REPORT TO THE BOARD APRIL 23, 2024

COMMUNICATIONS UPDATE – ADVERTISING CAMPAIGN

BACKGROUND INFORMATION

Annually, the Communications Department shares an overview of its core advertising with Niagara Catholic's Board of Trustees for their information. This campaign goes beyond our annual search engine optimization campaign and organic (unpaid) social media engagement.

We changed our methods for the 2023-2024 school year. We changed service providers for our main campaign and added two specialized providers to allow for niche advertising during our key advertising period from November through February.

For 2023-2024, secondary paid advertising focused on TikTok, which continues to be the most popular platform for students. Our elementary ads focused on Facebook and Instagram, as well as online streaming sources and CHCH TV, using the tagline, *Every Face has a Place at Niagara Catholic*. This campaign was very well-received by the public. After both the elementary and secondary open houses, a follow up ad ran with photos of both elementary and secondary students, encouraging people to reach out to their Catholic elementary or secondary school with their questions or to view the school. This ad featured both elementary and secondary students in the graphic.

The goals of these campaigns are:

- Attract parents of children entering kindergarten to visit their child's home school on their Kindergarten Open House day and to register their child for school.
- Attract students entering Grade 9 in the coming school year to visit their home school Catholic secondary open house and register for school.
- Encourage those unable to attend an open house to schedule a time to visit the school to register their child.

We are pleased to say we have increased our number of pre-registered kindergarten students over 2022-2023, and continue to see kindergarten, elementary, and secondary registrations as we move through the spring.

As a department, we continue to focus on growth and retention. We will begin a new stage of online advertising in June, both locally and across the Golden Horseshoe, to attract local families and those moving to Niagara over the summer. We will also continue to create targeted advertising for schools to promote the connection between elementary and secondary schools within the family of schools which will be provided with a projected timeline of the principals' meeting in August.

A brief PowerPoint will provide an overview of our fall/winter ad campaigns.

The Communications Update – Advertising Campaign report is presented for information.

Subject: Request for Support - 2024 AGM

Good morning Catholic School Board Chairs,
Please see the email below from ALCDSB Chair, Terry Shea.

To Board Chairs,

I am writing to ask for your support of a Resolution being presented at the 2024 AGM.

At the 2023 AGM, Trustees supported a Resolution from our Board that asked that The Ministry of Education, endorse that School Zones be identified as unique safety challenges for Municipalities and since no school zones are alike, Municipalities be required to apply a per school safety strategy in cooperation with School Boards.

The Algonquin & Lakeshore CDSB, along with other community partners have been successful creating safer communities and wish to use this new Resolution to continue the work of making every school zone in the Province safer for our children.

You will note that our Board is presenting a Workshop at this year's AGM which outlines the progress made in our district and how those Municipalities have acknowledged the need for each school zone to be treated as unique safety challenges.

In summary, The Algonquin & Lakeshore is asking for your support of Resolution #17-24 and look forward to seeing you at our Workshop session.
