The Niagara Catholic District School Board is committed to:

- 2.1** Maintaining an Accessibility Planning Committee;
- 2.2** Continuing the process of consulting with the Special Education Advisory Committee and with persons with disabilities;
- 2.3** Ensuring, wherever practicable, that Board policies, procedures and practices are consistent with the principles of accessibility and inclusive/universal design. The Director of Education has authorized the Accessibility Planning Committee to review and update the Multi-Year Accessibility Plan that will enable the Niagara Catholic District School Board to meet these commitments.

3.0 Description of the Niagara Catholic District School Board

Following government legislation entitled the “Fewer School Boards Act,” the total number of school boards in Ontario was reduced to 72. The aforementioned legislation also impacted the Niagara Catholic District School Board. The Niagara Catholic District School Board was established on January 1, 1998, as a result of the amalgamation of the former Lincoln County Roman Catholic Separate School Board and Welland County Roman Catholic Separate School Board, in compliance with government legislation.

The Niagara Catholic District School Board, consisting of eight secondary schools and forty-nine elementary schools, currently serves 21,640 students and 3,233 employees. The philosophy of the Niagara Catholic District School Board is that learners are called by God to fulfill their potential; all learners are gifted by God and can learn; learning is an interactive process; learning is an enriching experience; and learning is for eternity. Furthermore, students, regardless of special talents or challenging needs can grow and they can grow best by attending schools, which offer accessible programs, in accessible settings, through accessible services.

The Niagara Catholic District School Board, through the charisms of faith, social justice, support and leadership, nurtures an enriching Catholic learning community for all to reach their full potential and become living witnesses of Christ.

5.0 Strategy for prevention and removal of barriers

The principles of inclusionary practice, freedom from barriers and accessible environments informs all Niagara Catholic District School Board policies, programs, procedures and services. Through the Annual Accessibility Plan

implemented under the *Ontarians with Disabilities Act, 2001*, the Niagara Catholic District School Board’s programming, policies and practices have been assessed to ensure continuous improvement in accessibility. This process will continue through the establishment of a multi-year accessibility plan which places particular emphasis on the provisions of the regulations made under the AODA with regard to customer service, information and communications, employment, school transportation and the design of public spaces.

6.0 **Barrier Identification Methodologies**

The Accessibility Planning Committee uses the following barrier-identification methods:

Methodology	Description	Status
Feedback process	Information received through Feedback – Accessibility link on Board website	Ongoing
Accessibility Planning Committee regular meetings	Potential actions re: identified accessibility issues discussed within multi-year strategy	Ongoing
Accessibility Planning Committee also considers Facilities report re: physical environment	Surveys of buildings considered and identification of criteria for action within multi-year strategy	Ongoing
Communication steps: Board, SEAC, Employee Groups, Public	Opportunity for input or feedback prior to approval and posting on website	To be scheduled, annual expectation

7.0 **Recent Barrier Removal Achievements**

The most recent Annual Accessibility Plan developed in accordance with the Ontarians with Disability Act (ODA) identified a range of barriers and appropriate strategies for their removal. The detailed achievements are set out in the following chart:

8.0 **Barriers to be addressed under the Multi-Year Accessibility Plan**

The Integrated Accessibility Standards Regulation 191/11 filed in June, 2011, and Ontario Regulation 413/12 (amendment to 191/11) to reflect changes to 191/11 and inclusion of The Design of Public Spaces Standard, pursuant to the Accessibility for Ontarians with Disabilities Act, 2005 identified specific requirements to achieve accessibility in the areas of:

- Information and Communications
- Employment
- Transportation
- Design of Public Spaces

These requirements build on the Accessibility Standards for Customer Service which came into force in 2007.

Niagara Catholic District School Board endeavors, through this Multi-year Accessibility Plan for the period 2012-2017, to take action to address barriers to accessibility related to the Standards areas of current Regulations. This is in addition to ongoing work the Board is undertaking with regard to identification and removal of barriers in the Board’s physical environment.

The Accessibility Planning Committee will ensure that in respect of the Multi-Year Accessibility Plan the following steps take place:

- (a) An annual status report on the progress of the measures taken to implement the plan is prepared.
- (b) At least once every 5 years the plan is reviewed and updated in consultation with persons with disabilities, with the Board's Special Education Advisory Committee and other relevant committees.

REPORT TO THE COMMITTEE OF THE WHOLE OCTOBER 11, 2016

NIAGARA CATHOLIC BOARD IMPROVEMENT PLAN FOR STUDENT ACHIEVEMENT AND WELL-BEING (BIPSAW) 2016-2017

BACKGROUND INFORMATION

The Niagara Catholic Board Improvement Plan for Student Achievement and Well-Being (BIPSAW) 2016-2017 has been developed to support the continuous improvement of achievement and well-being for all students in the Board.

The four pillars of Catholic Faith, Community and Culture, Literacy, Numeracy and Pathways focus on coherence with Ministry of Education goals, the School Effectiveness Framework, the Board's Strategic Directions, and Enabling Strategies. The theories of action within the four pillars align with the needs of the system to improve achievement and well-being of all students.

The System Improvement Learning Cycle (SILC) is a new process of dialogue between the Ministry of Education and school boards. The first initial meeting between Senior Administrative Council and the Ministry of Education Staff occurred on October 3, 2016. The discussion included the BIPSAW, the implementation of the Ministry of Education *Renewed Mathematics Strategy* in Niagara Catholic, and the sharing of effective strategies with schools in the Board and with other school boards with support from the Ministry of Education staff.

The BIPSAW has been provided to all schools to support the School Improvement Planning process and has been posted on the Board website.

The Niagara Catholic Board Improvement Plan for Student Achievement and Well-Being (BIPSAW) 2016-2017 has been included in this report (Appendix A).

REPORT TO THE COMMITTEE OF THE WHOLE OCTOBER 11, 2016

GOOGLE APPS FOR EDUCATION (GAPE)

BACKGROUND INFORMATION

In March 2014, the Ministry of Education entered into an agreement with both Google and Microsoft that supported the use of cloud based digital tools.

In January, 2016 the Niagara Catholic District School Board endorsed the Technology Blueprint 2016-2020 which provides a roadmap for technology infrastructure spending to support student learning and the corporate side of operations.

The Education Technology Services Department, in February 2015, successfully piloted the use of Google Apps for Education (GAPE). Feedback from students and staff was positive in terms of the ease of use, access from home, ability to collaborate and the amount of file storage.

WHAT IS GOOGLE APPS FOR EDUCATION?

The Educational Technology Services Department, in moving to cloud based platforms, has created over 25,000 accounts so that both students and staff can use the Google Apps for Education suite of products.

The move to GAPE ensures that staff and students have access to a free suite of digital products that is accessible regardless of the device used both at school and at home. The GAPE tools include a word processor (Docs), presentation tool (Slides), spreadsheet (Sheets), email account (Gmail) and unlimited file storage (Drive).

Each user receives a unique @niagaracatholic.ca account that they use to login to Google. Students and staff experience an advertisement free digital environment that ensures that their bookmarks are available regardless of the device used.

WHY USE GAPE?

As the Niagara Catholic District School Board moves to help students master global competencies, students need to be free from the restrictions imposed by having specific software loaded on hardware. Such requirements are labour intensive and expensive. In using GAPE, students have access to their files wherever they are, whenever they want them on whatever device they are using.

One of the advantages of GAPE, for staff, is that teachers also have the ability to use Google Classroom which provides staff with the ability to create online classes that house course syllabi, classroom resources (print/sound/video), and assignments.

A major advantage of GAFE is the ability of Education Technology Services staff to manage the platform from the Network Centre and the platform performs seamlessly on Chromebooks which are available in all Niagara Catholic Schools.

PROFESSIONAL DEVELOPMENT SUPPORT

A portion of the 2015-2016 Technology Learning Fund Grant supported professional development. The Niagara Catholic District School Board purchased an online tool, Synergyse, that provides 24/7 technical support using brief videos layered on top of the file being used. Synergyse has been purchased by Google and the tool continues to be available for students and staff, at no charge.

Two Digital Coaches have been added centrally to work more closely with the School Effectiveness – ELKP-12 Department, Special Education Department and the Research, Assessment and Evaluation Department. A recent example of this was at a recent workshop to support the Remedial Mathematics Strategy where staff from the departments worked cooperatively to provide professional development to secondary school Mathematics and Special Education teachers. The two coaches and our TELT (Technology Enabled Learning and Teaching Contact) will support staff as they continue to adopt GAFE in their teaching practice.

As part of this information report, staff will present a slide presentation and video to highlight some of the advantages that GAFE is providing for students and staff across the Niagara Catholic District School Board.

Director, Senior Staff, Present 2015-2016 System Priorities Achievement Report

During the September 27 Board Meeting, Director of Education John Crocco presented the 2015-2016 System Priorities Achievement Report to trustees.

The System Priorities Achievement Report is presented to trustees annual in September, so they are aware of the progress made in implementing the System Priorities the previous year.

The 2015-2016 System Priorities Achievement Report is available in Section A 6.4 of the [September 27 Board Meeting Agenda](#).

St. John Valley Centre to Become Saint Kateri Tekakwitha Centre

Niagara Catholic will re-name the St. John Valley Centre, an outdoor education centre enjoyed by students for many years, in honour of St. Kateri Tekakwitha.

The request was brought forward by an Ad Hoc Committee, comprised of the Superintendent of Education – Program, the Student Success Lead and students and staff at the Centre.

The Centre is the Board’s new Indigenous Alternative Education Site, and the request to re-name the St. John Valley Centre in honour of Kateri Tekakwitha, (known as “Lily of the Mohawks,”) who devoted herself to God throughout her lifetime more than 300 years ago, is supported by the Niagara Peninsula Conservation Authority, which owns the property. The program offered at the Centre exemplifies St. Kateri’s conviction to working with those less fortunate as their advocate, and embraces the Board’s Outdoor Education Centre, as St. Kateri is the Patroness of ecology and the environment, people in exile and Native Americans.

Prior to renaming the Centre, the Board will consult with Bishop Bergie, local Trustees, the Chair and Vice-Chair of the Board, the Director of Education, Board Chaplaincy Leader, and, when possible, facility staff, local Catholic School Councils and the local Catholic school community.

Niagara Catholic Students Exceed Provincial Averages in All EQAO Assessments

The Education Quality and Accountability Office (EQAO) has released the assessment results for Grade 3 and 6 mathematics and literacy assessments, Grade 9 mathematics assessments and the Ontario Secondary School Literacy Test (OSSLT), including results for the Niagara Catholic District School Board. This is the first time that all EQAO assessments have been released at the same time.

Grade 3 and 6 students exceeded the provincial average in reading, writing and mathematics.

Seventy-nine per cent of primary students at Niagara Catholic performed at Level 3 or above on the assessment, compared to 72 per cent of the province-wide cohort. Eighty

per cent of Grade 3 students obtained Level 3 or higher on the writing assessment compared to 74 per cent across Ontario, and 68 per cent of students obtained a Level 3 or higher on the mathematics assessment, five per cent higher than all Ontario Grade 3 students who took the test.

On the Junior panel, 84 per cent of Grade 6 students who participated in the assessments achieved Level 3 or higher on reading, three per cent higher than the provincial figure, 86 per cent of Junior students obtained a Level 3 or higher on writing, compared to 80 per cent in Ontario, and 56 per cent of Grade 6 students obtained Level Three or higher in mathematics, compared to the 50 per cent province-wide figure.

In the Grade 9 mathematics, 83 per cent of students in the academic stream performed at or above the provincial standard, on par with the provincial figure, and 47 per cent of students in Applied mathematics met or exceeded the provincial standard, two per cent higher than the provincial figure.

The Ministry of Education requires students to successfully complete the Ontario Secondary School Literacy Test in order to graduate from secondary school. In 2016, 86 per cent of the students who wrote the test for the first time were successful. In Ontario, that figure was 81 per cent.

Mathematics will be a key focus for Niagara Catholic throughout 2016-2017, as Board and school administrators and school staff continue to work together to improve student achievement in mathematics through the Ministry of Education's Renewed Mathematics Strategy.

"Niagara Catholic is fortunate to have a strong team of committed partners committed to student success," said Board Chair Father Paul MacNeil. *"Students work hard every day to learn new concepts and are guided by teachers and support staff who provide support and encouragement. These lessons are reinforced at home. We recognize the value of the results of these assessments, but we believe that each student has unique gifts and talents that are far more meaningful than an assessment score. We will continue to balance student achievement with the need to build up student confidence and acceptance."*

Director of Education John Crocco said the Board will continue to work toward areas of strength continue to move forward, and to focus on areas where improvement is needed. *"We are extremely proud of the exemplary Catholic leadership of our school and system administrators, the dedication and skills of our talented staff and the commitment of our students to academic excellence"* said Director Crocco. *"EQAO assessments are one of the many pieces of evidence that the Board and schools use to measure student achievement. Combined with other data, assessments, and the important ongoing conversations held with students, parents and staff throughout the school year, this provides consistent opportunities for feedback and planning to design and provide*

programs and services for the success of all students in all schools throughout Niagara Catholic.”
