NCAA Track and Field

Congratulations to the SJHN track team who competed in the NCAA track meet on Thursday. The team was represented by more than 40 athletes and they competed in many individual and relay events. The team had many Top 3 finishes and 2 first place winners: Ethan T for softball throw and the grade 7 girls relay team. Great job Firebirds

Public Health Vaccination Message

As you prepare for the new school year this summer, remember to check if your child's immunizations are up-to-date. If you are unsure, talk to your health care provider or [contact the vaccine team](#) at Public Health. Staying up to date with routine vaccinations helps protect your child from preventable diseases.

If your child needs to get caught up on vaccines, you can:

- Make an appointment with your health care providers
- Visit a walk-in clinic (call ahead to confirm vaccine availability)
- Check availability of Public Health vaccination clinics. Call 905-688-8248, extension 7425 (Monday to Friday, 8:30 a.m. to 4:15 p.m.)

Don't forget to report your child's vaccines to Public Health!

Every time your child receives a vaccine, it must be reported to Public Health. Doctors, child care facilities, and schools don't do this for you.

The fastest and most convenient way to report vaccines (except COVID-19 and flu shots) or request records is through [Immunization Connect \(ICON\)](#), a secure online system for tracking and reporting immunizations.

For more information on vaccines needed for school, visit: [Baby, Children and Youth Vaccinations](#)
