October Reflection

“My sheep hear my voice” (John 10:27)

Jesus calls us His sheep. He is our shepherd. Like a shepherd cares for his sheep, Jesus cares for us. Like a shepherd searches for a lost sheep, Jesus helps us to repent and come back to him when we get lost through sin. But there is another way that we are like sheep. You see, sheep are completely dependent upon their

shepherd. Without a shepherd it is very easy for sheep to be separated from the flock and to get into danger. Jesus reminds us that He is here to help us. He wants to keep us safe from everything that might lead us away from Him. We need Him more than a sheep needs its shepherd. When we rely on Him, we are able to do more and be more than we ever thought was possible. Jesus, our Good Shepherd, we trust in You!

WEEKLY **Update**

Weekly Update

Good afternoon OLHR families,

Please remember that next **Friday, October 11th** there is no school for students as it is a Professional Development day. Also, next **Monday, October 14th** is Thanksgiving and there is no school for staff and students on these days. We hope you enjoy with family and loved ones! Please refer to the "Week at a Glance" above for more details. The October calendar can now be found on our school's website and is also below.

Although this past week was a beautiful week with regards to the weather, we know that Fall weather will be here soon. Please remember to have students dress appropriately for the weather as we always go outside for recess, unless the elements do not allow for it. Also, students are to have indoor shoes with non-scuffing soles, especially for gym class.

We encourage you to continue to monitor student dress code as we are still having many students that continue to challenge the dress code policy. The policy and information regarding Dress code remains below.

Thank you,

OLHR Staff

In addition to the walk students will have a liturgy over the announcements to help them pray and reflect on the various aspects of the Holy Childhood Association and what it stands for.

If you would like to donate to the Holy Childhood Association, there will be an option to donate on School Cash Online. Your donations are greatly appreciated. Thank you in advance for your support to this worthy cause.

Information Update

We remind you that it is important to keep the office updated with regards to any new information or changes to the information we have on file for your child. This may include new phone numbers, change of address, medical information, custody orders etc.

Bicycle/Scooter/Rollerblade Safety

We would like to remind all students riding their bikes/scooters/rollerblades to school to please make sure you walk your bicycles and scooters on the property and to ensure you are wearing your helmets. Those coming to school by rollerblades should also change into their shoes before entering the gated

area.

Public Health Update

Families are reminded to please update your child/children's immunization records with Niagara Region Public Health. You may do so by clicking this [link](#). Any students who have not completed the immunization reporting may be issued an Order of Suspension by NRPB this August. For more information please go to [NRPB website](#) if you have vaccine/record review questions or please call your health care provider. Families may also contact Public Health at 905-688-8248 or 1-888-505-6074 ext. 7425 and ask to speak with a public health vaccine nurse.

Updating Medical Information /Forms

Each new school year all schools are required to update medical information of all of their students. The summer time is usually the most convenient time for parents to contact their child's doctor in order have them complete the necessary forms we require here at school. If your child has an anaphylactic reaction to anything and requires the administering of any medication, we will require the **doctor** to complete the necessary forms for emergency protocols as well as the administering of medication. We **cannot** administer any medication without specific orders given by your child's doctors. The same consent is necessary for all medications relating to any medical condition. Students with Asthma, Diabetes, Epilepsy or any other medical condition will also be required to complete the protocols specific to those conditions. A copy of the necessary forms will be sent home via email next week.

Lunch Delivery

If you are dropping off a lunch or having one delivered to the school, please have your child's first and last name clearly labeled on the package. **Please make sure delivery services have the student's name when dropping off lunches.** Also, please verify in your SchoolCashOnline portal that you ordered lunches on our Specialty Food Days. We do not order extras and will not have additional food in case your child doesn't have a lunch. We do always have additional items in our snack bins and we will do our best to provide food if they cannot contact you. **Please review the new student Nutrition Break times.**

SAFE ARRIVAL

Please remember to report your child's absence using the [SAFEARRIVAL](#) portal. With the office being a very busy place, you can also put in an **EARLY DEPARTURE**. This will allow us to have your child ready and at the office for the time you have selected.

Often when parents call at the last minute, it may be difficult to get students down at the office due to the large number of calls. Advanced planning will be extremely helpful.
