Welcome Back 😊

On behalf of the entire team at St. Kevin Catholic School, I would like to welcome back all members of our school community. A special greeting goes out to those joining us for the first time—whether you're transitioning from another school or beginning your educational journey here—we're thrilled to have you with us.

As your principal, I remain deeply committed to working alongside you and our dedicated staff to provide your children with an enriching Catholic education. I look forward to connecting with each of you and I am confident that, together, we will continue to uphold and strengthen the proud traditions and proven practices that define St. Kevin's legacy. My goal is to nurture the strong partnerships between home, school, and parish, ensuring our students grow spiritually, emotionally, academically, and physically.

Our staff has been preparing with great enthusiasm for the year ahead, and we are excited for the opportunities it will bring. As partners in education, we aim to offer meaningful learning experiences that expand our students' knowledge and skills. By fostering a welcoming school environment, maintaining open communication among families, staff, and parish, and ensuring our discipline is fair and consistent, we will create a space where all students can thrive.

Together, we are shaping a community rooted in Gospel values. Through our words and actions, we hope to reflect God's love and presence in the world. As a faith-filled school family, we ask for God's blessings on our students, their families, our staff, and everyone who is part of the St. Kevin community

Visitors at St. Kevin

I would like to thank everyone in advance for their patience and understanding. We at St. Kevin are going to need your cooperation in order to keep everyone as safe as possible.

If you need to pick up your child please inform the office prior to doing so. This is important for student safety. Thank you for your co-operation in communicating with our staff.

If it is absolutely essential that a parent/guardian drop something off for their child(ren), ring the bell at the front entrance and wait for assistance. Our office staff will be ready to assist you.

Kiss And Ride Lanes

As we begin another school year, we kindly ask for your continued cooperation in ensuring a safe and smooth morning drop-off experience for all students at St. Kevin Catholic School. Please be patient while using the Kiss and Ride lanes. These lanes are designed for quick drop-offs only. We ask that you do not park or leave your vehicle idling during morning arrival. Staff members are present to greet and guide students safely into the school yard once they exit your vehicle, helping to keep traffic flowing efficiently.

For everyone's safety, please remember:

- Drive with caution at all times.
- If you need to leave your vehicle for any reason, please use one of the designated school parking lots.
- The Kiss and Ride is a one-way lane—U-turns are not permitted.

Our shared goal is to maintain a safe and welcoming environment for all children during drop-off and pick-up times. Thank you for your understanding and cooperation

Back to School Food Truck & Meet the Teacher Night – September 25, 2025 3:30 – 6:30 PM

As we approach the beginning of a new school year we would like to invite families to our back-to-school food truck and meet the teacher night. The food truck will be available from 3:30 - 6:00 PM and teachers will be available in their classrooms to meet from 5:30 – 6:30 PM. Thank you to our Catholic School Council for organizing the evening for our families. We look forward to seeing everyone on the 25th!

National Day of Truth & Reconciliation – September 30, 2025 (Orange Shirt Day)

Orange Shirt Day is the story of Phyllis Webstad, an Indigenous woman who shared her experience at an Indian Residential School through the children's book, *The Orange Shirt Story*. By participating in Orange Shirt Day, we recognize the harm done to generations of children by the Indian Residential School system in Canada. The first time Orange shirt day was recognized in Canada was September 30th, 2013. Since that time **Orange Shirt Day** has grown into a national awareness among schools, businesses, and communities.

In June 2021, the Federal Government of Canada designated September 30th as the **National Day for Truth & Reconciliation**. While this addresses Call to Action #80 of the Truth and Reconciliations *94 Calls to Action*, it coincides with an established day that was created by Survivors of Indian Residential Schools. Students will recognize this day and wear ORANGE on **September 30th!**

School Photo Day

St. Kevin students will have their pictures taken on Thursday, September 17th. Retakes are scheduled for November 3rd in case you miss the original date. Please bring those wonderful smiles!!

Terry Fox Walk

The annual Terry Fox Walk has become a classic Canadian tradition every fall at St. Kevin School as we come together as a community to fundraise for cancer research. We will wear red and white and walk to support cancer research on Friday, September 26th!

Anaphylaxis

At St. Kevin Catholic School, we continue to have several students with Anaphylaxis – a severe life threatening condition caused by an allergic reaction to certain food products (i.e.) PEANUTS, dairy, medications, latex products, inhalers and insect stings from bees or wasps. Residue on any material that has been touched by hands that have not been properly washed may also trigger a severe allergic reaction. Anaphylaxis requires immediate first aid (Epipen) and immediate medical intervention.

Classroom teachers who have children with Anaphylaxis are working hard to prevent accidental exposure to products that trigger life-threatening reactions. We will also be forwarding home a letter informing all parents of the presence of an anaphylactic child in the school and requesting that all parents co-operate by not sending to their classroom specific foods for lunch or snacks that could trigger a life threatening reaction for the Anaphylactic student.

Thank you in advance for your assistance and co-operation regarding this life threatening matter.

Catholic School Council

Welcome Back St. Kevin Catholic families! St. Kevin Catholic School Council is always busy planning and organizing for all the things that make St. Kevin Catholic School so special. Our first meeting will be an in person meeting on Tuesday, September 30th at 6:00. At our first meeting we will be electing a Council Chair-person, as well as our Parent Reps.

Insurance Forms

Early in the school year a Student Accident Insurance Policy form will be sent to you via email. If you choose to take out insurance for your child(ren), please return the form by mail directly to the Insurance Company.

Lockers/Shared Spaces

Students will be able to use the lockers in the school. Shared spaces such as the Library (when complete) and Gym will be in full use.

Shared materials/equipment will be permitted. Staff will remind students of the importance of hand hygiene after using shared materials, particularly when shared materials cannot regularly be cleaned. Students are permitted to bring equipment from home to use at recess.

Bikes, Skateboards, Scooters Safety

As we have been having wonderful weather this year, children will be enjoying the opportunity to ride their bikes/scooter/skateboard to school. **Please remind your child to always walk their bike or scooter on school property.** Students are required to wear helmets and are encouraged to lock their bikes while on school property. Any bike/scooter/skateboard will not be stored inside the school. Students must use the bike rack outside. Please remember to lock your belongings.

Ryan's Law - Asthma Friendly Schools

Ryan's Law (Ensuring Asthma Friendly Schools) is an important step to support the health and well-being of students diagnosed with asthma in Ontario schools. During the past school year the Niagara Catholic District School Board has created an Asthma Policy. If your child has been diagnosed with asthma, please contact the school office to provide information about your child's asthma medication. You will be required to complete and submit the Niagara Catholic Student Asthma management Plan for your child. Any student under the age of 16 years will be permitted to carry and administer his/her asthma medication at school with your consent. A student 16 years or older is not required to have his/her parent's or guardian's permission to carry the asthma medication.

The Ministry of Education website has resources on asthma that can be found at

<http://www.edu.govon.ca/eng/healthyschools/anaphylaxis.html>.

If you have any questions, please feel free to contact the office at 905-734-7709.

Heart Healthy School

St. Kevin Catholic School has been a Heart Healthy School for several years. Our students are learning a lot about how to be healthy and fit. Heart Healthy schools focus on working with parents and children to learn more about healthy lifestyles and to make changes that will support healthy hearts now and in the future. We're planning to continue our focus on fitness activities, healthy snacks and lunch foods and a commitment to no smoking. If our children can learn now how to keep themselves healthy and can begin to practice the life strategies to keep them healthy, they will have a much stronger chance of living a long and healthy life. We hope you will support our efforts to become even more heart healthy. Encourage active, outdoor play instead of computer games and TV shows. For snacks, send fruits, vegetables, grains and yogurt or cheese, instead of pop and chips. Together we hope to improve the health of our children now and for a lifetime.

Medic Alert's No Child Without Program is at St. Kevin Catholic School

The **No Child Without** program offers a free MedicAlert membership to students who attend St. Kevin Catholic School and are between the ages of 4 up to their 14th birthday. If your child has a medical condition, allergy or is required to take medication on a regular basis then you should consider a MedicAlert membership through this program.

Your child's voice in an emergency, MedicAlert membership;

Gives emergency first responders immediate access to your child's medical information on their MedicAlert bracelet or necklet

Enables first responders to quickly obtain up to date medical information by means of the child's Electronic Health Record through the **24 Hour Emergency Hotline**.

Communicates with the parent or emergency contact upon activation of the **Hotline**

Allows free updates of the child's medical record as needed

MedicAlert identification can alert school staff, friends, coaches and others about your child's medical condition should an emergency occur.

For further information come to the office for a brochure or visit www.nochildwithout.ca. To register your child you will need a **No Child Without** brochure from the office.

If your child is already part of the **No Child Without** program and there have been changes to their medical condition, medications or emergency contact information, call MedicAlert at 1-866-679-3220 Ext 1 to update your child's file.

Bus Safety

At the Stop	Be 5 to 10 minutes early, and stand on the inside of the sidewalk/ shoulder away from the roadway.
When the Bus Arrives	Line up in a straight line, wait for the bus to come to a complete stop and the doors to open, and never touch the outside of the bus.
Getting on the Bus	Get on the bus one at a time, hold the handrail as you climb the stairs, and go directly to your seat and get settled.
Riding on the Bus	Sit with your back to back of the seat and your bottom to the bottom of your seat with your school bag on your lap, and use your quiet speaking voice so that the bus driver can concentrate on driving.
Getting off the Bus	Stay in your seat until the bus comes to a complete stop, only get off the bus at your school or at your bus stop, look for your parent/ guardian before you get off the bus if that is your routine, and always tell the bus driver if you do not see your parent/ guardian at the bus stop waiting for you if that is your routine or if you missed the stop.
Crossing in Front of the Bus	Watch and wait for the bus driver to signal to you to cross the road once it is safe to do so.

Rowan's Law Day – September 25, 2025

The last Wednesday in September every year is Rowan's Law Day (#RowansLawDay) – a day to engage students, staff, coaches, and parents/guardians in activities that increase awareness about concussions and to share Rowan Stringer's story.

Rowan Stringer loved rugby. A competitive and keen athlete, she was captain of her high school's team. Tragically, in May 2013, 17-year old Rowan died as the result of head injuries she sustained while playing rugby. In the week before her last game, Rowan was hit twice while playing, likely sustaining a concussion after each blow. Her concussions went unreported, and she continued to play. Rowan suspected something wasn't right—she texted a friend about her condition and used Google to search for information about concussions. When she was hit again in her final game, Rowan suffered what is known as Second Impact Syndrome—catastrophic swelling caused by a second injury to a brain still healing from previous trauma. Rowan collapsed on the field on May 8, 2013, and died four days later.

CELL PHONE USE IN SCHOOLS

As we continue to foster a safe and positive learning environment for all students, I would like to remind you of the new regulations regarding cell phone use that have been implemented in Ontario schools.

To minimize distractions and maximize learning, cell phones are only permitted during instructional time when they are being used for educational purposes as directed by the teacher. Outside of these times, students are expected to keep their phones turned off and stored away unless needed for documented learning purposes and/or health-related requirements. We kindly ask for your support in reinforcing this policy with your children and encouraging them to focus on their studies during school hours.

Your cooperation is essential in helping us maintain a healthy and respectful school environment. If you have any questions or concerns regarding these rules, please do not hesitate to contact the school.

Thank you for your understanding and support.

Due Dates for Payment Via School Cash ~ IMPORTANT

We kindly ask for your cooperation in respecting the due dates posted in School Cash Online. Many of our activities—such as food days, class trips, and special events, require us to provide final numbers or make pre-orders with external vendors well in advance. Once these commitments are made, it becomes very difficult to make changes at the last minute.

To ensure your child doesn't miss out on these opportunities, please make every effort to submit payments by the stated deadlines. Unfortunately, exceptions cannot be made once the due date has passed.

Thank you for your understanding and continued support.

CIGARETTES, VAPING, OR NICOTINE, CANNABIS, OR ALCOHOL USE AT SCHOOL

Another measure coming into effect in September to protect the health and well-being of students is the installation of sensors to detect vaping in schools.

The Smoke-Free Ontario Act bans the use of any tobacco, nicotine, or e-cigarette (vape) on school property. The changes to PPM 128 strengthen the enforcement of consequences for students who use or share cigarettes or other tobacco products, nicotine products, e-cigarettes (vapes) at school.

Anyone under the age of 19 is prohibited from buying or possessing alcohol or cannabis. These substances, and any illegal drug, are prohibited on school property.

The new rules require school boards to develop a policy to handle any prohibited items that are surrendered, if one does not exist already. The policy must comply with federal and provincial regulations.

To ensure compliance with the provincial regulations Niagara Catholic's Facilities Services team will install equipment to detect the use of cigarettes or e-cigarettes in schools this year.

These expectations are outlined in the Board's Electronic Communications Systems Administrative Operating Procedures for students, and the Board's Code of Conduct AOP.

We ask parents to please speak to your children about these new provincial rules and support your child's teacher(s) and principal in enforcing them.

QUESTIONS, CONCERNS, OR COMPLAINTS: UNDERSTANDING THE PROCESS

Finally, the Ministry of Education has given school boards new requirements on how we communicate with parents who have questions, concerns, or complaints.

This new guidance builds upon our established practice for resolving issues, including giving parents a timeline for a response. This is outlined in the process below. This information will also be shared on the Parents section of the Board website and school websites in time for the start of the new school year.

Niagara Catholic's Multi-Year Strategic Plan prioritizes transparency in communication with families and stakeholders as a key priority. Our Complaints Resolution Policy, first passed in April 1998, addresses the steps families must take to resolve an issue at their child's school. PPM 170 ensures commitments the provincial government made in Your child's education: A parent guide to our school system are fully addressed.

Parents/guardians should expect a response to a concern or complaint within two business days. If an inquiry needs more time, you will be given an estimated time for a detailed response at the end the second day.

If you have a question about a classroom-related matter, such as curriculum, homework, classroom behavior, or specific incidents, please contact your child's teacher.

If you cannot resolve the issue at the classroom level and/or have a question about school procedures, extracurricular activities, or safety concerns, please contact the school's vice-principal or principal.

For issues unresolved at the school level or issues related to Niagara Catholic policies, procedures, resource allocation, or other concerns, please contact the Superintendent of Education assigned to your child's school.

In keeping with the Board's commitment to accessibility, parents and guardians have a right to expect information will be delivered in clear, easy-to-understand language.

RESPECTFUL INTERACTION AT ST. KEVIN

St. Kevin is rooted in Catholic and Christian values. Our goal is to create a safe, kind and loving environment for all who work, learn, and assist with our school community. Aggressive or hostile behaviour or language toward, staff, students or our community helpers will not be tolerated. While we welcome feedback, concerns and opinions it is the expectation that all staff, students, parents, guardians and community helpers communicate their needs and concerns with one another in a respectful and peaceful manner whether through email, on the phone or face-to-face. Adherence to this expectation is vital in order to create a community which can solve problems and help one another achieve success.
