### Message from Mrs. Araujo and Mrs. Kish

As we gather to celebrate the joy of Easter, we are reminded of the profound meaning of this season-the resurrection of the Lord, Jesus Christ. Let us rejoice for He is Risen! Alleluia! Easter is not only a time for reflection and spiritual renewal but also a celebration of hope, love and new beginnings.

During this holy season, let us take a moment to appreciate the blessings we have and to show gratitude for the gift of life and the love that surrounds us. Just as Jesus rose from the dead, we too are called to rise above our challenges, to embrace kindness and share our light with others. Let us remember that Easter is a time to reach out to those in need, to offer forgiveness, and to embody the love that Christ has shown us.

As we celebrate with family and friends, may our hearts be filled with the peace and hope that comes from hearing His voice and from knowing Him.

May you have a joyful and blessed Easter.

### Faith Matters

In Mark's Gospel, we read about Jesus and the rich man, who asked what he had to do to inherit eternal life. The rich man explained that he had kept all the commandments, but "Jesus, looking at him, loved him and said, 'You lack one thing; go, sell what you own, and give the money to the poor, and you will have treasure in heaven; then come, follow me'" (Mark 10:21). The rich man chose not to follow Jesus because he loved his many possessions. Our hearts were made for God. In order to follow Jesus, we need to set aside the things that take His place in our hearts. Jesus wants to be the King of our whole heart, not just part of it. Like his call to the rich man, Jesus asks each of us to let go of everything that gets in the way of us following Him. Take a moment today to pray and ask Jesus to reveal any areas of your heart that need His healing touch and to help you fully entrust them to Him. By identifying and surrendering these parts of our hearts, we allow Jesus to transform us from within.

World Autism Day is **Wednesday, April 2nd** and will be celebrated across all Niagara Catholic District Board schools in an effort to help to raise awareness in support of initiatives being developed locally or provincially to increase the understanding and acceptance of people with Autism around the world.

### **NATIONAL GOOS PAPER DAY**

Join students, teachers, workplaces, and families across the country on **Thursday, April 3rd** to celebrate National GOOS Paper Day. GOOS stands for Good On One Side. GOOS paper is paper that has been used on one side, but is still blank and usable on the other side. Using GOOS paper means ensuring both sides of a piece of paper are used before it is recycled.

**April 4 is a PA Day- NO SCHOOL FOR STUDENTS!!!**

### **Earth Day**

**April 22, 2025** is Earth Day! Let's celebrate and find the leader in each of us, so that every day can be Earth Day.

## **Class Placements for September 2025-2026- IMPORTANT PLEASE READ**

In the weeks and months ahead we will begin organizing our school for the upcoming school year. Teachers and support staff will dialogue and determine where each child needs to be placed to best meet their needs and ensure success. Similar to last year, we are providing parents with the opportunity to place their requests in for their children. **ALL REQUESTS WILL NEED TO BE MADE VIA THIS GOOGLE FORM-**

**<https://forms.gle/vAa6kDsKkX41mCob8>**

Please do not provide this information to the classroom teacher or via email. All class placement requests will be centrally located. If you are having difficulty accessing the link, please email the school.

**We are asking that parents limit their requests to TWO per child.** There is no option to NOT be placed with a teacher. We feel that all of our teachers are qualified staff members who have only the best interests of your children in mind. We hope you understand. However, you can ask to be placed **with** a certain teacher.

**All requests must be made using the Google form no later than May 31, 2025.** Any requests made after this date will not be entertained. Please understand that creating class lists for this size of a school is a huge undertaking and one that we take very seriously. It is very difficult to make changes last minute as it affects many other classes, teachers and students. Your understanding is anticipated and appreciated.

## **KINDERGARTEN REGISTRATION**

It is still not too late to register your child for KINDERGARTEN (age 4 as at December 31, 2025) for September, 2025 school year start. We encourage all families to register as soon as possible.
