Terry Fox Walk

On Thursday September 18th, the staff and students participated in a prayer service (led by Mrs. Sacco's and Mrs. Gabriele's class) and a walk to to raise money and awareness for cancer research and honour Terry Fox's legacy and his own Marathon of Hope across Canada. The Terry Fox Foundation's mission is to find a cure for cancer. A cause that became Terry's sole focus after being diagnosed with bone cancer in his leg. We would like to thank all of the families that made donations on school cash which will be forwarded to the Terry Fox Foundation.

Mathalon

Each year our students are challenged to complete a Mathalon through Knowledgehook. Students must persevere through various mathematical based questions to complete the Mathalon. This year we have several students who have completed the Mathalon in record time! Congratulations to Max, Sarah, and Rana from Ms.Korce's Grade 7 class who completed the FULL MATHALON and to Apoorva for completing her Half Mathalon.

The staff and students at SJHN are very impressed with your accomplishments! Who will be next? Are you up for the challenge?

Catholic School Council

Our first Catholic School Council meeting will take place on Monday September 22nd @ SJHN beginning at 6pm. Under the leadership of Jessica Petrella and Silia Stapleton, who served as chair and co-chair, our CSC had another productive year and continued our annual Christmas Store. We invite new members to join us this year as we continue to promote parental involvement.

*Catholic School Council members form an advisory body to receive information from School Administration and advise the school Principal on issues such as program, extracurricular activities, fundraising and revisions to Board policies.

*We meet several times each year and we are invited to three Council events outside of the school.

*All parents/guardians are welcome to join us. Voting for Chair and Co-Chair positions will take place that evening.
