Transition to Adulthood Planning Toolkit

The toolkit guides parents throughout their child's transitions from elementary school (grade 7) to high school and from high school to adulthood in a parent friendly step-by-step format. It is important to note that the toolkit was designed as a working document for families comprised of family friendly language.

It allows families to track their child's transition by checking off the steps completed and by recording notes. Transition into adulthood is a process that should begin as early as possible; this toolkit will guide families through the steps to planning a successful transition.

The toolkit encourages families to make community connections, to bring people together to help in the planning of their child's successful transition into adulthood.

J. ADJOURNMENT

Prayer for Education

O HOLY SPIRIT,
Source of truth and grace,
for those entrusted with the Christian development of children,
enlighten our minds,
strengthen our wills,
and fill our hearts with generosity
so that our homes, our parishes and our schools may cooperate
effectively with You, and with one another
in the exalted mission of Catholic Education.
We make our prayer through Christ, our lord.

Amen.
