds which should bloom just in time for Mother’s Day. Students are enjoying watering the seeds and watching them sprout.

REPORT TO THE BOARD MAY 24, 2016

NIAGARA CATHOLIC ATHLETIC ASSOCIATION

BACKGROUND INFORMATION

Currently, Niagara Catholic secondary schools participate in an interschool athletics structure with the District School Board of Niagara (DSBN), French, Private and Independent schools. We are part of the Southern Ontario Secondary School Athletic Association (SOSSA) and within this association, participate fully in the Niagara Regional Secondary Schools Athletic Association (NRHSAA) and are members of the Ontario Federation of Secondary School Athletics (OFSAA).

Within our Niagara Catholic family of secondary schools, there have been regular discussions about a variety of challenges and issues throughout the last several years. The following is a partial list of challenges and issues which continue to be unresolved:

- As a Niagara family of eight (8) secondary schools, we are in the minority when constitutional issues are voted on.
- The NRHSAA forms specific committees to deal with sanctions, protests and transfers. As a group of eight schools, we are in the minority within these committees and thus cannot impact decisions or rulings.
- The process of scheduling of games and league formats continue to be a real challenge since we can't effectively contribute to the process and based on these decisions, impact us greatly and do not support our students and our athletic programs.
- There is a philosophical difference in athletic competition when looking at attempts to "tier" or incorporate 'developmental' league formats for the 2016-2017 school year.
- It is common and well documented that league structures, football being the most affected, are too frequently changed to meet the needs of particular schools based on perceived level of competitiveness. A "safety" rationale is often cited as a main reason but it is hard to justify not fielding teams due to a regulation that would restrict our students from a true athletic experience based on a philosophical difference among schools outside Niagara Catholic.
- Niagara Catholic secondary schools adhere to the Board's Attendance Areas Policy for student participation and eligibility in boundaries and apply this to interschool sports eligibility.
- The procedure of implementation of the OFSAA Transfer process has consistently been a challenge as students appeal for eligibility entering Niagara Catholic schools. This is not suggesting our schools are not fairly heard, it is simply another example of our system not having significant 'voice' at the time of decision-making.

Provincial Perspective

As a means of comparing our challenges and issues to other school board scenarios, it is apparent that not all associations within OFSAA are necessarily similar in structure. For example, Toronto Catholic and Ottawa Catholic District School Boards interschool athletics membership is so large and has been in existence since inception that it is not practical to use as a 'best practice' or comparative.

London Catholic

London Catholic experienced serious issues with their existing structure in 2012. As co-terminus OSSTF members proceeded with a 'job action' and athletics was affected, the WOSSA executive 'blocked' Catholic schools from competing for OFSAA. Since that time, the Catholic schools formed their own conference and a process for qualification for OFSAA was negotiated. London Catholic competes in 'single sport' activities such as Cross Country and Track & Field with the public conferences.

Hamilton Catholic

The public and Catholic boards competed as one entity in all sports before 1980. The public board organized the leagues and booked the community facilities (rinks etc.). In the early eighties, the two boards separated their athletic programs. Both remained part of GHAC and, at the end of each season, the two (2) champions would compete to determine who would play vs. the Halton champions. In some sports, such as track and swimming, Hamilton public and Catholic would combine to run qualifying meets.

In the mid-late 1980's, amalgamation of the Hamilton and Wentworth County boards took place. Wentworth had been part of SOSSA. So the decision was made for the new amalgamated board to join SOSSA. This was largely predicated on the path to OFSAA finals, as there were far fewer large schools in SOSSA.

Waterloo Catholic

Waterloo Catholic withdrew from Waterloo Athletic Association last year, 2015, and formed an eight (8) team 'District 8' league for all interschool sports and are members of the CWOSSA and compete for OFSAA representation within that association. The former Association's Constitution and playing regulations were dictated by the public board which meant that Catholic school staff and students were being directly impacted by co-terminus policy. This was not acceptable to Waterloo Catholic and a restructuring was initiated.

Single sport activities are co-convened and both public and Catholic membership share responsibilities to enhance the delivery of these sports. Area Christian, Mennonite and French Catholic schools joined District 8 but do not run a full array of OFSAA sports.

Considerations

The Niagara Catholic Program Chairs of Physical and Health Education have met multiple times to deliberate about solutions and offer constitutional changes following NRHSAA constitutional process and volunteering on existing committees and executive roles. The Niagara Catholic Program Chairs have not arrived at this proposal frivolously or without serious reflection.

As a unified group of Program Chairs of Physical and Health Education, they presented a proposal, supported by all Secondary Principals of Niagara Catholic to Senior Administrative Council to consider approving a move to an inclusive interschool athletic structure. This structure would include all interschool sports. Our rationale is consistent with Niagara Catholic's System Priorities of building strong Catholic identity and advance student achievement through a vibrant sports program.

The move to an inclusive Niagara Catholic Athletic Association would provide greater autonomy and shared leadership to make decisions in the best interest of students. By providing opportunities for input in the organization and constitutional structure, we are confident that decisions can be consistently monitored and appropriately revised to enhance and benefit our students' athletic experience.

The following overview outlines timelines and specific supports that would have to be in place in order to move to a Niagara Catholic Athletics Association structure commencing in the 2016-2017 school year:

- April 24th, 2016 - informal meeting with DSBN representative to inform them of Niagara Catholic's intentions.
- May 2nd and May 10th, 2016 more detailed conversations with DSBN and NRHSAA Coordinator.

- May 16th, 2016 - Meeting with Niagara Regional High School Athletic Association representatives to discuss Niagara Catholic's intentions and put forward formats on how representation would work for SOSSA.
- May 18th, 2016 – meeting with SOSSA Executive to make them aware of our intentions. SOSSA Executive stated that the issue needed to be resolved at the Zone 3 and Zone 4 (NRHSAA) level and this was not a SOSSA issue. OFSAA has taken a similar stance to SOSSA. Both SOSSA and OFSAA are only concerned that the Zone 3 and Zone 4 sent traditional representation to SOSSA championships.

After the informal and official meetings as indicated above, Niagara Catholic is waiting on a response to our request for a cooperative meeting to work on a fair and equitable process for SOSSA qualification.

We have put forward a request to the Niagara Regional High School Athletic Association for Niagara Catholic District School Board's eight high schools to compete in league play for all team sports within our own Niagara Catholic Athletic Association. This would mean we would withdraw from Zone 3 and Zone 4 league play for all team sports. At the end of league play, Niagara Catholic schools would return to their traditional Zones 3 and 4 to participate in SOSSA qualification games and events.

As for individual/single athlete sports (Cross Country or Track & Field), our request is to remain in respective Zones and participate fully with NRHSAA membership. In discussions within our deliberations, this is in the best interest of all student-athletes since many of these sports are enhanced with more competitors and/or some sports do not have a full roster of teams from membership schools. The qualification process for individual / single sport events for SOSSA is more tedious and staying within the existing parameters for these sports is best for our students.

While Niagara Catholic will continue to participate in NRHSAA individual or single sport events, schools within Zone 3 and Zone 4 can apply to participate in the Niagara Catholic Athletic Association pending written agreement to be in full compliance with the association's 'Play Like a Champion' philosophy and all Niagara Catholic Athletic Association Administrative Sport Procedures.

The move to a newly created Niagara Catholic Athletic Association with the necessary administrative sport procedures is targeted to commence in the 2016-2017 school year.

MAY 14, 2016 LETTER FROM MONSIGNOR CLANCY
CATHOLIC AND ST. CHARLES CATHOLIC ELEMENTARY

May 17, 2016

John Crocco

Director of Education, Secretary /Treasurer of Niagara Catholic District School Board

Dear Mr. Crocco,

The Catholic School Councils of St. Charles Catholic School and Monsignor Clancy Catholic School applaud the decision of the NCDSB in addressing the underutilized space in the Thorold Catholic schools and recommending a Pupil Accommodation Review for St. Charles CS and Monsignor Clancy CS. While we would welcome the opportunity for exploring the option of retrofitting MC, we believe that a new building would suit the needs and longevity of our Catholic school community.

In the current organization of St. Charles CS and Monsignor Clancy CS, some of our families will never have their children in attendance under one roof. We believe that every child should have the opportunity to attend school with their siblings. If there is a five year span between siblings, children will never have the opportunity to attend school together. Our children have expressed excitement when planned activities for ELKP –Grade 8 allow them to be together, if only for the understanding that they are in the same school together.

Our children are required to transition twice in their school lives, once in Grade 3 and in Grade 8, whereas all other students in NCDSB are required to only do so in Grade 8. Our concern for our children is their resiliency in this transition, moving from being the oldest in their first school to being the youngest in their second school. This split identity is a challenge for our children. We appreciate the activities and work that goes into the planning of bringing our children together, however this is additional work for two schools. We appreciate the direction in bringing our primary, junior and intermediate students together, however, we are aware that additional budget costs are incurred to provide this experience for our children.

Our vision for Catholic Education in Thorold is to pay homage to the past and move toward to the future with one strong viable Catholic school in Thorold. Throughout the history of Catholic education in Thorold, students have been divided between two to three schools. The current buildings have been repurposed several times. The memory of all of these changes remains with the Thorold Catholic community and conversation concerning the movement from building to building or removal of buildings still exist. This part of our history requires healing by bringing everyone together.

As a Catholic school community, we are asking the Niagara Catholic DSB to propose to the Ministry of Education, one newly built Catholic school in Thorold which is assessable to all. The current location of Monsignor Clancy provides space which would allow for a new school to be constructed without disruption to the learning of the students in the current two buildings. Construction outside of both buildings provides a greater safety level for our children.

As parents of children, we believe our children require a child friendly school that allows for 10 years of learning and play. Our children currently participate in activities together. They walk together for the

Terry Fox and Holy Childhood Walks, attend masses together as two ELKP – Grade 7 or 8 schools and participate in special activities. Our children recently participated in a Literacy Day (ELKP – Grade 8) together at Monsignor Clancy CS and they were excited to be able to be together in the same building. We look for the opportunity for our older children to be leaders and examples to our younger children. This is so important in their development.

We ask you to look at our current Thorold Catholic schools through the eyes of a parent. We are required to coordinate two different bus schedules, child care outside of school day with two different dismissal times and in emergency situations we must get to our children at two different schools.

Our CSCs currently meet jointly. We share information and plan together to support the one school community under two roofs. We recently had a very successful parent information evening which was funded by the Ministry PROGrant.

We appreciate the current leadership that has moved us forward as one community in all aspects of our children's lives.

In conclusion, based on these concerns brought forward by the CSCs of St. Charles and Monsignor Clancy Catholic Elementary schools our recommendation to you and the Niagara Catholic School Board is to amalgamate both Thorold Catholic schools into one new building.

Sincerely,

SPOTLIGHT ON NIAGARA CATHOLIC – MAY 10, 2016**

May 10, 2016

Niagara Catholic's Graduation Rate Second in Ontario Among English School Boards

The Ontario Ministry of Education released the 2015 graduation rate for all publicly funded high schools in Ontario on May 3.

Director of Education John Crocco was pleased to announce that once again, Niagara Catholic continues to provide a variety of programs and services designed for students in all four career pathways (apprenticeships, college, university and direct entry into the work world), which has resulted in a graduation rate of 91.3 per cent,

second among the province's 57 publicly funded English-language school boards for four-year graduation rates.

That figure is 13 per cent higher than the provincial average, and a 2.3 per cent increase over Niagara Catholic's graduation rate in 2014, the first year the Ministry of Education released the provincial results. We are also proud of the fact that 93.5 per cent of all secondary school students completed their OSSGD requirements within five years of beginning high school, eight (8) per cent higher than the provincial average.

Niagara Catholic's figures exceed the Ministry of Education's goal of an 85 per cent five-year graduation rate, and fulfill a strategy laid out in the Board's Vision 2020 Strategic Plan to exceed the Provincial target rate.

Board Chair Father Paul MacNeil said the results reflect the commitment Niagara Catholic has to student success.

"This is truly wonderful news, and I can think of no better time than during Catholic Education Week in Ontario to celebrate the excellence in Catholic education here at Niagara Catholic," said Chair MacNeil. "Parents, staff and our parish priests play a significant role in influencing students to strive for their personal best. This outstanding result is a fantastic good news story, but is certainly no surprise to those of us who see first-hand the commitment to student success by all those involved in our Catholic schools."

Director of Education John Crocco called the 2015 graduation result evidence of the Board's commitment to academic achievement.

"The graduation rate of students is a key indicator of student success completing an Ontario Secondary School Diploma," said Mr. Crocco. "We believe our graduation rate is a clear indication of our Board's commitment to student success. We provide a range of pathways, programs, options and supports for all students, including Specialist High Skills Major, Dual Credit/Connecting College programs and a number of innovative strategies designed to increase student engagement and programs to enhance student experiences for all students throughout Niagara Catholic. While we are very proud of the success of all of our students, who are nurtured by our dedicated and talented staff, we will continue to strive to exceed our own excellent standard to ensure our students graduate from high school fully prepared for the next stage of their lives, whether it is apprenticeship, college, university or the world of work."

Vision 2020 Strategic Plan Check-In

Earlier this year, students, staff, parents, guardians, clergy and partners in Catholic education were invited to provide feedback on Niagara Catholic's multi-year Vision 2020 Strategic Plan, which is now at its halfway point.

Vision 2020 focuses on two Strategic Directions: *Build Strong Catholic Identity and Community to Nurture the Distinctiveness of Catholic Education*, and *Advance Student Achievement for All*.

The Check-in questions focused on the two Strategic Directions, and also the seven enabling strategies found in the Vision 2020 Strategic Plan, all of which align with the Board's Mission, Vision and Values and clearly articulate Niagara Catholic's direct focus. Respondents provided feedback on the seven Enabling Strategies: *Provide Supports for Success; Enhance Technology for Optimal Learning; Building Partnerships and Schools as Hubs; Strengthen Human Resource Practices and Develop Transformational Leadership; Create Equity and Accessibility of Resources; Ensure Responsible Fiscal and Operational Management and Address Changing Demographics*.

The feedback will be reviewed to support the collaborative design of the Board's annual System Priorities for 2017 through 2020.

2016-2017 Annual Budget

After months of working diligently to ensure Niagara Catholic's cost structure is aligned with the Board's estimated 2016-2017 Ministry revenue, during the May 10 Committee of the Whole Meeting, Trustees were presented with a projected balanced 2016-2017

budget. This balanced budget will be achieved without the use of prior year surplus funds.

The 2016-2017 Annual Budget is set at \$254,053,854, an increase of \$211,000 over 2015-2016.

In March, the Ministry of Education announced funding for the 2016-2017 school year. This includes a 1.25 per cent increase for salaries, a result of the central labour agreements within the province.

Keeping this, an estimated decline in enrollment of 426 students for 2016-2017, and the two per cent benchmark for School Operations Allocation in mind, Senior Administrative Council presented a budget which addresses these issues and accomplishes the expectations of the Vision 2020 Strategic Plan.

The Report on the 2016-2017 Balanced Board Budget is available in the May 10 Committee of the Whole [agenda](#).

Phase Three of Long-Term Accommodation Plan Approved

At the April 26 Board Meeting, Trustees approved the third phase of the Board's Long-Range Accommodations Plan for Niagara Catholic's 57 Catholic elementary and secondary schools. This phase focused on potential boundary changes, closings, amalgamations and potential space-sharing with outside agencies.

During the May 10 Committee of the whole Meeting, Trustees reviewed the complete Long-Term Accommodations Plan, which included a number of updates. Among the options being discussed is examining the potential of a joint venture with the French Catholic District School Board to build a new joint-use Catholic elementary school in downtown St. Catharines that would be occupied by St. Nicholas Catholic Elementary School and Ecole Immaculee Conception.

Policies Approved

During the May 10 Committee of the Whole Meeting, Trustees recommended three policies be sent to the Board for consideration.

Access to Board Premises – Safe Schools Policy (302.6.3), Reimbursement of Travel Expenses Policy (201.4) and Establishment and Cyclical Review of Policies Policy (100.5) will be considered at the May 24 Board Meeting.
