PRINCIPAL'S MESSAGE

Create in me a clean heart, O God, and put a new right spirit within me. (Psalm 51:10)

During the season of Lent, we are reminded that this distinctive time provides all of us with an opportunity to prepare for the heart of our faith—the death and resurrection of our Lord Jesus Christ.

Throughout the Liturgical Season of Lent, let us keep our Lenten promises in the forefront. They are a reminder that Lent is a time to create change in our lives so that we become closer to Jesus. Some may have chosen to give-up something like fast food, chocolate or television. Each time we deny ourselves, we remember the huge sacrifice that Jesus made for our sins. Others may have chosen to do something extra in their daily lives that will bring them closer to Jesus, like more time in prayer or volunteering in the community. We know that keeping our Lenten promises is challenging and that sometimes we may slip, but it is a good lesson for our students to keep on trying.

It is our hope that by all of us taking time out from our busy lives to develop our connection with God, we can use the Lenten season to develop a greater appreciation of the life that God is calling each of us to lead.

The season of Lent is a perfect time for children to take on the challenge of learning a prayer by heart. Here is a Prayer for Lent:

Lord, let everything I do this day and in this season of Lent come from you and be inspired by you. Heal me, Lord, and help me to acknowledge my failures. Let me reach out of the darkness of sin and into the safety of your guidance and mercy. Amen.

Yours in Catholic Education,
Mrs. L. Incauiglia, Principal
Ms. W. Wilson, Vice Principal

Just a reminder that Earth Hour is taking place on Saturday, March 22 from 8:30pm - 9:30pm. We will honor Earth Hour at school on Friday, March 21 at 9:30am.

Reflection #7

Speakers often ask, "Do you follow me?" to make sure you understand. You can hear someone speaking, but to truly understand them, you have to listen. We often hear the words of Jesus in the Bible, at school, and during Mass. But are we taking the time to really follow what Jesus is saying? Jesus calls each of us to follow Him. Part of following Jesus means listening to His words, understanding His message, and living it out each day. What's one way you can follow Jesus more closely? How will you start building that habit today?

We are proud to be a part of the Holy Cross Family of Schools.

THE GREAT GULP

The Great Gulp is an annual initiative that encourages individuals and communities across Canada to collectively drink tap water from reusable containers, such as bottles, glasses, or mugs. This synchronized action aims to raise awareness about the importance of drinking water, the environmental impact of single-use plastic waste, and the need for access to safe and healthy tap water. The Great Gulp involves schools, organizations, and households coming together to participate. Canadian Martyrs will be participating in The Great Gulp on Friday, March 7th.

PARKING LOT SAFETY

Thank you to all drivers who are dropping off and picking up students in the Kiss and Ride lane. Please **do not stop and park in this lane.** We must keep a continuous flow of traffic. The City of St. Catharines has issued a No Idling Order for all schools.

Thank you to those drivers who continue to be courteous when using our parking lot. **Please note that cars are not allowed to drive or park in the bus lane.** This is to ensure the safety of all children who exit the buses as well as those students crossing from the Kiss and Ride lane. Also, parents are asked to park in a parking spot, not in the driveway areas. These are no parking zones and cars may be ticketed by the by-law officer. Please continue to be cautious and aware as you enter and exit the parking lot. Please ensure that everyone who picks up and drops off your child(ren) is aware of the procedures in our parking lot.

Accessible Parking Spaces:

Drivers are kindly reminded to only park in the accessible parking spaces if they have a **valid permit displayed in the front window** of their vehicle. We thank everyone for respecting this expectation and for their ongoing cooperation.

YMCA Day Care Pick-Up:

Parents are reminded to **please use a designated parking space** when picking up students from the YMCA Day Care doors. Please be advised that the front lane is a fire lane and there is a sizable fine should a bylaw officer be present and issue a ticket.

Drop off tips:

For parents of older children, consider dropping your child off at the back entrance of the school on Northwood Drive or drop your child off at the short pathway on Royal Manor Drive. Supervision is available starting at 8:15 am. Please do not drop your child off prior to this time.

Parking tips:

Having trouble finding a parking spot? Consider parking next door at the Scottlea Gospel Chapel or across the street at Scottlea Presbyterian Church.

Thank you for keeping our students safe.
