September Reflection - Called by Name: "Hear My Voice"

"Listen and hear my voice; pay attention and hear what I say" (Isaiah 28:23)

Have you ever stopped to think about how much noise there is in our lives today? We are bombarded from morning to night with so many voices calling out for our attention. God tells us to "listen" and to "pay attention." His voice is not a loud voice, but a voice that speaks to us in the silence (1 Kings 19:11-13). God doesn't want to be one voice among many. He wants His voice to be our guiding light. He doesn't want a part of our heart. He wants our whole heart, because He has made our hearts to find joy in Him. What are the loud voices in your life that make it hard to find times of silence for prayer? What can you do today to make more time for God?

Staffing Changes

Congratulations to Mrs. McNaught, who will be moving to Holy Name. Congratulations to Mrs. Creighton, who will also be moving to Holy Name, as well, for a contract position. Thank you both for that you have done for the students, community, and school over the years. You will be missed.

Welcome to our new teachers! Ms. Cloutier will be teaching the grade 7/8 class, Ms. Lazarenko will be teaching Grade 4, and Mrs. Brooks will be teaching PTM to our grade 2 and grade 2/3 class.

Happy First Week of School

I look forward to working with all of you throughout this third year. I will be providing you with weekly updates of news and events at the school this year as we navigate through 2023 - 2024. I will also post important dates on the school website at: <https://schools.niagaracatholic.ca/stann-stcatharines/>

Thank you again and have a great weekend. I look forward to seeing everyone on September 5!!

Morning Drop-off/End of Day Pick-up

Just a reminder to parents that these are busy times and we will do our very best to move traffic along. Please be patient and remember to always drop off and pick up your child close to the curb so that they are not crossing traffic. On Wednesday August 30 the Niagara Region held a press conference to inform the community that they will be installing a municipal speed camera in front of our school. We would like to make sure the community is aware of this change.

Busing and Parent Pick-up and Drop-off

Please contact the school first about any address changes or bus situations. We work closely with the transportation department and most changes to the bus have to be entered into the Maplewood system at school. Please be patient with bus times for pick up and drop off for the first two weeks.

At the beginning of the day, parents can drive up to the front doors of the school to drop off their child(ren). An adult will be there to direct them. Parents that are getting out of their vehicle to walk their child to the kindergarten area for drop-off will need to park in the parking lot. Please note that we have limited spaces. Buses will be pulling in and dropping off students at the front of the YMCA entrance. Please do not park in this area so that buses can enter and leave for their next run.

At the end of the day, parents can pick up their child(ren) from the front of the school by parking in the parking lot and meeting them at the front of the school. Pick-ups will be dismissed at 2:40 pm before the buses arrive at 2:50 pm. At this time all bus students and walkers will be dismissed. Please make sure you do not block the buses from entering the front of the school and the YMCA entrance.

Nutrition and Water Bottle Policy

A healthy school environment enhances student learning and success, and enhances students' social and emotional well-being. In order to establish this environment and reduce the risks for all students who suffer severe, life threatening allergic reactions (anaphylaxis) to certain foods, Principals and staff must follow the Administrative Guidelines as outlined in the Anaphylaxis Policy 302.1 of the Niagara Catholic District School Board and the Nutrition Tools for Schools encourages healthy eating choices and encourages non-food choices as rewards.

Therefore, as a reminder to all families that there should be no food items brought to the school for birthdays or holidays (Halloween, Christmas, Valentine's Day, etc). Any special classroom events will be organized by the teacher.

Dress Code Reminder

Please take a moment to review the Elementary Dress Code policy before purchasing new dress code items for the 2023-2024 school year. This dress code policy also provides guidelines for Out-of-Dress Code wear.

Grad Hoodies and Spirit Wear

Just a reminder that all spirit wear can be ordered directly from Big Bear Spiritwear

<https://www.bigbearspritwear.com/st-ann/>

Fire Drills / Hold and Secure Practice

Every year we will perform six fire drills (3 in the fall and 3 in the spring) as well as two hold and secure/lockdown practices. A letter will come home with the dates for the hold and secure practices to explain the process.

Updated Emergency Forms

Emergency forms will be sent home to all families during the first week of school. If there are no changes to the form, please reply “No Changes” so that we know you have received the form. We will be making these changes as we receive them.

ECO Schools

Niagara Catholic District School Board commit to beginning conversations with cafeteria suppliers at all board sites before their next contract renewal in order to transition from the use of food and beverages packaged in plastic containers, and discontinue the use of single-use plastic utensils and straws at all board sites by September 2023; and

And Niagara Catholic District School Board bans all single-use plastics from all board sites and encourages staff and students to use reusable food and drink containers beginning in September 2022.

As we begin to prepare for the upcoming school year, when the current supply of single-use plastics runs out, no replacements will be ordered. Let’s make a difference this year!!

Battery Recycling will continue at the school. All used batteries can be brought to the main office.

The Compost Program will start this year as a new initiative. We will begin with construction paper and paper towels and move to food waste later in the year.

Litterless Lunches - When considering packing snacks and lunches, reusable containers are used to reduce the amount of garbage being collected at the school.

Field Trips - As we plan and prepare for field trips we remind all families that: All activities have an inherent risk of injury; this includes activities students take part in on educational field trips. One very important part of effective planning requires that parents be informed of the risks associated with the proposed activity and give permission for their child to participate. This is accomplished by using a Permission/Informed Consent form provided by Niagara Catholic. The purpose of Informed Consent is to demonstrate that the school board acts as “a reasonable and prudent person” in informing the participant and his/her parents that there are inherent risks associated with specific activities, and that certain injuries may result if the student participated. Common risks that are inherent to activities include but are not limited to:

- Collision with natural or man-made objects or other persons; hard surfaces;
- flying objects;
- physical agility including rapid movements and quick turns and stops;
- Physical exertion;
- Exposure to weather conditions;
- Exposure to vegetation, insects and wildlife;
- Site conditions, e.g., heights, water, equipment, and materials;
- Modes of transportation;
- Failure to remain within designated areas and supervised activities.

Injuries may occur as a result of participating in activities that are inherent in the aforementioned risks. Injuries can include but are not limited to bruises, cuts, scrapes, sprains, strains, broken bones, dental injuries, concussions, back and spinal injuries, sunburn, insect bites/stings, serious injury. The risk of sustaining these types of injuries result from the nature of the activity and can occur without any fault of either the student, or the school board, its employees/agents or the facility where the activity is taking place. By choosing to take part in this activity, you are accepting the risk that you/your child may be injured. The chance of an injury occurring can be reduced by carefully following instructions at all times while engaged in the activity. If you choose to attend this field trip /educational activity, you must understand that you bear the responsibility for any injury that might occur. The Niagara Catholic District School Board does not provide accidental death, disability, dismemberment or medical expense insurance on behalf of the students participating in this activity.

Happy Grandparents Day - September 10, 2023

This Universal Prayer For Grandparents was composed by His Holiness Pope Benedict XVI in 2008 for the Catholic Grandparents Association.

Lord Jesus,
you were born of the Virgin Mary,
the daughter of Saints Joachim and Anne.
Look with love on grandparents the world over.
Protect them! They are a source of enrichment
for families, for the Church and for all of society.
Support them! As they grow older,
may they continue to be for their families
strong pillars of Gospel faith,
guardian of noble domestic ideals,
living treasuries of sound religious traditions.
Make them teachers of wisdom and courage,
that they may pass on to future generations the fruits
of their mature human and spiritual experience.

Lord Jesus,
help families and society
to value the presence and roles of grandparents.
May they never be ignored or excluded,
but always encounter respect and love.
Help them to live serenely and to feel welcomed
in all the years of life which you give them.
Mary, Mother of all the living,
keep grandparents constantly in your care,
accompany them on their earthly pilgrimage,
and by your prayers, grant that all families
may one day be reunited in our heavenly homeland,
where you await all humanity
for the great embrace of life without end.

Amen

Grandparents Day Assembly - September 11

Grandparents are invited to attend the school on September 11, from 12:45 - 1:45. There will be a brief assembly in the gymnasium and then they will have an opportunity to visit their grandchild(s) classroom.
